Matters of life and death

10–12 Sept 2025 Brisbane Convention & Exhibition Centre www.25opcc.com #25OPCC

**25OPCC will be held in Meanjin,
on the lands of the Turrbal
and Yuggera people.**

Palliative Care Australia is located in Canberra. We acknowledge the traditional custodians of the surrounding land and waters the Ngunnawal and Ngambri Peoples and pay our respects to Elders past and present. We honour and value their continuing culture and the contribution they make to the life of this city and this region.

Introduction

Join us in Brisbane, as we deepen our growing connections to the wider health and care sectors.

In 2023 over 1,400 delegates from Australia and the surrounding region came together in Sydney 'with the end in mind'. These passionate nurses, medical specialists, general practitioners, researchers, allied health professionals, policy makers, volunteers (and so many others!) can see the future we are all responsible for shaping.

Every day, these same people are experiencing the opportunities and pressures that come with our rapidly aging population and the growing burden of chronic disease.

Our 2025 conference program is inspired by that need and the real-world results that flourish when like-minded people collaborate. The theme for Brisbane is **Connecting Systems for Better Care**, which aims to extend the conversations of Sydney 2023 and the progress we have achieved together.

Aged care, primary health, oncology, dementia care, disability services, paediatrics, Aboriginal and Torres Strait Islander health – all have a growing awareness of the role they can and need to play in someone's palliative care journey.

The Oceanic Palliative Care Conference energises that momentum, and with government and policy makers in the room, influences the region's future reform agenda.

Thank you for your interest in partnering with us around this unique opportunity. Being involved in 25OPCC will place you front and centre in the most important conversations of the year and allow you to demonstrate your commitment to a stronger and interconnected palliative care sector.

You will gain exceptional access to decision makers and influencers, allowing you to revitalise existing relationships and build new connections.

I invite you to explore the packages outlined in this prospectus, or perhaps we can tailor something especially for you. Contact Gretchen Irvine, our National Partnerships and Events Manager to secure your place today, either Gretchen.irvine@palliativecare.org.au or **0407 497 303**.

We look forward to working with you at 25OPCC!

Conference overview

“

The Oceanic Palliative Care Conference (OPCC) is recognised globally as the premier palliative care conference in the southern hemisphere.

Hosted by Palliative Care Australia (PCA) since 1990, this conference is the standout event for the palliative care sector in Australia and Oceania. Industry leaders and experts recognise OPCC as the most valuable conference for relevant conversations and learnings.

Central to our ambitions for OPCC, is to advance knowledge about palliative care in Australia and the surrounding Oceanic region and build on the interconnections that exist across other parts of the health and care sectors.

“

Palliative Care Australia is the national peak body for palliative care, representing and advocating for those who work towards quality palliative care for all who need it.

Your support of 25OPCC allows us to continue supporting the palliative care sector here and in the wider region and improving the way we live and die.

“

Why you need to be involved

“

As a sponsor or exhibitor at 25OPCC, you will be with the decision makers of today and the leaders of tomorrow. Everyone present has a passion for palliative care and its interconnection with the wider health sector, whether they are clinicians, researchers, allied health practitioners, educators, carers, volunteers, or service providers.

Being part of 25OPCC allows you to:

- Connect with the sector and forge relationships with delegates, as well as reconnect with your customers
- Build awareness of your brand as a leader within the industry
- Deliver a clear message that you are committed to supporting the future of palliative care in Australia and the region
- Network with delegates from right across the sector, including industry leaders, decision makers and influencers
- Showcase your latest products and services, giving delegates first-hand experience and making personal connections.

Who will you meet?

The conference is face-to-face only. All delegates will be in the room with you, ready to build new relationships and strengthen existing ones. You will connect with a range of professions critical to the sector who are a natural fit for your products and services.
