

Top reasons to love working at Animates Vetcare!

We've got your back!

Our support team is 100% clinical, everyone from the General Manager to Ezyvet support are vets and vet nurses, ready to swoop in and help with a tricky case or client conundrum. **Need equipment fixed asap? We understand the urgency!**

Professional development

From in-house CPD events to hitting up Australia's biggest vet conference for a blast of inspiration, as well as generous CPD budgets for vets and vet nurses wanting to turbocharge their professional growth.

Happy teams, happy days

Our teams love working together, and we keep it that way by valuing your feedback. We make changes based on what you tell us — because your happiness matters!

Wellbeing is our priority

We provide free professional counselling sessions via our Employee Assistance Programme, as well as discounted health insurance and dedicated wellbeing budgets for things such as gym memberships, physio sessions or pottery classes!

Hive mind!

Whether you're in a bustling multi-vet clinic or flying solo, support is just a Whatsapp away. Our vets share cases and diagnostics in our lively group chat, offering a collective voice for quick help and reassurance.

Why join us?

Passion for giving back

We've donated over **\$300,000** to local animal charities and partnered with HUHA during events like Cyclone Gabrielle. Enjoy Charity Scholarships and "Paws for Good" leave days to support causes you care about.

Support from day one

Sick days start from day one! No waiting around — take care of yourself and your loved ones without stress. Because life's unpredictable, but your support shouldn't be!

Pet pampering perks

Get awesome discounts at Animates retail stores and grooming salons. You can rest easy knowing you have significant savings to lean on when they need care in our clinics too.

Support for parents

At Animates Vetcare, we've got your back when it comes to family. Welcoming a new addition? Enjoy paid parental leave, a boost in holiday pay and an extra week of carers leave when you return.
