### Cancellation policy

Should you be unable to attend once you have registered, you may reassign your registration to another person. Please note you must advise the Conference Secretariat via emailing [stacey@hardingconferences.co.nz](mailto:stacey@hardingconferences.co.nz). Registration cancellations will not be accepted unless made in writing. Cancellations made on or before Friday 4 July 2025 will be refunded less 30% to cover administration costs. Please note that all cancellation fees are payable irrespective of whether the invoice for registration has been paid or not at the time of cancellation. No refunds or credits will be given after Friday 4 July 2025. If, for reasons beyond the control of CETANZ 2025 conference and the conference organisers (Harding Conferences), the conference is cancelled, the registration fee will be refunded after the deduction of expenses already incurred.

### Accommodation cancellation policy

The conference has secured a block booking at Trinity Wharf Tauranga. Rooms will be allocated on a first-in basis until Friday 4 July 2025, as long as there are rooms available. After that date, all unallocated rooms will be released, and no guarantee can be made that rooms will be available. All prices are per room, per night and include goods and services tax (GST) at 15%. Booked accommodation must be guaranteed with either a credit card number or full payment. This is to protect the hotel provider from no-shows and any damages that may occur to rooms. If you cancel your accommodation after Friday 4 July 2025 or you are a "no show" you will be charged a cancellation fee levied by the accommodation provider.

### **Invoice Payments - Credit cards**

Please be advised our payment service provider Centium Software, is PCI DSS Level 1 compliant. This means, your card holder data is protected to the highest possible levels, from data entry into our online registration sites, through to payment into the banks. You will be charged a merchant fee of 3.75% for Visa and Mastercard and 4.00% for AMEX, to be added to your total, should you choose to pay your registration/accommodation via credit card.

### **Insurance**

Registration fees do not include insurance of any kind. It is strongly recommended that all delegates take out their own travel insurance and medical insurance prior to the conference. The policy should include loss of fees through cancellation of your participation in the conference itself, loss of airfares for any reason, medical expenses and repatriation should travel arrangements have to be altered. In the event of industrial disruptions or natural disasters the meeting secretariat cannot accept responsibility for any financial or other losses incurred by delegates. Nor can the secretariat take responsibility for injury or damage to property or persons occurring during the conference or associated activities.
