Handpiece
and Accessories

SCO400 - Stryker® Cordless Driver 4 Handpiece

- Ergonomically designed
- Increased in torque & comfort compared to earlier Cordless Driver models
- Fully autoclavable in standard steam autoclaves
- Compatible with all Stryker® Cordless Driver attachments
- 4.0mm cannulation means that pins and wires can be fully inserted into the handpiece
- Oscillation function allows driving of pins and wires without tissue wind-up
- Use with Knight Benedikt's aseptic battery kit (SCO950)
- Comes with 2 year warranty

SCO800 - Battery Charger for SCO900

- Single bay charger designed for Australia/NZ
- Comes with 2 year warranty
- Charges Knight Benedikt SCO900 batteries for use with the Stryker® Cordless Driver 4

SCO900 - Non-Sterile NiMH Battery

- Brand new - comes with 2 year warranty
- Non-autoclavable - must be used with Knight Benedikt's aseptic housing (SCO910)
- Not compatible with Stryker® chargers or Stryker® housing
- NiMH battery with a capacity of 2100mAh

SCO910 - Aseptic Housing

- Compatible with Stryker® Cordless Driver 4, and Stryker® System 6 handpieces
- Only compatible with Knight Benedikt batteries (SCO900)
- Fully autoclavable
