

Measuring diversity on Auckland paths

Bridget Burdett

BETTER TRANSPORT • BETTER PLACES • BETTER CHOICES

The logo for the Institution of Civil Engineers (ICE) publishing, featuring the lowercase letters 'ice' in a bold, white, sans-serif font.

Institution of Civil Engineers

publishing

An abstract background consisting of numerous thin, white, parallel lines that radiate from the left side of the frame and curve slightly downwards as they extend towards the right. The lines are set against a dark blue background that transitions to a lighter blue at the top.

Burdett, B. (2015). Measuring accessible journeys: a tool to enable participation. In *Proceedings of the Institution of Civil Engineers-Municipal Engineer* (Vol. 168, No. 2, pp. 125-132). Thomas Telford Ltd.
