

## WEDNESDAY 10 SEPTEMBER 2025

07:30	Registration opens Room: Foyer	
07:30	Trade Exhibition opens Room: Exhibition Hall	
08:30	<b>Opening ceremony</b> <b>Room: Great Hall</b>	Dr Joanne Doran, Conference MC Refiti Tovi, Welcome to Country Louise O'Neill, CEO Palliative Care QLD Dr Peter Allcroft, Board Chair Palliative Care Australia
09:15 – 10:45	<b>Plenary One</b> <b>Room: Great Hall</b>	<b>Connecting systems for better care</b>
09:15	Presentation 1 – The power of stories in uncertain times	Professor Brian Dolan, Health Service 360
09:35	Presentation 2 – Transforming systems for an ageing society	Dr Jun Sasaki, Yushoukai Medical Corporation
09:55	Presentation 3 – Connecting systems to embed palliative care in comprehensive cancer care	Professor Dorothy Keefe, Cancer Australia
10:15	Panel – What does true system connection look like?	Professor Brian Dolan Dr Jun Sasaki Professor Dorothy Keefe Em. Professor Luc Deliens
10:45	<b>Morning tea in the Exhibition Hall</b>	<b>Launch of the Centre for Research Excellence in Paediatric Palliative Care</b> Room P3/4
11:15 – 13:15	<b>Plenary Two</b> <b>Room: Great Hall</b>	<b>Primary care, aged care and palliative care systems</b>
11:15	Sponsored presentation – Palliative care in primary health	Professor Elizabeth Reymond Proudly sponsored by Caring@Home
11:30	Presentation 1 – Isolated but not alone	Associate Professor Graham Grove, SPARTA
11:50	Presentation 2 – Aged care reform and palliative care	Patricia Sparrow, COTA
12:10	Presentation 3 – The role of primary care in palliative care and aged care	Professor Michael Kidd AO, Department of Health, Disability and Ageing
12:30	Panel – Challenges, barriers and successes – where primary health, palliative care and aged care meet	Tracey Norling, Gold Coast Health Leah Robinson, Pharmaceutical Society of Australia Dr Geoff Mitchell, University of QLD Patricia Sparrow Professor Michael Kidd AO Dr John Davis, Council of Elders
13:10	<b>Lunch in the Exhibition Hall</b>	<b>13:20 – 13:50 Compassionate Communities Australia information session</b> Room: P3/4 <b>Author book signing – Professor Brian Dolan and Professor Myra Bluebond-Langner</b> Room: Exhibition Hall

