

ACCESSIBLE TOURISM ACTIVITIES

Explore Brisbane's diverse and inclusive range of incredible experiences, designed so everyone can access and enjoy the very best the city has to offer.

LONE PINE KOALA SANCTUARY

Meet a host of friendly characters at Lone Pine Koala Sanctuary, one of the best-loved accessible experiences and attractions in Brisbane. At this wheelchair-friendly, accessible-facility-forward sanctuary, you can befriend a platypus, kangaroos, birds, koalas, amphibians, reptiles and more. To guarantee accessibility to as many individuals as possible, Lone Pine Koala Sanctuary has employed Cerge which hosts an audio guide, sensory guide, accessibility guide, communication board and more.

ACCESSIBLE CLIMB WITH STORY BRIDGE ADVENTURE CLIMB

The Story Bridge Adventure Climb has made history as the world's first wheelchair-accessible bridge climb—redefining adventure tourism with a bold commitment to inclusivity. This tourism experience offers an accessible climb experience, giving everyone the chance to take in breathtaking views from above the Brisbane River.

VERTIGO DINING

Dining with your feet dangling 17 metres in the air may sound daunting, but this unique dining experience is available to all with a 'first of its kind' accessible entrance. A specialised chair has been designed using aircraft-grade aluminium to lift people of all abilities to enjoy a three-course brunch or dinner with unbeatable views.

WHEEL OF BRISBANE

Almost 60 metres high, the Wheel of Brisbane soars above South Bank, offering visitors sweeping views across the city and river. This sky-high attraction is also wheelchair-friendly with two gondolas fitted for access and a ramp provided for ease of boarding plus accessible bathroom facilities. All staff are well trained in assisting those in a wheelchair be on and off-boarded from the gondolas.
