

QR Code Parking Information

Please scan your provided QR code under the bottom left of the entry/exit column with the code facing straight up, if you are using your phone please remember to increase the brightness on your screen.

Should you encounter any entry/exit issues with the code, simply press the phone button- our intercom is always staffed.

Please remember to

- Drive safely and slowly when within the Showground
- Only park in designated areas
- Keep your code for your personal use only and do not share it with anyone