CONCURRENT SESSION ONE 14:05 – 16:05						
	<b>P3/4 – Workshops 1A</b> <b>Chair: Heather McMinn</b>	<b>M4 – Oral 1B</b> <b>Models of care for diverse populations – aged care</b> <b>Chair: Melissa Crampton</b>	<b>M3 – Oral 1C</b> <b>Clinical care</b> <b>Chair: Bharathy Gunasekaran</b>	<b>M2 – Short form 1D</b> <b>Workforce development</b> <b>Chair: Leah Robinson</b>	<b>M1 – Short form 1E</b> <b>Supporting quality of life and death</b> <b>Chair: Louise O’Neill</b>	<b>Great Hall – Riverside conversations 1F</b> <b>Chair: Simon Waring</b>
14:05	1A1: Assessing against the National Palliative Care Standards as evidence for accreditation <b>Chelsea Menchin and Kate Ritchie</b>	1B1: PACOP, the Rookwood Clinical Frailty Scale and palliative care in residential aged care <b>Bronwyn Arthur and Natalie Joseph</b>	1C1: Swallowing matters – the prevalence of dysphagia in heart failure patients <b>Rebecca Capper</b>	1D1: Increasing community pharmacy involvement in palliative care services in Aotearoa New Zealand <b>Sheng-Ting Chiu</b>	1E1: Trauma informed end-of-life care for conflict affected communities: Insights and recommendations <b>Harpreet Kalsi-Smith</b>	1F1: Cultural awareness in death and dying – person centred death care for culturally diverse patients <b>Steph Moran, Dr Jessica Cross, Carolyn Dolatowski, Swami Atemshanada and Tsultrim (Carla Pearse)</b>
14:15				1D2: Transforming community palliative care; the path from novice to proficient health professionals <b>Aurora Ciminelli</b>	1E2: Carving connections: reducing stigma and enhancing care through soap art <b>Leah Clarke</b>	
14:25				1D3: Strengthening the end-of-life caring workforce and enhancing sustainable palliative care practices <b>Shannon Beresford and Helen Callanan</b>	1E3: Advancing person centred care through advance care planning: the longer-term impact <b>Dr Gertrude Phiri</b>	
14:35				1D4: Outcomes of a national project in paediatric palliative care over 10 years <b>A/Prof Anthony Herbert</b>	1E4: Understanding emotional distress and health anxiety in adolescent and young patients <b>Dr Azhani Amiruddi</b>	
14:45		1B3: Physician-led palliative care needs rounds: improving resident outcomes in aged care <b>Dr Elizabeth Gascoigne</b>	1C3: Hydromorphone induced neurotoxicity in palliative care – a case report <b>Dr Riona Pais and Olfat Zekry</b>	1D5: Palliative care bootcamp: addressing workforce retention and sustainability through intensive, simulation-based training <b>Sarah Begley</b>	1E5: Post-death sperm retrieval in palliative care: case report and implications for practice <b>Tracey Norling &amp; Maureen Tapfield</b>	1F2: Nation led palliative care practice <b>Kat Hooper, Natasha Eggmolesse, Glen Quinn</b>
14:55				1D6: Old dog, new tricks <b>Anita Cox</b>	1E6: Patient and public views on digital systems for sharing end-of-life preferences <b>Dr Jacqueline Birtwistle</b>	
15:05	1A2: Equitable palliative care: legal, economic and systemic challenges for people with disabilities	1B4: Dying (well) at home with dementia – one family’s personal story <b>Lisa Twigg</b>	1C4: IMPACCT Rapid Program <b>Dr Caitlin Sheehan</b>	1D7: Developing workforce capability in rural RACFs: The Palliative Care Link Nurse Model <b>Jason Gabriel</b>	1E7: Embracing end-of-life: from strategy to implementation for people with Motor Neurone Disease <b>Lok Man Wan</b>	

15:15	Heather McMinn, Barbara Hayes, Nadia Garcia and Frances Sanders			1D8: Improving palliative aged care workforce education: insights from PACOP education activities Laura Bryce	1E8: When and who should discuss end-of-life care with young people? Ursula Sansom-Daly	
15:25		1B5: Multidisciplinary needs rounds build greater connections and accountability in residential aged care homes Bronwyn Williams and Dr Hao Zhuo	1C5: AI-powered solutions: pain detection and management in advanced dementia in palliative stage A/Prof Jenny Jin	1D9: Development of the ASPIRE Palliative Care Foundation Training Program for Australian Pharmacists Megan Tremlett and Leah Robinson	1E9: Using clinical indicators to improve quality in a community palliative care team Dr Celia Palmer	1F3: Connecting hearts and voices for better care Debra Letica, Shannon Calvert, Harpreet Kalsi-Smith
15:35				1D10: Perfect is the enemy of good – new systems for training delivery Jane Turton	1E10: Rapid transfer home for terminal care checklist Katie Filmer and Ingrid Simpson	
15:45		1B6: Developing new models of aged care with Māori Joanna Hikaka	1C6: Palliative care day programs: how can we do better? Dr Bharathy Gunasekaran	1D11: Industry and academic co-design in postgraduate palliative care nursing education Dr Katrina Recoche	1E11: Improving recognition of deterioration and dying in residential aged care Claire Johnson	
15:55		This session proudly sponsored by the Department of Health, Disability and Aged Care		1D12: Co-designed grief support/education programs for Residential Aged Care Homes: a pilot study Dr Kaori Shimoinaba	1E12: Understanding determinants contributing to unplanned hospitalisation among specialist community palliative care patients Norah Elvidge	
			This session proudly sponsored by the Pharmaceutical Society of Australia			
16:05	Afternoon tea in the Exhibition Hall					
16:35 – 17:45	Plenary Three Room: Great Hall			First Nations aged and palliative care		
16:35 – 17:05	Presentation 1 – Dying well, a cultural imperative – the importance of culturally safe practice for Aboriginal and Torres Strait Islander people			Andrea Kelly, Department of Health, Disability and Ageing		
17:05 – 17:40	Panel – Providing palliative and aged care for First Nations people			Andrea Kelly Kat Hooper, QLD Health Dr Joanna Hikaka, Auckland University Cassara Hardie, NATSIAACC Kelly Trudgen, Cancer Australia		
17:40 – 17:45	Welcome announcement			Tania Dell’Amico White Lady Funerals		
17:45 – 19:45	Welcome reception in the Exhibition Hall			Proudly sponsored by White Lady Funerals		

