Trinity Wharf Tauranga

CETANZ Emerging Technician Award

The Civil Engineering Testing Association of New Zealand (CETANZ) presents the CETANZ Emerging Technician Award to acknowledge outstanding individuals in the Civil Engineering Testing Industry.

This award recognizes those who excel in technical understanding, client focus, innovation, and Health & Safety delivery and continuous improvement. The award is presented biennially at the conference.

The awards are presented at the biennial conference dinner. Each winner receives a certificate, and the gold award winner also receives a trophy.

Nomination Criteria

Nominations must be for an individual who has been in the industry for less than three years. The nominee's laboratory or workplace must have at least one employee at that office location with an active CETANZ membership. The nomination should demonstrate how the individual stands out among their peers in terms of technical knowledge, client focus, innovation, or leadership.

Judging

The judging panel will consist of up to five members from the careers and events working group. The decision of the judging panel is final.

How to Submit Your Nomination

Nominations should be 300 words or less and use the template provided.

The nomination must have the Laboratory Manager's endorsement. All nominations must be emailed in PDF format to info@cetanz.org.nz.

Important Dates

The closing date for submissions is **Friday 4th July**. Winners will be notified before the conference and will receive a free ticket to the conference dinner to accept their award.
