PENANG

Penang played an important role for merchants and pirates in the distant past. Partly because of the earlier mentioned diversity of inhabitants Penang is famous for its beautiful cultural diversity. With most of the inhabitants being Chinese the island has a very Chinese 'feel' to it. This gives the island something 'typical Asian', which cannot be seen as clearly anywhere else in Malaysia. Penang is a great destination, worthy of a visit. Not so much because of the beautiful beaches, but because of the great melting pot of cultures. It is one of the most popular tourist destinations within Malaysia. For years the island is referred to as 'The Pearl of the Orient'. Georgetown is the vibrant capital of Penang. The island is a good location for a holiday at the beach, or for example as part of a holiday package.

ENTOPIA & BATIK EXPERIENCE

➤ Imagine nature's largest classroom and discovery hub, where butterflies and insects are free to come out and play. Within Entopia lies two worlds: The Natureland living outdoor gardens and The Cocoon indoor discovery centre. Over 150 species of fauna and more than 200 species of flora are being showcased throughout Entopia's entire exhibition. After visit to Entopia, proceed for a creative and enjoyable Batik Painting activity that allows participants to have a hands-on session where they can try the batik painting themselves, guided by skilled artisans.

ACTIVITY HIGHLIGHTS

➤ **The Natureland:** The Natureland, which is a living garden vivarium, is a shared ecological space for a variety of animals from invertebrates and reptiles living in their re-created natural habitat. It is one of the largest butterfly gardens in Malaysia with approximately 15,000 free-flying butterflies at any one time consisting of up to 60 species. The living garden features more than 200 species of plants with waterfalls, ponds, caves and other artistic garden features.

➤ **The Cocoon:** The Cocoon features two floors of learning exhibition and indoor activities. This indoor discovery centre is designed to let visitors self-explore the world of invertebrates through various interactive educational stations. Besides the walk-through experience, visitors will also be guided to participate in fun hands-on learning activities.

➤ **Educational Exhibits:** Learn about the various species of butterflies and insects through interactive displays and informative sessions that teach the importance of preserving our natural world. Explore with us as we discover the interesting lives of our amazing animal friends and catch glimpses of our Bug Exploration superstars

➤ **Batik Art Experience:** Batik, a traditional art form using wax and dye, has been an essential part of Penang's cultural heritage for centuries. Immerse yourself in the vibrant world of Batik Art with hands-on workshops where you'll learn the intricate process of painting your own fabric.

➤ **Local Designs & Techniques:** Learn about traditional Malaysian Batik styles and patterns. From floral motifs to geometric designs, discover how Batik can be both a functional art and a creative expression
