Thinking about the team
you lead, what are you
most proud of?

Rationale for teams

Teamship versus teamwork

Model for Teamship

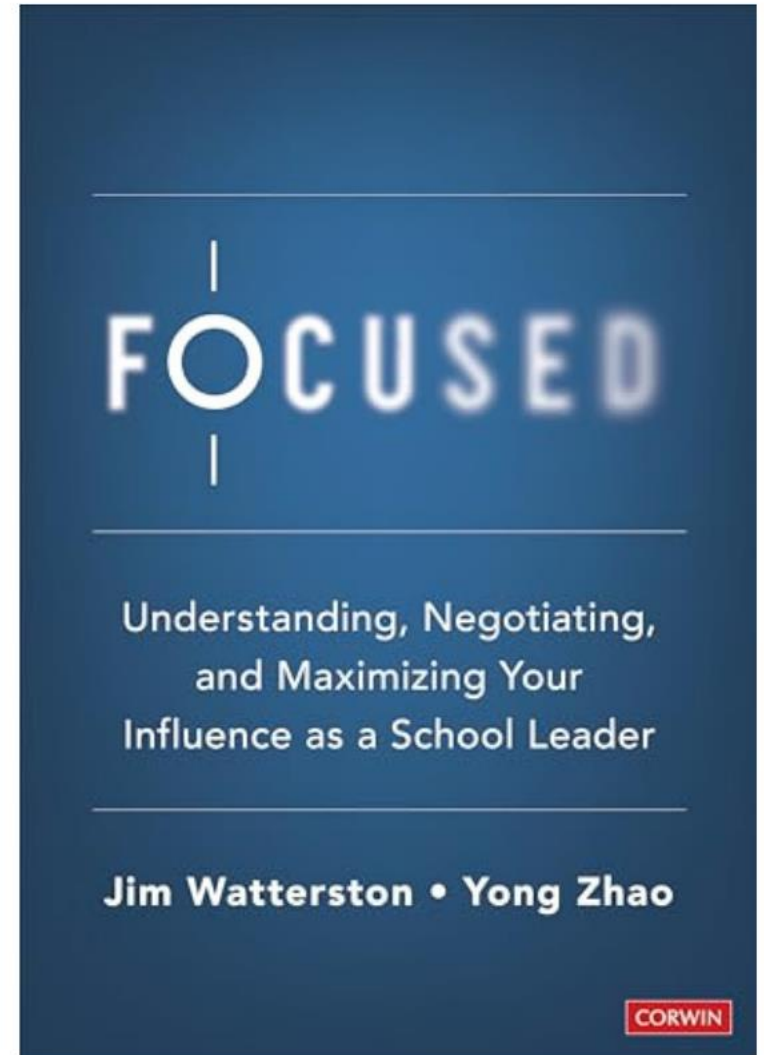

Quick assessment of your team

3 practical tools to use tomorrow

“We believe that the traditional model of one person being ultimately accountable for school leadership is unsustainable and impractical in the constantly evolving educational landscape.”

