FOOD ALLERGEN MANAGEMENT SYMPOSIUM

Collaborate, Educate, Communicate

SPONSORSHIP PROSPECTUS

PRESENTED BY

SPONSORSHIP INVITATION

The Allergen Bureau along with the University of New South Wales (UNSW) and National Measurement Institute (NMI) is pleased to invite you to sponsor or exhibit at the 6th Food Allergen Management Symposium to be held at the Novotel Sydney Olympic Park, 20-22 May 2025.

The Food Allergen Management Symposium is held biennially and attracts an international audience from the food industry and food allergy community.

The symposium is the perfect opportunity to showcase your brand as a global leader and supporter of the industry.

This year's theme of Collaborate, Communicate and Educate will see a focus on the community coming together to have productive and stimulating conversations that can then be put into practice around the world. We invite you to be a part of this process sharing your companies' insights and technologies as a sponsor or exhibitor throughout the symposium.

Multiple packages are available offering different opportunities to showcase your company to your target audience and network to make new industry connections.

Delegates will be comprised of government regulation and enforcement workers, consumer advocates, researchers and global food manufacturers in food service and packaged food production.

Speakers from past Food Allergen Management Symposiums' represent a large number of national and international institutions including:

- Allergy & Anaphylaxis Australia, Australia
- Imperial College London, United Kingdom
- TNO - Netherlands
- Universite Laval, Canada
- Food Allergy Research & Resource Program, University of Nebraska, USA

Please read through the sponsorship prospectus and do not hesitate to reach out if you have any enquiries.

Warm Regards,

The 6th Food Allergen Management Symposium Organising Committee

FAMS2025 is proudly presented by the Allergen Bureau, National Measurement Institute, and University NSW.
