SEPLA CON 2026

20 – 21 July 2026

Together for Tomorrow:
Embracing Diversity,
Enabling Success

ABOUT THE CONFERENCE

On behalf of the 2026 SEPLA-CON Conference Steering Committee, we are delighted to invite your organisation to participate as a Sponsor or Exhibitor at Australia's premier event for special education practitioners and leaders dedicated to supporting the education of students with disability – both across the nation and beyond.

SEPLA-CON 2026 will take place on **Monday 20 July** and **Tuesday 21 July 2026** at the International Convention Centre (ICC) Sydney. The theme for the 2026 Conference is "Together for Tomorrow: Embracing Diversity, Enabling Success."

This year's theme reflects our shared dedication to building an inclusive future by celebrating the strengths of every learner and fostering environments where all students can reach their full potential. It is a call to action to unite as educators, families, and communities in embracing diversity, removing barriers, and enabling success for all.

Over the past 20 years, the SEPLA Conference has evolved into a professional development event that supports all members of NSW school teams. It continues to attract increasing numbers of delegates, reaching more than 1,500 participants at the 2025 School Teams' Day.

The 2026 Conference will once again provide an engaging space for professionals to connect, collaborate, and share their expertise. Delegates will leave inspired, empowered, and ready to apply new ideas and approaches that make a lasting difference in their schools and communities.

The SEPLA-CON 2026 Conference program will include a School Teams' Day on Monday, 20 July 2026. This day allows schools to send their mainstream teachers, special education teachers, School Learning Support Officers (education assistants) and leaders at minimal cost. Tuesday, 21 July will focus on the professional learning of school leaders and administrators at all career levels in special and mainstream education.

With the Conference expected to attract more than 1,500 delegates from across Australia and New Zealand in 2026, this is an opportunity for your organisation to increase brand awareness, generate sales leads, develop new and existing client relationships as well as showcasing your services directly to your target market.

That way we can let our delegates know before the event of the prizes on offer, to give you that extra promotional boost. There will also be an Exhibition competitions tile on the Conference App to provide additional information for delegates, this will be listed on a first in first served basis.

All exhibitors will have the option of announcing their prize winner during the Conference on the main plenary stage.
