

Safety & success

Monday 12 November, 3:20pm – 3:30pm

Lime's APAC leadership will be discussing 'Safety & success' in smart mobility planning for cities in New Zealand.

Anthony Fleo, Lime

Anthony Fleo is Regional General Manager, APAC and has been with Lime for over 18 months and responsible for managing growth in the central US including new market expansions in Dallas, Austin, Denver, St. Louis and more. Anthony is now leading the growth and market success for the APAC region in particular New Zealand.

As Head of Operations for the region Anthony and his team work closely with cities to enhance smart mobility choices.

Mitchell Price, Lime

Mitchell Price is Director of Government Affairs, Australia & New Zealand. He is a passionate leader who is experienced in the disruptive mobility space. After spending four years as the Chief of Staff to a NSW MP, he has gained a well respected reputation within the sector. Mitchell is enthusiastic about improving cities by unlocking first and last mile solutions, as well as planning better communities.
