ABOUT THE CONFERENCE

SEPLA•CON 2025

Innovate. Connect. Inspire.
Co-hosted with the
2025 ASEPA National Conference
ICC Sydney 21+22 July 2025

On behalf of the 2025 Conference Steering Committee it is our pleasure to invite your organisation to participate as a Sponsor or Exhibitor at the premier event for special education practitioners and leaders, committed to education of students with a disability in Australia and beyond.

SEPLA-CON 2025 and 2025 ASEPA National Conference will be held on Monday, 21 July and Tuesday, 22 July 2025 at the International Convention Centre (ICC) Sydney. The 2025 Conference theme is 'Innovate. Connect. Inspire.'

This year's theme reflects our collective commitment to reimagining education, fostering collaboration, and leading with purpose. It is a call to action to embrace change, strengthen relationships, and uplift students and educators alike through innovative practice, meaningful connections, and inspiring leadership.

Over the past 16 years, the SEPLA Conference has developed into a professional development event that caters to all members of NSW school teams and attracts more delegates than ever before, having achieved over 1500 delegates at the 2024 School Teams' Day.

This Conference, as always, will provide an opportunity for professionals to network, learn and share their skills, knowledge and practice so that all delegates can return to their schools and make positive changes in the year ahead.

Who are our Delegates

- Primary, Secondary and Special School Principals, Deputy Principals, Administrators and members of school leadership teams
- Pre-School, Primary, Secondary and Special School Teachers
- Classroom Support Staff
- Support Unit Administrators
- Special Education Consultants
- School Counselors and Psychologists
- State and Federal Government Representatives
- Industry Service Providers
- Aspiring Leaders
- Specialists in Learning Support and Inclusive Education
- Learning and Wellbeing Staff supporting students with additional learning needs.

The SEPLA-CON 2025 and 2025 ASEPA National Conference program will include a School Teams' Day being held on Monday, 21 July 2025. This day allows schools to send their mainstream teachers, special education teachers, School Learning Support Officers (education assistants) and leaders at minimal cost. Tuesday, 22 July will focus on the professional learning of school leaders and administrators at all career levels in special and mainstream education.

With the Conference expected to attract more than 1,500 delegates from across Australia and New Zealand in 2025, this is an opportunity for your organisation to increase brand awareness, generate sales leads, develop new and existing client relationships as well as showcasing your services directly to your target market.
