Rental

Meet your needs - a vast array of equipment to hire to meet your short or long term needs.

Wide range - from crutches and knee scooters through to large items like lift chairs, scooters and electric beds.

All situations - ideal for rehabilitating from an injury or surgery or if you've visitors coming to stay.

Here to help - in store expertise to assist with the selection of the best equipment to meet your needs.

Servicing

Looking after your investment - just like with a car, to continue getting the best out of your equipment investment it pays to have it serviced regularly to keep it safe and reliable.

Expertise – our service technicians have the skills, knowledge and specialist tools to service and repair your equipment.

Manufacturer approved – where necessary the technicians work closely with support teams of the equipment manufacturers in NZ or overseas.

We come to you – our technicians have fully equipped vans that come to you to work on the equipment.
