Explore Wellington Harbour by bus. An opportunity to experience the newly completed Tupua Horo Nuku project, which is a 4.4-kilometre seawall and shared path along Marine Drive between Ngau Matau/Point Howard and Eastbourne. The new seawall improves the resilience of Marine Drive by providing protection against storms and waves, along with coastal erosion. The project has been delivered on behalf of Hutt City Council by Te Ara Tupua Alliance. Members of the project team will join us to provide commentary on their project.

The tour will then head back towards Wellington stopping at the Honiana Te Puni Reserve in Petone, where there will be an opportunity visit part of the completed section of Honiana Te Puni Reserve near Waimarino, the new purpose-built Rowing and Waterski Clubs Building. Te Ara Tupua is a project that will improve transport resilience and create a walking and cycling link between Wellington and Lower Hutt. This project is being delivered by NZTA in partnership with iwi mana whenua, Taranaki Whānui ki te Upoko o te Ika, and Ngāti Toa Rangatira. Representatives of mana whenua and the project team will great us on site and explain the elements of the project.

The tour will then return to Tākina via the Hutt Road where views of Te Ara Tupua including the bridge at the southern end will be visible.
