

# **My humps, my humps, my lovely safe speed humps-** Safer Street through Placemaking

Gemma Dioni (CCC) and David McCormick (ViaStrada)

March 2026

# Introduction

---

“My humps, my humps,  
my humps...”

# The speed hump

---

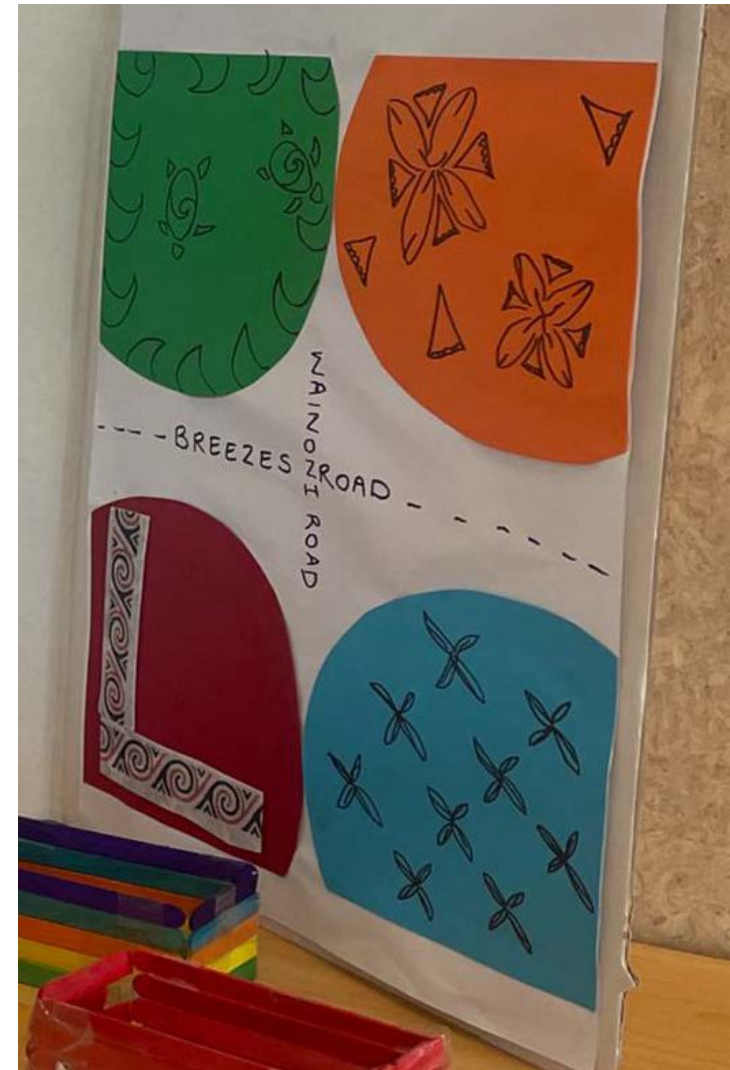

*AI generated images showing typical reactions to speed humps*

# Today's story..

The Child-Centred  
Safe System  
Placemaking model.

What happens when  
we co-design streets  
with Tamariki.

Why success must be  
measured beyond  
compliance.