## THURSDAY 11 SEPTEMBER 2025

07:30	Registration opens Room: Foyer	
07:30 – 08:30	Hammondcare breakfast Room: P3/4	Invitation only breakfast proudly sponsored by Hammondcare
07:45 – 08:30	Poster breakfast session Room: Exhibition Hall	Proudly sponsored by Cancer Australia
08:45 – 10:30	<b>Plenary Four</b> <b>Room: Great Hall</b>	<b>Navigating complexity at the end of life</b>
08:45	Welcome and recap	Dr Joanne Doran
08:50	Presentation 1 – The dance of mutual pretence: awareness and communication among children with life-limiting conditions, parents and clinicians	Professor Myra Bluebond-Langner, University College London Proudly sponsored by QUT Cancer and Palliative Care Outcomes Centre
09:20	Presentation 2 – Ian Maddocks Guest Lecture After death, after care: do we support families enough?	Priyanka Vandersman, Flinders University
09:40	Sponsored presentation: Reflections on the practice of Voluntary Assisted Dying as a palliative care physician	Dr Bill Lukin, Metro North Health Proudly sponsored by QVAD
09:55	Presentation 3 - Listening to love stories: navigating the complexities of grief before, during and after death	Chris Hall, Grief Australia
10:20	Session wrap up	Dr Joanne Doran
10:30	<b>Morning tea in the Exhibition Hall</b>	

## CONCURRENT SESSION TWO 11:00 – 12:40

	<b>P3/4 – Workshops 2A</b> <b>Chair: Vitor Rocha</b>	<b>M4 – Oral 2B</b> <b>Models of care for diverse populations – paediatric</b> <b>Chair: Daniel Dorevitch</b>	<b>M3 – Oral 2C</b> <b>Voluntary Assisted Dying</b> <b>Chair: Josh Fear</b>	<b>M2 – Short form 2D</b> <b>Education, research and policy</b> <b>Chair: Jason Mills</b>	<b>M1 – Short form 2E</b> <b>Models of care for diverse populations</b> <b>Chair: Sarah Spiller</b>	<b>Great Hall – Riverside conversations 2F</b> <b>Chair: Simon Waring</b>
11:00	2A1: Rethinking dementia – systemic implications for caring and deciding <b>Michael Chapman</b>	2B1: Utilising peer support modes for bereaved parents: connection through loss <b>Joanne Bidgood and Shannon Lakey</b>	2C1: Responding to voluntary assisted dying in a faith based palliative care unit <b>Caroline Scott</b>	2D1: Navigating care: a pilot for older Australians with life-limiting non-malignant conditions <b>Charles Broadfoot and Kate Mole</b>	2E1: What you should know! Primary carers' perspectives on rural palliative care <b>Marylouise Freeman</b>	2F1: The power of choice – what constitutes a good death? <b>Andrew Denton and Julian Kingma</b>
11:10				2D2: Quality indicators for palliative care in older people: an umbrella review <b>Amy Hutchison</b>	2E2: Breaking down sector barriers to improve palliative care for persons with disabilities <b>Karen Kessner and Heather McMinn</b>	
11:20		2B2: Developing a national data framework for paediatric palliative care <b>A/Prof Ross Drake</b>	2C2: Exploring experiences of grief and bereavement following a voluntary assisted dying death <b>Enna Stroil-Salama</b>	2D3: National harmonisation of advance care directives in Australia: what would it take? <b>Mila Obucina</b>	2E3: Eight essential elements of nurse-led supportive care in COPD <b>Linda Ora</b>	

