Healthy coasts, healthy people:
Advancing sustainable & equitable health outcomes in Aotearoa

Marg Cosgriff

Please
**stay out of
the water**

- No swimming
- No surfing
- No fishing
- No congregating

This beach is restricted during the COVID-19 Level 4 lockdown. It is only to be used for walking and running. Please keep a 2-metre distance from other people at all times.

Makuru Initiative using Miyawaki Forest

Molly Melhuish

Figure 3 Playing with sticks is an example of place-making.

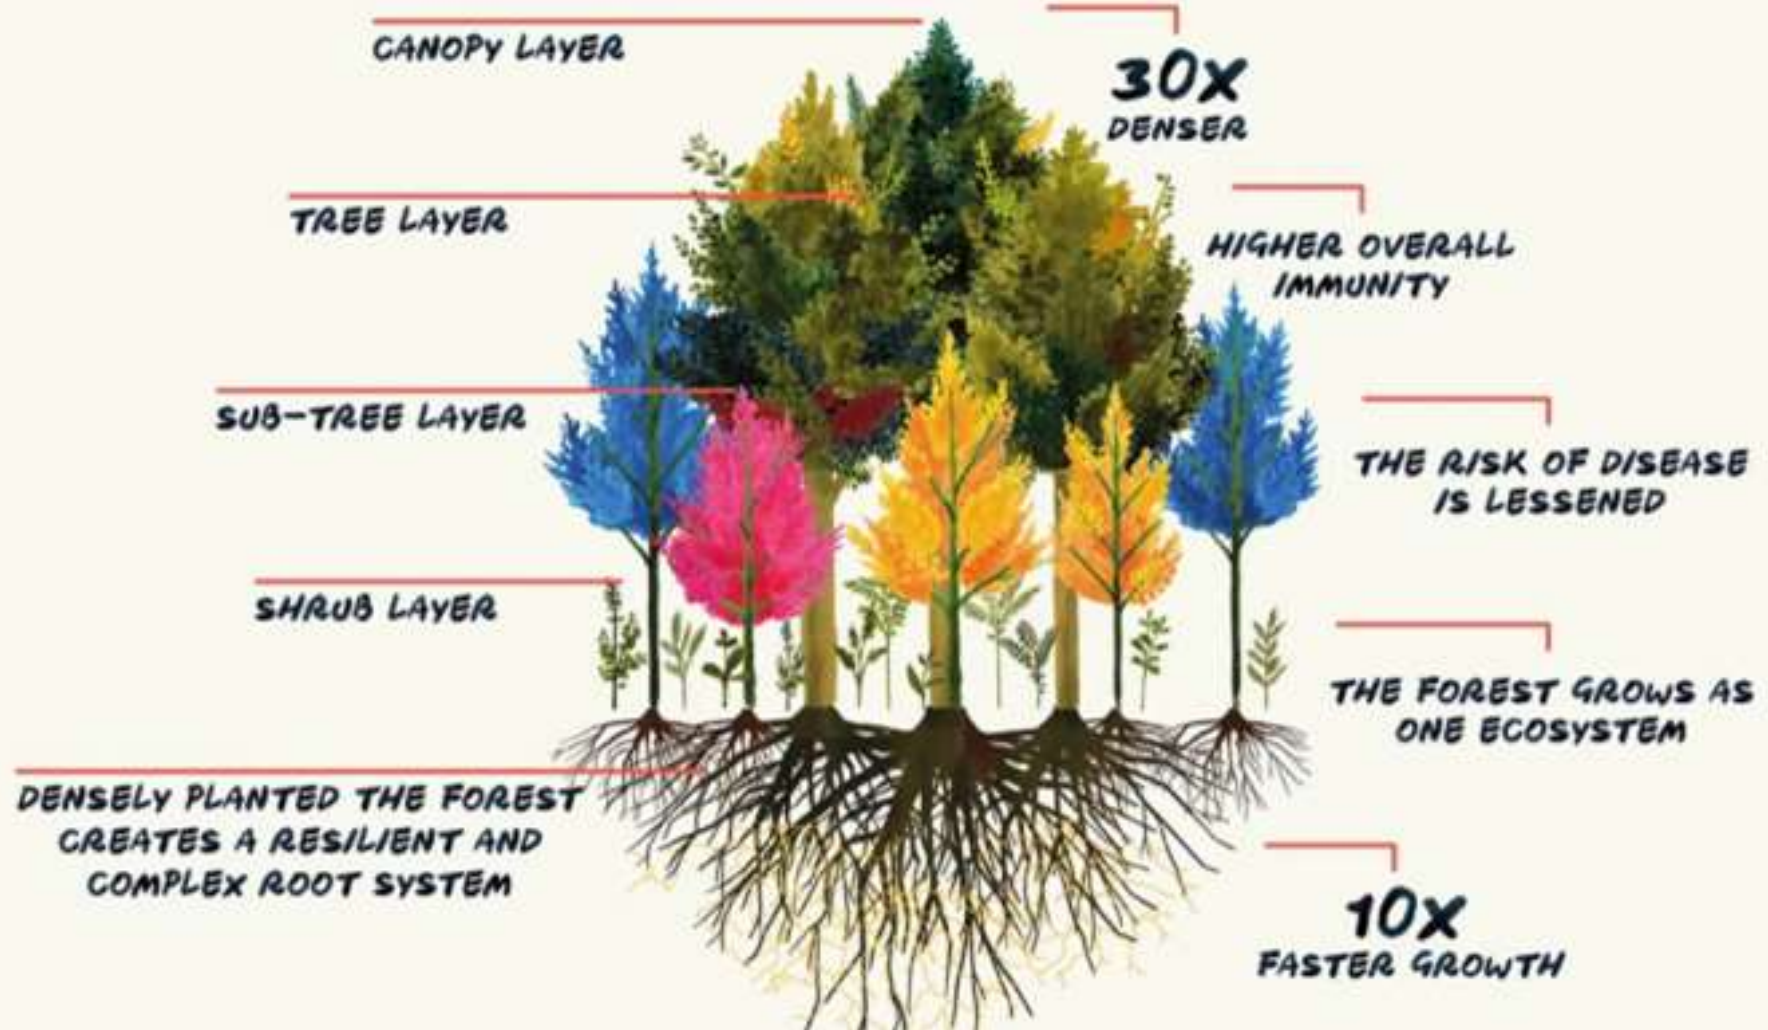

Beirut, forest #2: 200 sq m, 800 trees

24 months later

THE MIYAWAKI FOREST

Lebanon School 1 yr,
28 sq m, 112 trees

N Queensland, 3 yr
100 sq m, 380 trees

NW USA 3 yr
400 sq m 1400 trees

Nelson biochar forest: 1 month after planting, and 2 years later

Riverton food forest on $\frac{1}{4}$ acre

Disaster-preventative forests

Food forest in vacant lot,
Boston, Massachusetts
