

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
1	475	Kerri-Anne Von Deest Stefan Dellinger	Occupational therapy students' perceptions about their capabilities for practicing Cultural Safety	Aboriginal and Torres Strait Islander people/ communities	Mixed Methods Research
1	552	Marielle Turner Helen Harrington	Culturally responsive occupational therapy - small ripple effects	Aboriginal and Torres Strait Islander people/ communities	Other
1	266	Kieva Richards	Exploring first year occupational therapy students' perspectives of an On-Country experience	Aboriginal and Torres Strait Islander people/ communities	Qualitative Research
1	97	Bill Wong	Assisting Autistic Adults Navigating Older Adulthood- What Can OT Profession Do?	Ageing well	Other
2	489	Jessica McKinley Carina Hartley	Occupational Therapy first point of contact clinic: Supporting geriatric waitlists	Ageing well	Other
2	558	Jessica Moller Sarah Smith	"AvailABLE" A care model maximising access to rural Community Occupational Therapy services	Ageing well	Practice Note
2	501	Catherine Devanny	Every picture tells a story: selecting images for a dementia e-course	Ageing well	Practice Note
2	543	Judith George	Exploring home safety risk assessment tools for telehealth use, in Occupational Therapy.	Ageing well	Qualitative Research
3	548	Anne Cusick	Integrating evidence into person centred falls prevention though shared decision making	Ageing well	Qualitative Research
3	524	Sze Ming Wu	Older adults' digital literacy and perspectives on smartphone use for home assessment	Ageing well	Qualitative Research

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
3	258	Weihong Zhang	Fall-related gait characteristics and their association with cognitive impairment	Ageing well	Quantitative Research
3	32	Lynette Mackenzie	General practitioners' approaches to fall prevention: Opportunities for collaboration and connection.	Ageing well	Quantitative Research
4	109	Alison Pighills	Implementation: Best practice occupational therapist-led environmental assessment and modification to prevent falls	Ageing well	Quantitative Research
4	399	Yanlin Li Susan Brandis	A scoping review: occupation-based activities to improve balance in at-risk older adults	Ageing well	Review Paper
4	244	Emma Tan	Ageing with Spinal Cord Injury – A Scoping Review	Ageing well	Review Paper
4	582	Rohan Lai	Obstacles to prolong active workforce engagement - a scoping review	Ageing well	Review Paper
5	481	Anne Cusick	Occupational therapy practice in emergency departments: a scoping review	Ageing well	Review Paper
5	334	Heather Block Alison Dymmott	Outcomes of home modifications for community dwelling middle-older aged adults	Ageing well	Review Paper
5	376	Najat Alhaizan Sanetta Du Toit	Scoping Review: Culturally Appropriate Care for Migrant Arab Elders in Care Settings	Ageing well	Review Paper
5	421	Anne-Maree Caine	Seeking the views of Australian residential aged care residents: A scoping review	Ageing well	Review Paper
6	415	Renee Keny	The impact of artificial intelligence and technology on school-based occupational therapists	Artificial Intelligence (AI)	Practice Note

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
6	81	Sarah Collison	The only way is up - Vertical Lift Success in the NDIS	Assistive technology / adaptive equipment/ environmental modifications	Other
6	623	Christina Wyatt Ailsa Leslie	Building Capability: The Development of OTA's Capability Frameworks - From Concept to Implementation	Assistive technology / adaptive equipment/ environmental modifications	Practice Note
6	112	Pamela Maryse Arndt	Engaging with providers: Department of Veterans' Affairs complex home modification specification checklists	Assistive technology / adaptive equipment/ environmental modifications	Qualitative Research
7	119	Laila Bar	Occupational therapists' perceptions about a clinical decision-aid improving adherence to compression stockings	Assistive technology / adaptive equipment/ environmental modifications	Qualitative Research
7	297	Libby Callaway Natasha Layton	Assistive technology and progressive conditions: Scoping international clinical guidelines to inform practice	Assistive technology / adaptive equipment/ environmental modifications	Review Paper
7	302	Mary Whitehead	How should we codesign? Considerations from hospital based health services.	Cancer/ palliative care	Mixed Methods Research
7	89	Michael Desrosiers Cindy Jaeger	Enhancing Acute Care with Group Therapy: Maximizing OT Resources and Patient Outcomes	Cancer/ palliative care	Other
8	171	Ngoc Tung Do	Community-Based Home Modifications for Individuals with Disabilities by VNAH	Community level practice / community development	Mixed Methods Research
8	591	Lyn Crossley	Arthritis: Answering the big questions. Addressing barriers in regional community health education	Community level practice / community development	Other