11:30				2D4: Overcoming challenges, key considerations and recommendations for paediatric palliative care cannabis trials <b>Dr Alison Bowers and A/Prof Anthony Herbert</b>	2E4: Palliative care for people in prisons: a retrospective medical record review <b>Isabelle Schaffer</b>	
11:40		2B3: When should we discuss palliative care with young people with cancer? <b>Ursula Sansom Daly</b>	2C3: State of voluntary assisted dying: a national snapshot from Go Gentle Australia <b>Dr Linda Swan</b>	2D5: A research agenda for the health economics of palliative care in Australia <b>A/Prof Chris Schilling</b>	2E5: Dedicated specialist pharmacist service for under 65 palliative care patients <b>Lorna Chess Williams</b>	2F2: Compassionate Queensland <b>Sue Mason-Baker Barbara Denis, John Bradbury</b>
11:50	2A2: What matters most? Transforming care in end stage non-malignant disease <b>Jessica Orman, Sarah Pullen and Rebecca Capper</b>			2D6: Bereaved family members' experience of relationships, preparedness and caring: a qualitative study <b>Dr Nathan MacArthur</b>	2E6: Uneven ground: a comparison of allied health provision across Melbourne's community palliative care services <b>Luca Lucchesi</b>	
12:00		2B4: Memory-making in neonatal and paediatric bereavement care: a survey addressing parental experiences <b>Dr Taryn Luitingh</b>	2C4: National survey of chronic disease clinicians' confidence and preparedness for VAD discussions <b>A/Prof Rebecca Dissler</b>	2D7: Standardised early palliative care for patients with aggressive haematological malignancies: feasibility study <b>Dr Myles Wright</b>	2E7: Building partnerships: registrar immersion with the Aboriginal Health Unit <b>Dr Julia Corfield, Danella Webb and Wendy Brooke</b>	2F3: A history of hospice in the Sunshine State <b>Sue Manton, Beth Thomas</b>
12:10				2D8: Facilitating improvements in hospital palliative care using patient reported experience measures <b>Dr Claudia Virdun</b>	2E8: A health choice is a deadly choice: sociolinguistics of illness, dying and death in Central Australia <b>Jodie Clarkson</b>	
12:20		2B5: Bringing children to the forefront of their how healthcare for trauma-informed care <b>Macey Barrett</b>	2C5: Telehealth use in voluntary assisted dying: a systematic review <b>Dr Helen Haydon</b>	2D9: Becoming accessible: from siloes to active collaboration <b>Jen McKenzie</b>	2E9: Redesign and change management: Developing an integrated community palliative care model <b>Ashlie Taylor</b>	
12:30				2D10: Introducing social prescribing concepts into the Australian palliative care sector <b>Dr Andrea Grindrod</b>	2E10: Regional hospice in residential aged care project: addressing the gaps via telehealth <b>Dr Susan Haynes</b>	
12:40	Lunch in the Exhibition Hall			Author book signings – Professor Hsien Seow and Dr Michael Chapman Exhibition Hall		

