## NEW ZEALAND CHILD AND YOUTH EPIDEMIOLOGY SERVICE (NZCYES)

Venue: Meeting Room 1, Sir Noel Robinson Centre, Due Drop Events Centre

8.30am – 12.30pm	Join the New Zealand Child and Youth Episervice (NZCYES) as we celebrate 20 years of providing valuable information to inform child health policy and practice! In this satellite session, we will be presenting for the first time, in-depth analyses of tamariki and rangatahi living with neurodevelopmental disorders (including ADHD, ASD, FASD) and the mental health of our mothers, a critical aspect of child health. We will also host a workshop to understand the information needs of our stakeholders and what they see as future research priorities for the NZCYES.
------------------	---

## PAEDIATRIC CARDIOLOGY SPECIAL INTEREST GROUP

Venue: Meeting Room 6, Sir Noel Robinson Centre, Due Drop Events Centre

8.30am – 12.30pm	Paediatric cardiology special interest group meeting, as part of paediatric society NZ annual conference, is an educational and networking opportunity for paediatric cardiologists, paediatricians and neonatologists with special interest in cardiology, paediatric echocardiographers, general paediatricians and trainees. Our 'half-a-day' educational programme on 4 November, Tuesday morning, will focus on a range of topics including heart failure in children, antenatal diagnosis of arch anomalies (TBC), advanced imaging in congenital heart diseases, rheumatic fever and interesting case presentations. The meeting will be followed by a business meeting discussing interest and scopes for development of a formal network, and an evening social dinner for the interested people.
------------------	--
