

Sigma Press

Introducing SIGMA, a revolutionary press system featuring patented double-membrane technology and vertical Flexidrain® juice channels for unparalleled press results. With shorter pressing times, larger filling quantities, and reduced mechanical loads, SIGMA ensures premium must yield and economic efficiency.

- Patented double-membrane technology and vertical Flexidrain® juice channels
- Unique Perfect-Flow mesh ensures unparalleled press results
- Shorter pressing times, larger filling quantities, and reduced mechanical loads
- Maximum flexibility with hermetically sealable door openings
- Adaptability to diverse grape processing needs, including whole-cluster or mash processing
- Intelligent control programs and intuitive touch panel for easy operation
- Easy dismantling of vertical juice channels and corner-edge-free pressing body reduce cleaning times

Sigma

Garlock
- Seepex
- SIFA
- Sterivalve
- Sydex
- Venair
- Waukesha
- Willmes
- YGros
- Zambelli

NB: FlowTherm cannot provide guarantee for any parts not ordered through FlowTherm.

Flowtrend Alternative Spares

Discover **Flowtrend**, our trusted partner for reliable and cost-effective alternative fluid handling solutions. As a leading manufacturer, Flowtrend is committed to providing high-quality products that meet and often exceed the standards of major OEM suppliers. With a global network of distributors, we offer fast delivery and responsive service to meet your needs promptly.

Flowtrend's offerings undergo rigorous quality control checks in accordance with our ISO 9001 certification, ensuring that they meet regional material standards for uncompromising quality.

Hygienic Spares for Enhanced Efficiency

Flowtrend specializes in hygienic spares that provide an ideal solution for cost-effective maintenance. Our like-for-like alternative parts match OEM quality and are crafted using FDA-approved and batch-traceable materials. To simplify procurement, we adapt OEM part numbers and descriptions for easy integration into your systems.

Unmatched Quality and Reliability

Comparable to OEM parts in every way, Flowtrend spares offer the following advantages:

- **Same** dimensions
- **Same** materials
- **Same** validation certification
- **Same** quality, and in some cases, improved quality
- **Same** performance and lifespan
- **Same** moulding, forging, and extrusion.
- **Same** manufacturing platform
- **Fully** interchangeable
