STUDENT CAREERS FORUM

Supporting your transition to practice

Thursday 25 August 2022 | 1-6pm AEST

WHO?

Designed for 4th year OT students, or final year masters students.

WHAT IS THE FORUM?

The Student Careers Forum is a virtual event by Occupational Therapy Australia, providing students with insights into their transition to practice.

This includes presentations, panel sessions and opportunities to engage with employers, OT's and recruiters. As students focus on beginning their careers as OT's, they will be provided with the tools, information to ensure they start on the right foot.

WHY ATTEND?

This virtual forum will give final year students insights into transitioning into practice, hearing directly from clinicians, employers and managers on what matters.

- A chance to network
- Hear from a range of presenters
- Join discussions with experts
- To connect with employers
- To hear from OTs about their experiences
- To get insights and tips to help secure an OT role