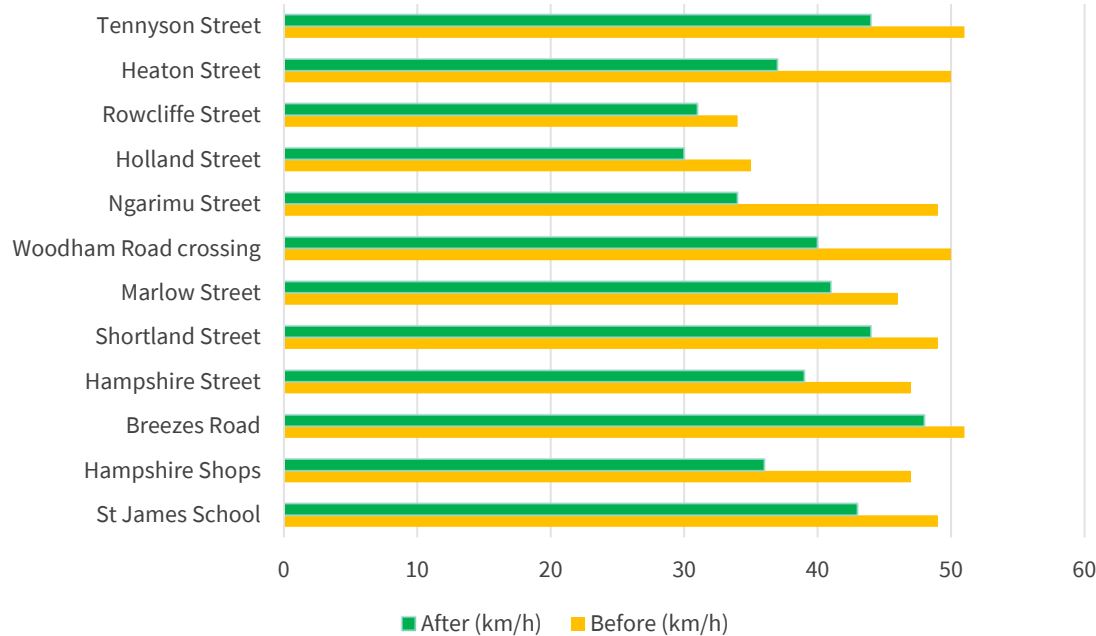

## 2. Designing with Tamariki

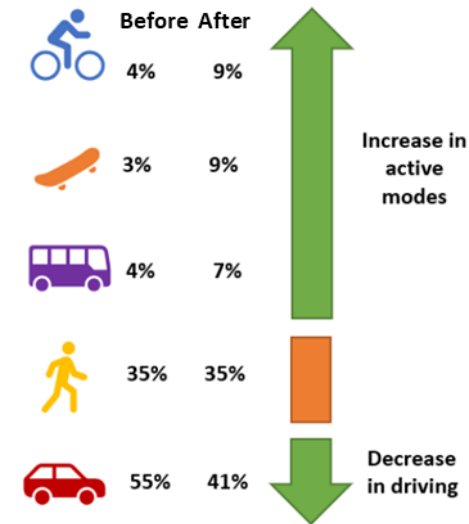

# 3. Measuring success – not just quantitative

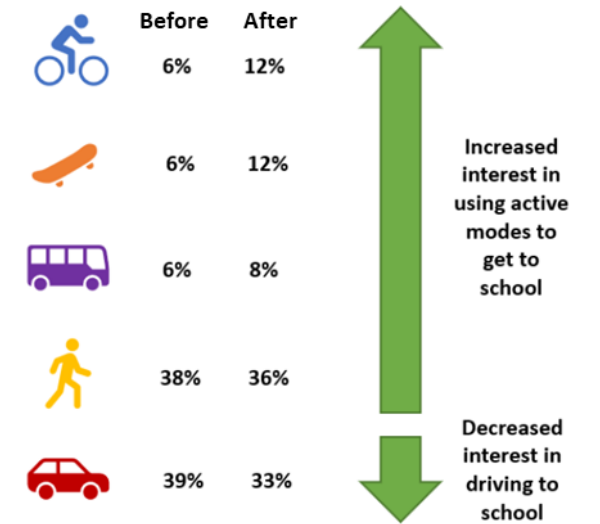

Operating speeds

How do you travel to school?

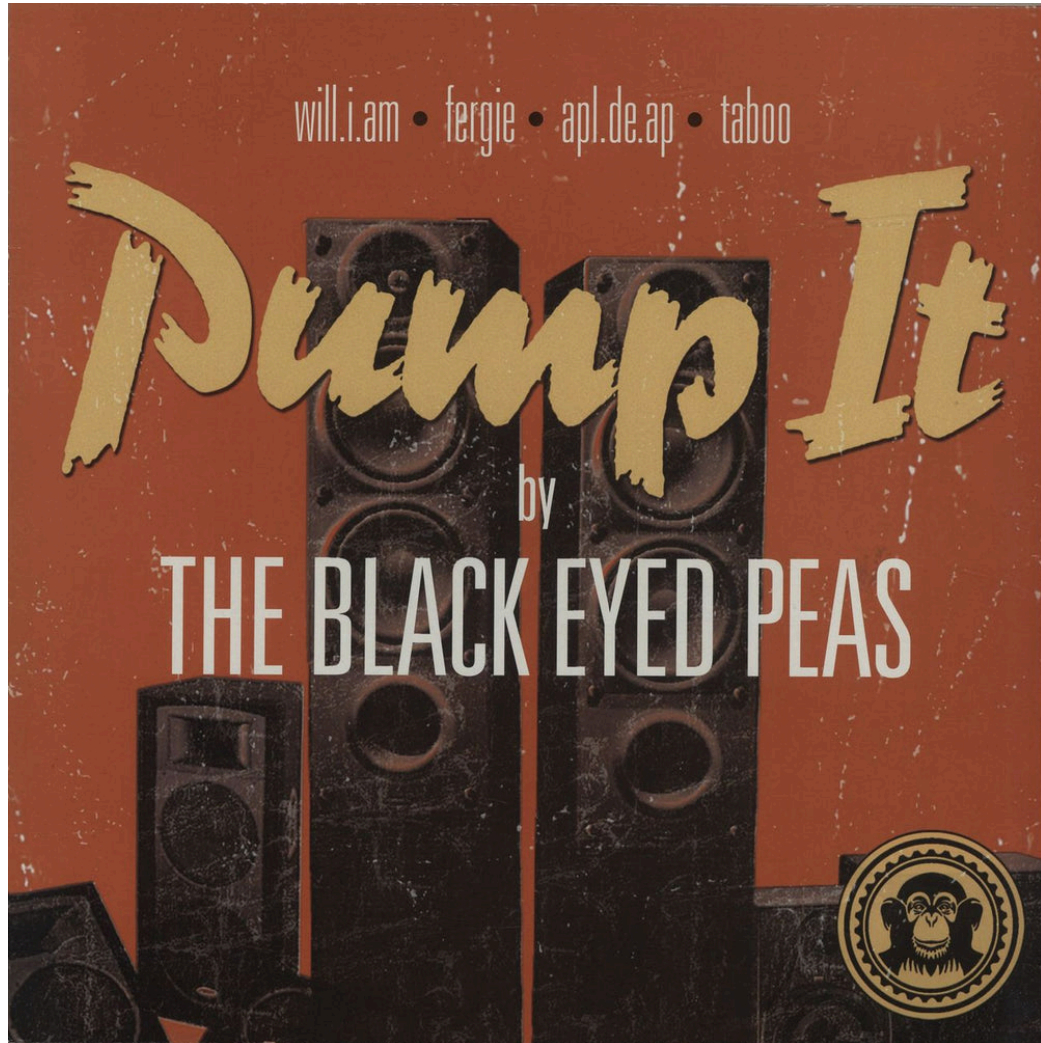

How do you want to travel to school?

# Call to action

---

Shaping the city we  
want it to become
