

YMCA SCHOOLS' BREAKFAST PROGRAM

Impact

With a Difference.

Help us extend our Impact and become a Sponsor of the YMCA Schools' Breakfast Program.

Our mission is to reduce the number of school students disadvantaged by hunger and poor nutrition.

Since 2006, Our YMCA Schools' Breakfast Program provides an average of 70,000 healthy breakfast meals each month across 155+ schools in South East Queensland,

The program provides food, equipment and support to schools free of charge, so that schools are able to provide free breakfast to all children.

We have recently hit a milestone of providing **7 Million Breakfasts** across Queensland to school kids. With your help, we can continue to provide a nutritious start to the day for kids who might otherwise not have one, and extend our reach even further.

OUR WHY

3 Students in Every Classroom...

will arrive to school hungry without having eaten breakfast.

Without Breakfast

an average student loses more than 2 hours a day of productive learning time.

4 out of 5 Teachers

recognise the negative impact of students coming to school hungry.

The "Adopt-A-School" Program creates an avenue to Sponsor a school that our Breakfast Program currently supports OR a school of your choice. Our aim is to ensure the sustainability of the Program's reach whilst bringing a sense of community along with your companies values to your staff, management, suppliers and customers alike.

Sponsorship costs vary depending on the school size, and your preferences. For impact figures, sponsoring \$3000 annually provides a year total of approximately 4,300 breakfasts, to 38 children, 3 times a week. Sponsorship is tax-deductable and businesses can also offer staff the option to donate and receive a tax deduction receipt.
