TRAILBLAZING TOMORROW: PEOPLE, TECHNOLOGY AND LAW ON THE NEW FRONTIER

# 2025 ALPMA SUMMIT + ALTACON

# TRAILBLAZING TOMORROW: PEOPLE, TECHNOLOGY AND LAW ON THE NEW FRONTIER

We are very excited to announce the launch of the 2025 ALPMA Summit + ALTACON which will take place from 3 to 5 September 2025 at the International Convention Centre. Sydney, NSW. Building on the success of the 2024 Summit + ALTACON, this year's conference will deliver both thoughtprovoking insights and practical strategies to help law firm leaders drive change, empower their teams and leverage technology and innovation to achieve operational and business excellence.

The ALPMA Summit is proud to incorporate ALTACON content throughout program this year. Information on the new program structure can be found on page 4.

The theme for this year's Summit is 'Trailblazing tomorrow: People, technology and law on the new frontier'. Building on the success of the 2024 Summit + ALTACON, this year's conference will deliver both thought-provoking insights and practical strategies to help law firm leaders drive change, empower their teams and leverage technology and innovation to achieve operational and business excellence.

After a year of rapid and continuous change, and excitement in particular around AI and Generative AI, law firms must continue to explore the benefits of this new digital frontier by continuing their journey of discovery.

This year's event will bring together both our thought leaders, law firm leaders and industry providers in an event that will spark curiosity, explore new possibilities and challenge the way we currently work. Again, with a focus on the intersection between **people** and **technology** this year promises to enlighten, challenge and dare legal industry professionals to consider new innovative, practical and alternate ways to deliver legal services to society.

We're genuinely exited to be hosting this event later in the vear and we invite you to join us as we trailblaze our way into the new frontier and reimagine the future of legal service delivery.

We continue on our journey for sustainability in 2025 and are returning with the simple vet elegant booth structures from last vear throughout the exhibition space to suit a range of budgets. We are excited to be working with Outstanding Displays again this year, who have a Trees for Displays Initiative and will plant one tree for EVERY exhibition booth and custom stand that they build. For partners looking to arrange a custom stand we therefore encourage vou to consider working with them on your build.

Taking on board feedback from the 2024 Summit, this year's venue allows us to provide a single exhibition space. The most popular activations are back to help drive opportunities for partners to engage and network with our delegates as well as an extended Welcome event in the exhibition space for all to attend on the Wednesday evening.

On the following pages we hope you will find something that your team gets excited about. We're keen to tell you more so we will be hosting a partner briefing on the Summit partnership options on Tuesday, 1 April. Further details can be found on page 4. Partnerships will be sold on a first come, first served basis, so please get in early and secure your preferred option.

OALPMA+ALTA **BUSINESS OF LAW** SEPTEMBER 3-5 SYDNEY LICC

www.alpmasummit.com.au

As in previous years we'd love you to help us promote the 2025 ALPMA Summit + ALTACON event as the more delegates in attendance the more business opportunities you are exposed to. Whilst we are expecting a minimum of 500+ attendees this year we would love to see this number far higher. This is of benefit to all, so please encourage vour clients, vour colleagues, your networks and industry contacts to attend.

We can't wait to see you and host you all, in Sydney, this September!

# WHO ARE OUR DELEGATES?

On average the 3-day ALPMA Summit attracts over 500 total attendees annually, with over 500 delegates attending in 2024. In 2025 we expect even higher delegate numbers to last year, particularly given the inclusion of ALTACON again this year.

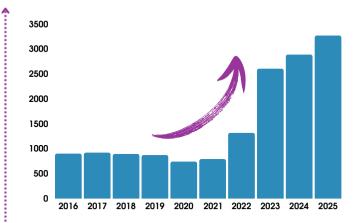

ALPMA members are senior legal decision makers with management and leadership responsibilities within law firms and legal departments in Australasia including:

- Senior law firm and legal department leaders including Practice Managers, Managing Directors, CEOs, COOs, CIOs, CFOs, and General Managers
- Specialist law firm managers and administrators including HR Directors, HR Managers, People & Culture Leads, Accountants and Finance specialists, IT specialists, Business Development and Marketing
- Managing Partners, Partners, Directors, Sole Practitioners, Solicitors, Barristers, Associates and Inhouse Corporate and Government Legal Counsel.

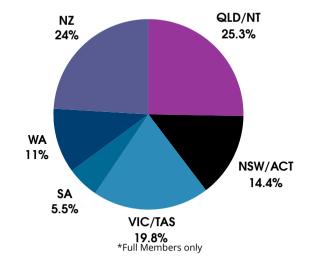

The size of firm, where our members work, ranges from sole practitioners up to large international law firms, however the majority of our members work in small to medium sized firms e.g., less than 75 total employees. Our total membership consists of around 3,400 members mainly split between Australia (80%) and New Zealand (20%). This represents around 550-600 law firms across these two countries.

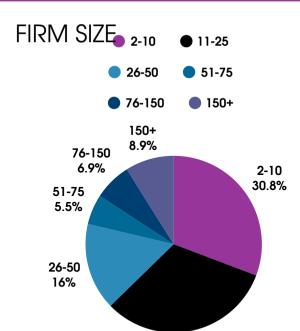

We will be promoting the event to ALTA members and advocates again this year. Advocate members for ALTA include those working within in-house technology roles, inhouse Counsel, Legal Project Managers, IT Managers, Systems and Process Managers.

- Actively Seeking to Improve (22%)
- Continuous Improvement is part of our Culture (50%)

These firms varied in size from small to large.

The location of the ALPMA Summit influences how many delegates attend in the host state compared to travelling interstate or internationally. At the 2024 ALPMA Summit, 17% of attendees lived in the host state (QLD). The remaining number of attendees travelled either interstate (54%) or internationally (29%).

# PROGRAM OVERVIEW

The Summit program will incorporate ALTACON content throughout the event this year instead of separating as we did in 2024. ALTA in conjunction with ALPMA will run a technology focused content stream within the program showcasing various technology advancements, actual law firm case studies, product demonstrations and much more

ALPMA will also run a limited number of pre-conference workshops on the Wednesday which our partners are also welcome to attend.

The Summit Program consisting of keynote presentations, workshops, concurrent streams, and panel sessions, will run across Wednesday 5, Thursday 4 and Friday 5 September 2025.

Across the program there will be opportunities to meet and network with delegates. Early morning refreshments will be available to delegates (pre-program commencement) and structured breaks for morning tea, lunch and afternoon tea will be provided.

Catering stations will be spread out within the exhibition space for delegates which will help to create traffic and engagement opportunities for partners during these times.

On Wednesday evening we will be hosting an extended Welcome to ALPMA Summit + ALTACON function. Catering and networking within the Exhibition Hall will be open to all attendees with some fun activities throughout the evening to encourage interactions between delegates and partners.

# BOOTH DISPLAYS

This year we have chosen attractive and visually pleasing structures for our booth displays. We encourage partners to take advantage of the low prices we have negotiated with Outstanding Displays to print additional booth panels. We'd love all booths to be as attractive and eye catching as possible. If you're stuck for design ideas reach out to our team and we can connect you with a designer.

Remember, this is a great opportunity for your organisation to increase brand awareness, generate sales leads, develop new and existing client relationships as well as showcase your services directly to your target market. Please make sure you stand out for the right reasons!

# NETWORKING OPPORTUNITIES

Participation in the 2025 ALPMA Summit + ALTACON will provide a range of opportunities for Partners and Exhibitors to interact with delegates throughout the event.