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
8	590	Lyn Crossley	Inclusive Practice. Why literacy matters.	Community level practice / community development	Other
8	366	Amanda Walker	AlertABLE: Practice learnings of a personal alarm group education and clinic model	Community level practice / community development	Practice Note
9	354	April Friend	Evaluation of a novel Hospital in the Home (HITH) Allied Health service	Community level practice / community development	Quantitative Research
9	236	Makoto Otaki	Physical activity status of the elderly who gather at resident-oriented places.	Community level practice / community development	Quantitative Research
9	442	Hannah Forbes	Health and wellbeing in intergenerational interactions: Umbrella review of conceptualisation and measurement	Community level practice / community development	Review Paper
9	486	Margo Coffey	Value-based health care: Commercially available virtual reality games in hand therapy	Consumer Perspective	Mixed Methods Research
10	439	Jorja Greenwood Louise Gustafsson	Inclusive tourism experiences of people with spinal cord injury: A photovoice study.	Consumer Perspective	Qualitative Research
10	344	Cheryl Kotzur	Leading the group: Student and clinician perspectives of a student-led group-based program.	Consumer Perspective	Qualitative Research
10	561	Francesca Avidan Susan Brandis	Patient reported experience measures in paediatrics: A scoping review	Consumer Perspective	Review Paper
10	434	Kitty-rose Foley	National centre of excellence in intellectual disability health: implications for occupational therapists	Disability	Mixed Methods Research

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
11	182	Rebecca Rae-Hodgson	A Different Kind of Rest: Management, Movement and Meditation for ME/CFS	Disability	Practice Note
11	410	Renee Keny	Insights from the Individuals with Disabilities Education Act Framework for educational equity	Disability	Practice Note
11	24	Tracey Parnell	Integrating lived experience in health professional education to promote accessibility and inclusivity	Disability	Qualitative Research
11	192	Kimberly Charlton	Manual wheelchair training: perspectives of users, caregivers and trainers	Driving/ community mobility	Qualitative Research
12	587	Brita Padoms Allison Farley	Predictive Workforce Planning in Occupational Therapy	Economic evaluation / cost-effectiveness	Mixed Methods Research
12	330	Janice McKeever	A reimagined workplace, developing an employee value proposition to address workforce challenges	Economic evaluation / cost-effectiveness	Practice Note
12	482	Margo Coffey	An investigation into the barriers and enablers for occupational therapists ordering medical imaging	Emerging practice areas	Other
12	521	Abdulrahman Binjuwayr	Functional cognition and occupational therapy neurorehabilitation in Arabic-speaking populations: a scoping review	Emerging practice areas	Other
13	268	Amanda Shields Rosemary Gospel	Enhancing occupational therapy practice through virtual reality: A collaborative approach	Emerging practice areas	Practice Note
13	406	Linda Horgan	The Chill Zone @IMART: immersive inclusion for all.	Emerging practice areas	Practice Note

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
13	405	Bronwyn Simpson	A novel program with an explicit focus on well-being: Critical elements	Emerging practice areas	Qualitative Research
13	114	Jane Gibson Annalise O'Callaghan	Colabs for Counselling: Students as partners in designing a new assessment	Emerging practice areas	Qualitative Research
14	43	Heather So	Occupational therapists' understandings of spirituality: breaking taboo.	Emerging practice areas	Qualitative Research
14	135	Sia Horrobin	'Skills for Independence' courses: exploring change for participants with spinal cord injury	Emerging practice areas	Qualitative Research
14	85	Claire Pearce	An integrative review of the allied health assistant workforce in Australia	Emerging practice areas	Review Paper
14	201	Libbie Rowley-James	Developing the paediatric occupational therapy role in emergency departments: A scoping review	Emerging practice areas	Review Paper
15	360	Maria O'Reilly	Intergenerational Programs for Aged Care Residents Living with Dementia: A Scoping Review	Emerging practice areas	Review Paper
15	566	Clare Batkin Nicole de la Perrelle	Saving new graduate OTs: How graduates, academics and employers can help	Entrepreneurship / business development	Practice Note
15	263	Adam Lo	Arts on our Mind - PEOP Model, Arts and Mental Health	Health promotion/ population health	Mixed Methods Research
16	536	Ann Kennedy-Behr	Clinical utility of the Child Play and Playfulness Questionnaire (CPPQ)	Infants, children and families	Mixed Methods Research

