Selling to...

Sporting Clubs

Our range can become the perfect health option in a successful canteen or even as meal options for top tier sports people.

Hospitals

A perfect addition to hospitals healthy food offering for food courts or coffee stations. Often staff are the best customers.

Tuckshops

We have had great success offering our range to tuckshops and canteens in schools & colleges providing staff and students alike a fantastic healthy option.

Home Care

Our latest step is in the Home Care space offering our range to disability service providers and directly to home care clients. They make a perfect addition to assist clients in expanding into easily accessible healthy food options.