CONCURRENT SESSION THREE 13:30 – 15:10						
	<b>P3/4 – Workshops 3A</b> <b>Chair: Sarah Begley</b>	<b>M4 – Oral 3B</b> <b>Supporting quality of life and death</b> <b>Chair: Wayne Naylor</b>	<b>M3 – Oral 3C</b> <b>Models of care for diverse populations</b> <b>Chair: Phillipa Lowery</b>	<b>M2 – Oral 3D</b> <b>Community engagement – from local to global</b> <b>Chair: Alessia Aielli</b>	<b>M1 – Short form 3E</b> <b>Voluntary assisted dying</b> <b>Chair: Josh Fear</b>	<b>Great Hall – Riverside conversations 3F</b> <b>Chair: Simon Waring</b>
13:30	3A1: Get real! Consumer co-designed communication training <b>Sara Fleming</b>	3B1: Applying evidence for safe end-of-life care for trauma survivors who are dying <b>Nikki Johnston OAM</b>	3C1: Let’s talk about death <b>Heike Fleischmann</b>	3D1: Virtual palliative care navigation: bridging service siloes to support patient choice <b>Kim Offner</b>	3E1: Exploring the impact of VAD on grief and bereavement: learning from the lived experience of families and carers in an Australian first support group setting <b>Jane Nosworth and Marianne Bowdler</b>	3F1: Innovation in palliative care outcomes – a collaborative forum <b>Sabina Clapham, Kylie Draper, Anita Hartati and Jesse Rand</b>
13:40					3E2: Voluntary assisted dying – the experience of two Sydney palliative care units <b>Dr Abigail Franklin</b>	
13:50		3B2: Dealing with uncertainty in the context of metastatic uveal cancer <b>A/Prof Tim Luckett</b>	3C2: Dying with dignity: integrating fundamental care until the very end <b>Amanda Tate and Macey Barrett</b>	3D2: Bringing one family home – how community-based palliative care made a difference <b>Bonita Ralph</b>	3E3: How is Australia’s VAD system operating? <b>Professor Ben White</b>	
14:00					3E4: Navigating evolving challenges of voluntary assisted dying in a palliative care unit <b>Holly Pitt and Kate Bray</b>	
14:10		3B3: Would the EQ-HWB be a useful quality of life measure in palliative care? <b>A/Prof Chris Schilling</b>	3C3: Elder clowning for persons with dementia in long-term care: a systematic review <b>Sara-Jane Roberts</b>	3D3: Access to palliative medicines and pharmacists – a Churchill Fellow’s perspective <b>Helen Stone</b>	3E5: Concurrent access to palliative care and voluntary assisted dying services <b>Enna Stroil Salama</b>	
14:20	3A2: Tackling depression when time is short – A practical approach for clinicians <b>Dr Wei Lee</b>	3B4: Supporting end-of-life carer wellbeing: innovative care model in a regional Victorian hospice <b>Lucinda Fraser</b>	3C4: Palliative care need in adult mental health inpatients <b>Dr Alannah Cooper</b>	3D4: Building bridges of care: an end-of-life expo connecting hospitals and communities <b>Maxine Zhong</b>	3E6: Increasing end-of-life knowledge amongst general practitioners – a pilot intervention <b>Liz Reymond</b>	3F2: ‘I’m not dead yet! Help me do what’s important’ <b>A/Prof Deidre Morgan, Prof Brian Dolan, Luca Lucchesi and Dr Nisha Nadarajan</b>
14:30					3E7: Diverse racial, ethnic and cultural perspectives of assisted dying: a scoping review <b>Dr Jayne Hewitt</b>	
14:40		3B5: Shifting aged care culture from caring ‘for’ residents to caring ‘about’ residents <b>Prof Samar Aoun</b>	3C5: Upholding the human rights of people with intellectual disability in palliative care	3D5: Digital health intervention for advanced illness in refugee settlements: feasibility and acceptability <b>A/Prof Matthew Allsop</b>	3E8: ‘I cannot leave the self-administration voluntary assisted dying substance’ – pharmacists’ experience <b>Cat Li</b>	
14:50					3E9: Enhancing regulation of voluntary assisted dying: lessons from a Canadian case study <b>Dr Eliana Close</b>	

