

ABOUT US

QTK Group is a major dealer for the well-renowned international brand of Thermo King, supplying refrigeration units for truck, trailer and intermodal transport, plus air-conditioning units for bus and coach. We are also the QLD supplier for tailgate loading equipment from the Italian brand Anteo.

QTK Group hold the national contract for Thermo King Bus Australia for sales, supply and installation, while offering service and repairs of all Thermo King air-conditioning units. A service technician and installation team are located across three interstate branches along with our head office (*pictured above*) located in Brisbane.

From our head office, QTK Group are responsible for the day-to-day operations consisting of:

- Sales and Customer Relations
- Installation of New Units
- Servicing and Repairs
- Spare Parts and Warranty
- Product and Technical Support
- Administration and Finance
