# World-Class Solutions to Healthcare Challenges

Peacock Bros. provides healthcare solutions to many of the highest profile medical associations and facilities in Australia and New Zealand. We deliver a complete service including pre-sales evaluation, site surveys, installation and post-sales training, service and support.

## BARCODE SCANNERS & MOBILE COMPUTING

Prevent medical errors, improve patient safety and increase caregiver productivity with hand-held scanners and mobile computers.

Disinfectant-ready, ergonomically designed and reliable in spite of everyday spills, drops and bumps, Peacock Bros. sells only the best brands and can guide you in selecting the best solutions for your needs.

## BARCODE LABEL PRINTERS & PATIENT ID SOLUTIONS

Produce long-lasting, antimicrobial coated wristbands quickly and cost-effectively with our range of wristband printers.

Peacock Bros. is also a leading supplier and Authorised Service Provider of the latest thermal barcode label printers.

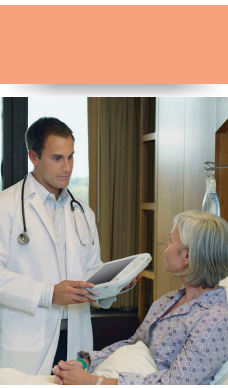

## WASHABLE KEYBOARDS & MICE

Our infection control keyboards and mice have been designed from the inside out to be:

- 100% waterproof, submersible and dishwasher safe
- Ergonomic and low profile
- Designed with antimicrobial product protection from mould, mildew and odour causing bacteria

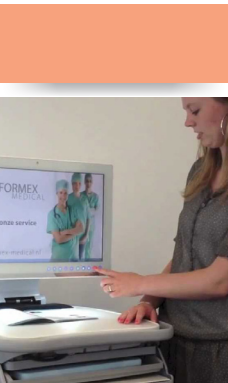

## TABLETS, NOTEBOOKS AND MEDICAL GRADE ALL-IN-ONE PCs

Easily disinfected, lightweight and rugged, Tablet PCs and Notebooks from world leading brands such as Image Technology, IEL and Zebra Technology designed for healthcare environments. Fully-sealed to ensure compliance with infection control protocols, these devices offer access to critical patient data and are purpose built to integrate with existing equipment configurations.

Talk to us today about how you can streamline the treatment process, minimise medical errors, and make patients feel safer and more comfortable than ever.

## ERGONOMIC CARTS, WALL MOUNTS & SIT/STAND DESKS

No matter how demanding the mobile computing application, or what type of computing equipment you need to mobilise, Image Technology has a powered or non-powered cart to get the job done. Easily mount LCDs, notebooks, tablet PCs, keyboards and other computer equipment. We also offer wall mount systems, installation and ongoing support.

## AUTOMATED DISINFECTION SOLUTIONS

We partner with disinfection leaders such as UV Clean to advise you on the latest products offering antimicrobial protection and disinfection for mobile devices, including laptops, tablets and phones.

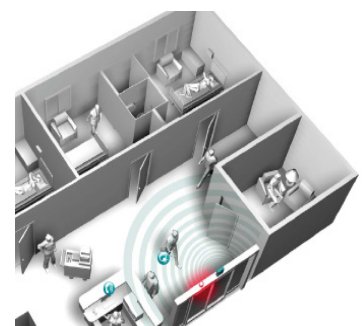

- Break the infection transmission cycle through preventive disinfection
- Continually monitor targeted surfaces
- Actively and automatically disinfect pathogens
- Take surface disinfection out of caregiver hands

## RFID AND RTLS SOLUTIONS

We partner with RTLS leaders Stanley Healthcare to provide the following solutions:

- Asset Management
- Hand Hygiene Compliance Monitoring
- Temperature and Environmental Monitoring
- Patient Flow
- Staff Workflow

## OUR SERVICE & SUPPORT IS UNMATCHED