Jim Watterston & Yong Zhao

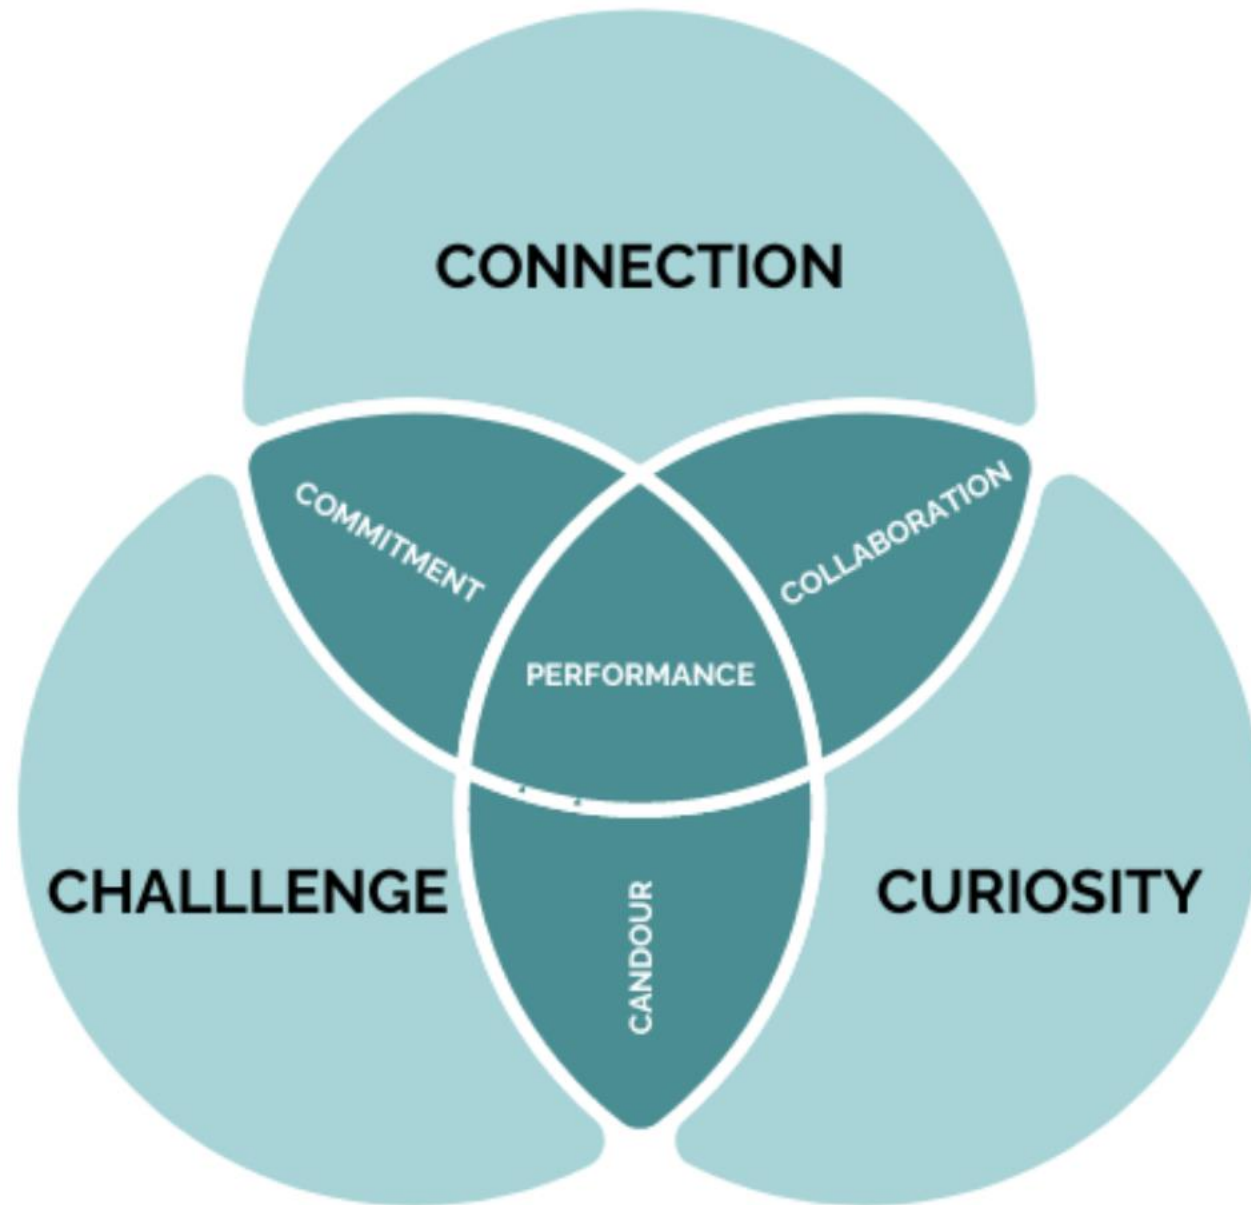

Teamship Performance Profile

Here are the results for your team, John.

The radial chart shows your team's profile based on your responses.

The analysis against each element provides specific insights and surefire strategies to help grow your team.

Be sure to check your email for the link that I have sent you. It will bring you back to this report at any time in the future.
