

WALES

HEAVY VEHICLE REPAIRS

**HEAVY IS
OUR DUTY**

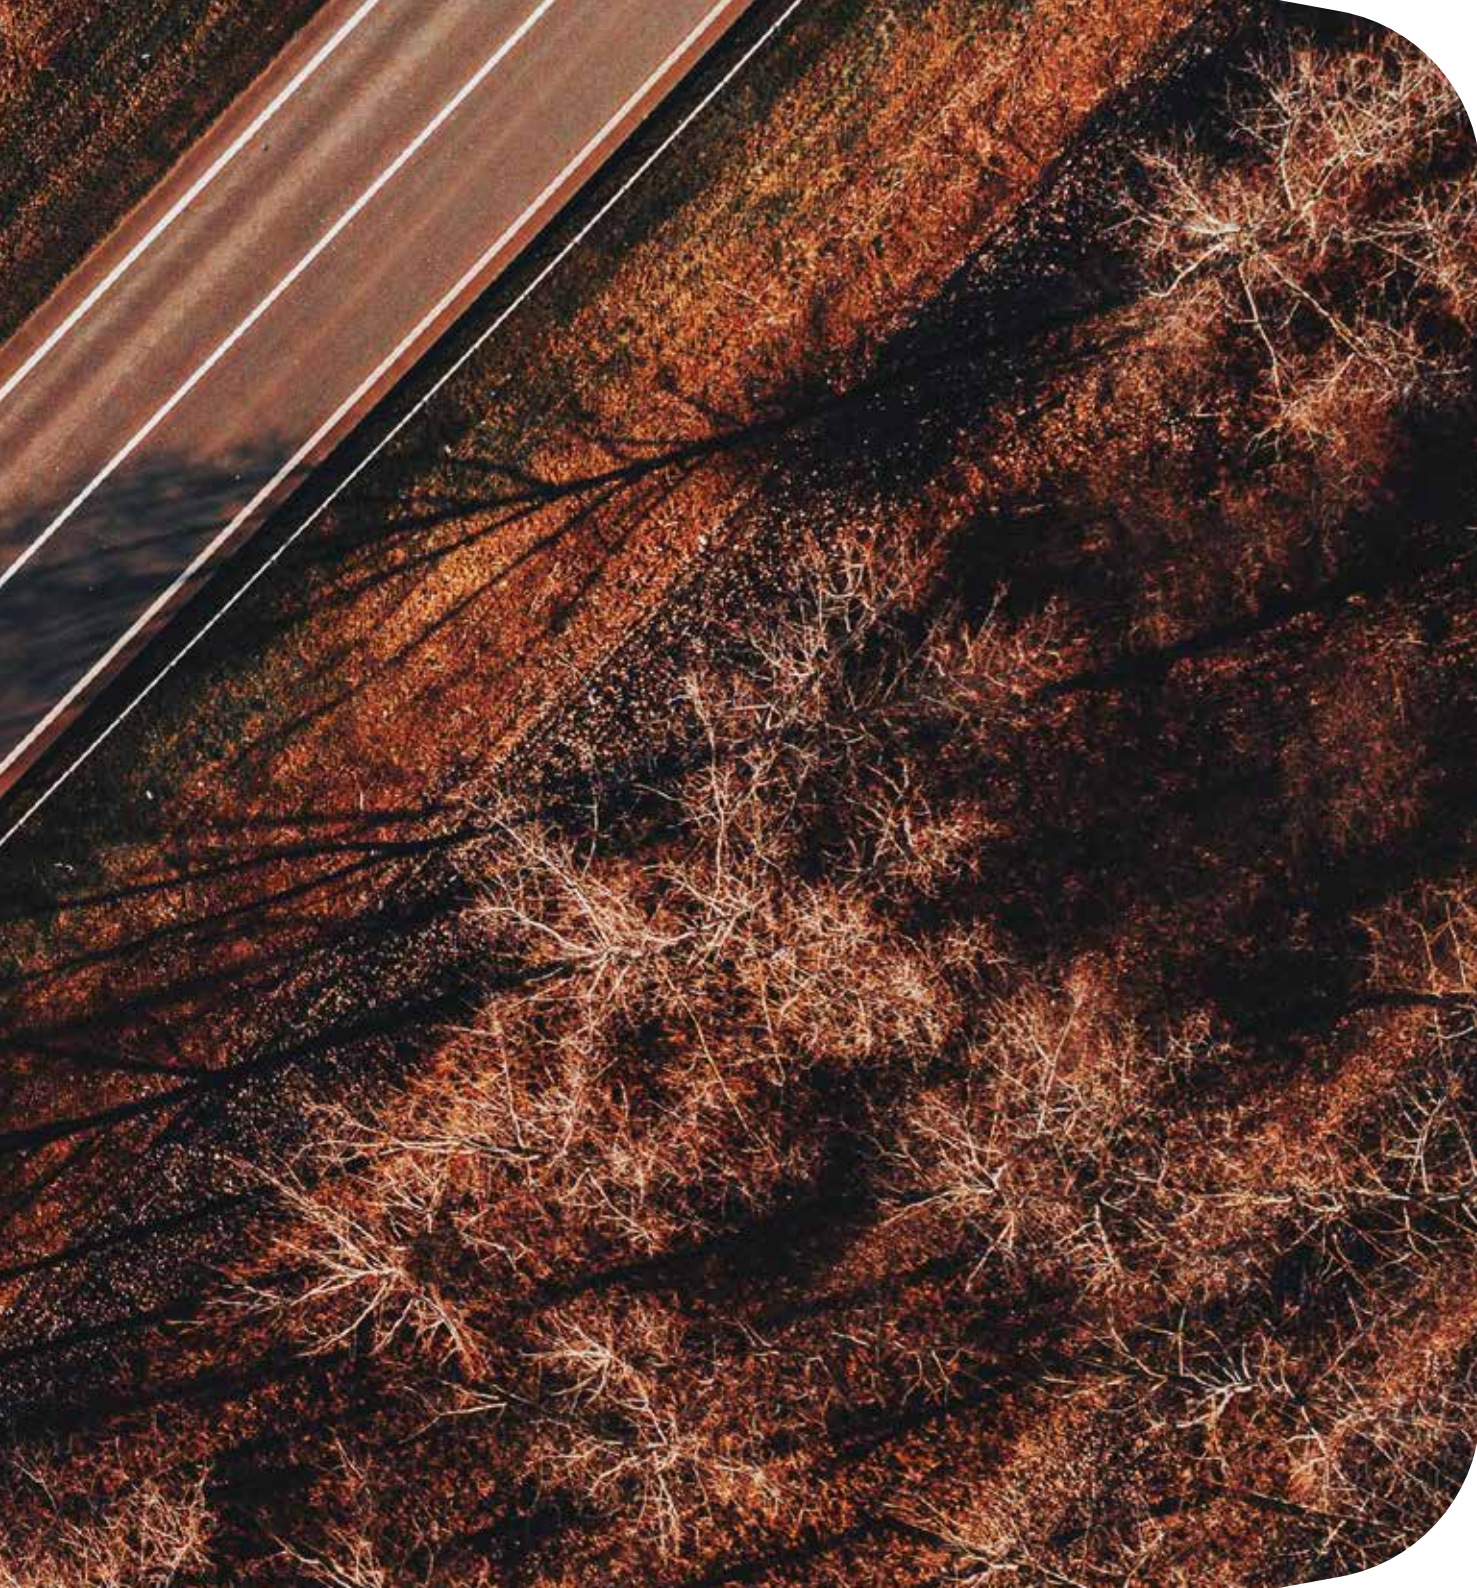

ON TO BIGGER THINGS

When the worst happens and your heavy vehicle is off the road, the consequences can be huge. You stop, but so does everyone else who's relying on you to get the job done.

At Wales, we're in the business of getting you back on the road, so you can get on to bigger things.