15:00			<b>Pamela Darling and Catalina Voroneanu</b>		3E10: 'I'm ok, Dad's care is more important.' Caring for caregivers and VAD <b>Kristine Louis and Dr Denise Cummins</b>	
15:10	<b>Afternoon tea in the Exhibition Hall</b>					
	<b>Plenary Five</b> <b>Room: Great Hall</b>			<b>In the neighbourhood – palliative care in Oceania</b>		
15:40	Presentation 1 – Solomon Islands community of practice			Kate Reed, Canberra Health Services Evelyn Anisi, Ministry of Health and Medical Services, Solomon Islands Chris Roraimae, National Referral Hospital, Solomon Islands		
16:05	Presentation 2 – In the neighbourhood – the work of APHN			Associate Professor Ghauri Aggarwal, APHN		
16:30	Panel – Being a good neighbour – supporting palliative care in the Oceanic region			Kate Reed Evelyn Anisi Associate Professor Ghauri Aggarwal Wayne Naylor, Hospice NZ Dr Dipti Mittal, APHN		
17:30	Session close			Dr Joanne Doran		
18:30	<b>National Palliative Care Awards Gala Dinner</b> <b>Plaza Ballroom</b>			<b>Proudly sponsored by Silverchain</b>		

## FRIDAY 12 SEPTEMBER 2025

08:00	Registration opens Room: Foyer	
08:00	Trade Exhibition opens Room: Exhibition Hall	
08:45 – 10:15	<b>Plenary Six</b> <b>Room: Great Hall</b>	<b>Technology, AI and all things digital</b>
08:45	Welcome and recap	Dr Joanne Doran
08:55	<b>Technology showcase</b> CareMonitor Clinician App Smart Glasses HELP App	Deepak Biswal, CareMonitor Tamra Bridges, Silverchain Dr Andrea Grindrod, La Trobe University
09:10	Presentation 1 – Technology, AI and all things digital – supporting palliative care in Australia	Deepak Biswal, CareMonitor
09:35	Panel – The role of technology in delivering better care – what the future holds	Deepak Biswal Helen Haydon Dr Anthony Summers Karen Smith, Silverchain
10:10	Session wrap up	Dr Joanne Doran
10:15	<b>Morning tea in the Exhibition Hall</b>	

## CONCURRENT SESSION FOUR 10:45 – 12:25

	<b>P3/4 – Workshops 4A</b> <b>Chair: Shyla Mills</b>	<b>M4 – Oral 4B</b> <b>Models of care for diverse populations – First Nations</b> <b>Chair: Camilla Rowland</b>	<b>M3 – Oral 4C</b> <b>Workforce development</b> <b>Chair: Karen Gower</b>	<b>M2 – Oral 4D</b> <b>Education, research and policy</b> <b>Chair: Kate Ritchie</b>	<b>M1 – Short form 4E</b> <b>Clinical care</b> <b>Chair: Chelsea Menchin</b>	<b>Great Hall – Riverside conversations F</b> <b>Chair: Simon Waring</b>
10:45	4A1: A hypothetical: VAD, the disruptor of palliative and end-of-life systems <b>Liz Reymond, Cathy Ray, Kath Brown, Louise De Gabriele, Dr Dan Curley and Dr Megan Ashcroft</b>	4B1: Co-production towards a culturally informed palliative care service <b>Dr Sheree Cross</b>	4C1: Kidney supportive care model re-design in a tertiary healthcare service <b>Sarah Margary</b>	4D1: Developing a PREMS tool for community palliative care in Western Australia <b>Steph Barrett, Donaiya Wa Azaro and Zoe Polgase</b>	4E1: Final journeys with ventricular assist devices: retrospective analysis in a transplant centre <b>Dr Jessica Ong</b>	4F1: The palliative aged care program intersection – supporting aged care organisations to meet the new strengthened Aged Care Standards <b>Claire Johnson, Distinguished Prof Patsy Yates, Prof Jennifer Tieman, Sabina Clapham, Charlotte Coulson, Annie Dullow</b>
10:55					4E2: Independence, dignity and safety in palliative medication management with a connected device <b>Emma Balzas</b>	
11:05					4E3: Utilising SPCIT to improve recognition of palliative care needs in general medicine <b>Dr Navera Ahmed</b>	

