

## Packaging Supply- VI Packaging

At Vinpac, Packaging Supply is a comprehensive service designed to meet all your wine packaging needs. Our dedicated VI Packaging division, established in 2008, ensures efficient sourcing and delivery of high-quality materials, including bottles, cartons, and closures. With warehouses across Australia, we provide timely and reliable supply, minimising disruptions to your bottling schedule. Our strong supplier relationships and competitive sourcing guarantee cost-effective rates, while our custom packaging solutions enhance your brand's presentation.

By choosing Vinpac, you benefit from our expertise, commitment to quality, and customer-centric approach, ensuring your packaging needs are met with precision and care.

- **Dedicated Packaging Division**  
Our VI Packaging division, established in 2008, focuses solely on providing comprehensive packaging solutions for wineries and contract bottlers. This specialisation ensures that we have the expertise and resources to meet all your packaging needs efficiently and effectively.
- **One-Stop Shop for Dry Goods**  
As a one-stop shop for dry goods supply, Vinpac simplifies the packaging process by providing everything you need in one place. Whether you require bottles, cartons, closures, or other packaging materials, we ensure that all your requirements are met conveniently and efficiently.
- **Competitive Sourcing**  
Through our Vinpac Procurement Team and VI Packaging division, we purchase large volumes of packaging dry goods, allowing us to offer competitive pricing to our customers. This ensures that you receive high-quality materials at cost-effective rates, helping you manage your packaging budget more efficiently.

- **Strong Supplier Relationships**  
Our strong relationships with key suppliers enable us to source materials that meet industry-agreed specifications and are suitable for use on our automated bottling lines. These partnerships ensure consistent quality and reliability, giving you peace of mind that your packaging materials will perform as expected.
- **Industry-Standard Materials**  
We guarantee that all materials sourced by Vinpac are produced to industry-agreed specifications, ensuring compatibility with our automated bottling lines. This adherence to industry standards ensures that your packaging materials are of the highest quality, enhancing the presentation and preservation of your wine.
- **Extensive Warehouse Network**  
With warehouses located in WA, NSW, Victoria, and SA, Vinpac has an extensive network that allows us to efficiently organise the delivery of packaging materials to your bottling location. This network ensures timely and reliable supply, minimising any potential disruptions to your bottling schedule.
- **Custom Packaging Solutions**  
Vinpac offers unique packaging solutions, including bespoke printed dry goods, to meet your specific needs. From artwork ideas to approvals, deliveries, and production, we manage the entire process, providing you with customised packaging that enhances your brand and meets your marketing objectives.
- **Sustainable Focus**  
We are committed to sustainability and work with our suppliers to implement eco-friendly packaging solutions. This focus on sustainability helps you enhance your brand's image and appeal to environmentally conscious consumers.