We're leaders in heavy vehicle repair. Our optimised ordering and supply chain partnerships, efficient repair processes, and expertise to customise on site, all ensure your repair is completed quickly. Our skilled team, state-of-the-art equipment and workshops, and quality systems ensure your heavy vehicle is restored to its former glory. We never settle for less and you shouldn't either.

HEAVY VEHICLE KNOW-HOW

With skilled repair teams, genuine industry experience and access to a global parts supply network, we have what it takes to get your vehicle back to business.

CERTIFIED REPAIRS

We take extensive measures to ensure all our repairs are completed to the very highest standards and meet all relevant industry safety regulations and original equipment manufacturer (OEM) methods.

DEPENDABILITY

We keep you informed through every stage of the repair process. Our aim is to find a repair solution that fits your business, ensuring maximum uptime, increased productivity, and decreased disruptions in your daily operations.

NATIONWIDE NETWORK

With company-owned branches across Australia, you're never far from help.

TECHNICAL EXPERTISE

Our technicians are trained to the highest standards of excellence and technical ability to guarantee you the best repairs and service within the shortest timeframe.

WALES

**HEAVY IS
OUR DUTY**

Trucks, trailers, earthmoving machinery, excavators, wheel loaders, graders, water trucks, buses, and vans – we repair it all. Anything heavy is our duty, and getting you back to business is our priority.

Our specialist expertise has grown during our 40 years in the industry, and that adds up to 100% confidence for you that we'll get your repair done right.

We offer a broad range of repair services, and our workshops are fitted to suit, with state-of-the-art tooling, machinery and equipment. Safe and durable repairs are what we deliver.

Our purpose is to support customers to move on to bigger things.

WALES

CAPABILITY

We know heavy vehicles from head to taillight, and can successfully undertake a wide scope of repairs on a broad range of heavy vehicles. Our technicians use the latest approved manufacturer repair methods and certified parts as they restore your vehicle.

We will get you back to business sooner, and our quality will keep you on the road longer.

Our capabilities include:

- Major and minor commercial vehicle repairs
- Panel beating
- Spray painting
- Manufacturing truck bodies and trailers
- Refrigeration units
- Mechanical repairs and servicing
- Auto electrics
- Chassis straightening and modification
- Wheel alignment
- Tyre management
- Sand blasting and steam cleaning
- Fibre glassing
- Detailing and polishing
- Signwriting
- Road worthiness testing and issuance of certificates (RWCs)
- Fleet servicing
- Fleet refurbishments.

RELIABILITY

We not only restore your heavy vehicle to the highest standards, we restore your confidence in its ability to get your job done.

Our technicians are qualified and experienced in managing every stage of the repair, including choosing the right repair method. They receive continual technical training in everything from the workshop tools to the operating software.

You can rely on us to get it repaired right.

Our repair services cover:

- Advanced Driver Assistance Systems (ADAS)
- Camera and radar system calibration
- Diagnosis, resetting and laser alignment systems
- Chassis and suspension re-alignment
- Computer-controlled colour matching techniques

STABILITY

Having provided 40 years of continual service to the heavy vehicle repairs industry, we've proven our longevity. Now, as we look forward to the next 40 years and beyond, know you can continue to rely on us as your trusted repairer well into the future.

Wherever you are, and whatever happens, we'll have you back to business sooner.

We're proudly an authorised repairer for leading heavy vehicle insurers:

DURABILITY

Heavy vehicles are designed for more. More miles, more weight, my hours. When accidents happen, you need your vehicle to be restored to that same level of durability.

We provide reliable, quality workmanship to repair and maintain your vehicle, giving you the confidence that you need to get back on the road quickly and ensure your vehicle running as smoothly as possible. Whether it's a small job or major overhaul, you can trust that our team of skilled technicians and repair methods ensure repairs hold up to the same technical specifications as new.

Our repairs are backed by lifetime guarantee on workmanship, so you can move on to bigger things.

WALES

Got a heavy vehicle in need of repair?

Trust in us. We'll get you back to business and on to bigger things.