11:15	4A2: Where do your priorities lie? Developing allied health discipline specific triage tools <b>Sally Connell</b>				4E4: National core palliative care medicine list supports quality community-based palliative care <b>Paul Tait</b>	4F2: Rural and remote palliative care – a solutions focussed conversation  <b>Dr Susan Haynes, Dr Peter Allcroft, Jo Risk, Steph Barrett</b>
11:25		4B3: Establishing a palliative navigational model for Aboriginal people in regional South Australia <b>Kate Swetenham</b>	4C3: Enhancing palliative care access: a national tele-mentoring program for health professionals <b>Dr Helen Haydon</b>	4D3: Identifying barriers to pAlliative Care aCcess: A mixed methodS Study (ACCESS) <b>Dipna Martin-Robins</b>	4E5: Seizures and anti-epileptic drugs (AEDs) – the frequency, the interactions and the challenges <b>Dr Abigail Franklin</b>	
11:35					4E6: Evaluation of caregivers’ challenges with subcutaneous medication administration against the available technology <b>Chen Yanjun</b>	
11:45		4B4: Establishing a new First Nations health role in specialist palliative care <b>Katherine Richards and Jo Chapman</b>	4C4: Implementing a proactive, responsive and structured approach to dementia-specific palliative needs assessment <b>Jon San Martin and Prof Josephine Clayton</b>	4D4: Improving palliative care in residential aged care using telehealth: process evaluation findings <b>Kayla Lock</b>	4E7: Advance care planning in paediatric and adult medicine – comparing apples with oranges? <b>Dr Sid Vermuri</b>	
11:55					4E8: Phenobarbital use in patients receiving end-of-life care at a quaternary cancer centre <b>Dr Sarah Bishop-Browne</b>	
12:05		4B5: Kam Biman Paediatric Project <b>Brooke Kaden</b>	4C5: Exploring palliative care skills in rural allied health: a learning needs analysis <b>Laurelle Stalker and Emily Mitchell</b>	4D5: Evaluating impact: development of an assessment framework for online palliative care information <b>Prof Jennifer Tieman</b>	4E9: Allied health interventions demonstrate improved patient experiences in chronic disease in palliative care <b>Rachelle O’Neill, Lisa Turner</b>	
12:15					4E10: Living optimally with end-stage chronic lung disease <b>Celine Yong</b>	
12:25	Lunch in the Exhibition Hall			PCNA AGM Room: P3/4		
CONCURRENT SESSION FIVE 13:30 – 15:10						
	P3/4 – Workshops 5A Chair: John Rosenberg	M4 – Oral 5B Community engagement – from global to local Chair: Mariana Ricci	M3 – Short form 5C Models of care for diverse populations Chair: Nikki Johnston	M2 – Oral 5D Quality of life and death Chair: Rachel Coghlan	M1 – Short form 5E Models of care for diverse populations - paediatric Chair: Alyson Gundry	Great Hall – Riverside conversations 5F Chair: Kirsty Blades
13:30	5A1: Spiritual care: exploring five domains od connectedness for quality of life	5B1: Framework development for consumer leadership in palliative care, a Delphi study	5C1: Psychiatry and palliative care: integration and collaboration Dr Shalini Rajan	5D1: Bridging the gap: EOL conversations with families in aged care Priyanka Vandersman	5E1: Mentoring and supporting wellbeing in trainee specialist paediatric palliative care staff Dr Penny Slater	5F1: Connecting digital systems for advance care planning information

