“The ability to activate the exam mode functionality during assessment situations has been a game changer. Students have found the examination experience to be less intrusive and less stressful. The NESA (NSW Education Standards Authority) approved C-Pen Exam Reader 2™ has been trialled during the HSC Trial Exams and there has not been the need to find additional spaces for the provision of readers. We strongly recommend both the C-Pen Reader 2s and the C-Pen Exam Reader 2s.”