13:40	Rachael Wass	Zijian Wang	5C2: Culturally sensitive advance care planning for Indians in Australia: a systematic review Dr Sujatha Shanmugasundaram		5E2: Creatively engaging children in a paediatric palliative care support program evaluation Dr Claire Treadgold	Dr Greg Parker, Dr Terry Nash, Paul Creech and Catherine Joyce
13:50		5B2: Experiences of volunteers accompanying dying residents in RAC: a pilot in Perth Dr Gertrude Phiri	5C3: Timely identification of unmet palliative needs: implementing the HOMR tool Dr James Downar	5D2: Meaningful moments in uncertainty: music therapy’s role in life and death Angela Delaney and Tracie Wicks	5E3: IMPACCT Rapid Paediatric Program – telehealth in paediatric palliative care Dr Ross Drake	
14:00			5C4: Integrating music therapy into an acute care hospital consultancy palliative care service Dr Lucy Forrest		5E4: Bridging the gap: co-designing paediatric palliative care resources for CALD families Alessia Aielli	
14:10		5B3: Harnessing community engagement and support to establish a regional QLD hospice Dr Vicki Richmond	5C5: Family members of people in prison with palliative care needs A/Prof Michelle DiGiacomo	5D3: Reducing unavoidable harm in the system through responding to carer concerns Simon Waring	5E5: What matters most – the priorities of families impacted by childhood dementia Gail Hilton	
14:20	5A2: Operationalising early palliative care: a Waiting Room Revolution workshop for healthcare professionals Prof Hsien Seow	5C6: The cost of informal cancer caregiving: pilot of a co-designed assessment tool Dr Cara Platts	5E6: Evaluation of a structured education program in perinatal palliative care A/Prof Anthony Herbert		5F2: The World’s Largest Project Echo Session Dr Peter Allcroft and Dr Helen Haydon	
14:30	5B4: How PEPA Victoria supports paramedics providing palliative care in rural Victoria Kerrie Cunningham and Norieul Kinross	5C7: Korowai Care – providing intensive support at home for short periods Dr Celia Palmer	5D4: Snapshots of grief: creative presentation exposing common misconceptions of the grieving process Gemma Bishop and Chris Oosthuizen	5E7: Strengthening paediatric cancer and palliative care capacity in Papua New Guinea Donna Drew		
14:40		5C8: Lilian’s story of domestic violence and trauma and implications for palliative care Joan Ryan		5E8: It takes a village Dr Abigail Franklin and Simon Little		
14:50	5B5: Palliative Care Connect – developing a marketing campaign to educate the community Kate Swetenham	5C9: Sexual orientation and gender identity assessment by palliative care providers: a systematic review Dr Ashwin Kaniah	5D5: Making moments matter: strengthening cross-sector partnerships to improve QOL and bereavement experiences Claire Treadgold	5E9: Honouring legacy: enhancing end-of-life care for adolescents and young adults Kerry Gordon		
15:00		5C10: Palliative care utilisation in advanced chronic liver disease: an Australian perspective Dr Scott Reeves		5E10: Communities of care: implementing a community development framework in a children’s hospice Cara Doherty		
15:10	Break in the mezzanine foyer					

<b>15:30 – 17:00</b>	<b>Plenary Seven Room: Great Hall</b>	<b>Delivering better care</b>
15:30	Sponsored presentation – Looking back, looking forward: 20 years of tracking palliative care outcomes in Australia	Distinguished Professor Patsy Yates Proudly sponsored by PCOC
15:45	Presentation 1 – The Value of Death Lancet Commission	Professor Libby Sallnow
16:10	Panel – Managing complexity at the end of life	Dr Peter Allcroft Tamra Bridges, Silverchain Professor Katy Clark, PCOC Professor Jane Currie, QLD University Dr John Davis, Council of Elders Merryn Gray, PCSWA
16:45	Closing ceremony	Dr Joanne Doran A/Professor Ghauri Aggarwal, Chair, APHN Susan Emerson, Chair, PCSA Camilla Rowland, CEO, PCA
17:00	Conference close