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
16	472	Tracey Parnell	Supporting the occupation of parenting post-disaster	Infants, children and families	Mixed Methods Research
16	539	Ann Kennedy-Behr	Happy Cards: finding out what brings children joy	Infants, children and families	Practice Note
16	370	Rhyannah Lesleighter	Let's Talk About Toileting: An early intervention toileting group program	Infants, children and families	Practice Note
17	593	Juliet Ryan Lisa Clark	Paediatric Private Practice: Translating evidence based practice into clinic rooms	Infants, children and families	Practice Note
17	123	Jacqui Edwards	Family-Centred Occupational Therapy: What do Therapists and Low-Socioeconomic Families Value?	Infants, children and families	Qualitative Research
17	36	Berenice Johnston	Efficacy of a prewriting intervention – the findings of a pilot RCT.	Infants, children and families	Quantitative Research
18	45	Liora Sher	Relationship between sensory processing and neurotypical children's play time: An exploratory study	Infants, children and families	Quantitative Research
18	378	Tess Baldwin Sophie Neill	Massage Me! A Systematic Review of Sensory Strategies for Self-Regulation.	Infants, children and families	Review Paper
18	394	Megan McClenaghan Pamela Meredith	Parental Sensory Processing Patterns and Parenting: A Systematic Review	Infants, children and families	Review Paper
18	181	Mrs Annalise O'Callaghan	PICA: What is the role of occupational therapy? A scoping review	Infants, children and families	Review Paper
19	69	Tracey Parnell	Social competence interventions for children with developmental vulnerability: A systematic review	Infants, children and families	Review Paper

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
19	296	Natalie Sutherland-Stevens Laura Burritt	Unlocking Imagination: A Scoping Review Investigating Educators' Facilitating Play in Young Children	Infants, children and families	Review Paper
19	379	Sanetta Du Toit	Meaningful engagement of CaLD community dwelling older adults - Expanding social networks	Interprofessional practice / Trans-disciplinary practice	Mixed Methods Research
20	17	Kimberley Ackland	A conceptual model to implement and support occupational therapy student service-learning placements	Interprofessional practice / Trans-disciplinary practice	Other
20	33	Michael Desrosiers	Acute Care Excellence through OT and OTA Collaboration	Interprofessional practice / Trans-disciplinary practice	Other
20	38	Asmita Mudholkar	Allied Health Students' Placement Experience in a Rural Primary Health Care Setting	Interprofessional practice / Trans-disciplinary practice	Qualitative Research
20	326	Jessica Levick	Scope of Practice: Leisure Participation in Occupational Therapy, Recreation Therapy and Nursing	Interprofessional practice / Trans-disciplinary practice	Qualitative Research
21	188	Wan Ying Felicia Ang	Understanding the student volunteering experience of assisting a clinical research study	Interprofessional practice / Trans-disciplinary practice	Qualitative Research
21	567	Jacqueline Wesson	Pilot Study of a Computerised Instrumental Activities of Daily Living (IADL) Assessment	Interprofessional practice / Trans-disciplinary practice	Quantitative Research
21	283	Ryan Visser	Contemporary interventions for resilience of allied health students: A scoping review	Interprofessional practice / Trans-disciplinary practice	Review Paper
21	554	Becca Allchin Bronwyn Sanders	Building monitoring and evaluation frameworks using Occupational Therapy student projects	Knowledge translation / bringing evidence into practice	Mixed Methods Research

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
22	528	Jessica Gatenby	Development of a clinical care pathway for patients with Functional Neurological Disorder	Knowledge translation / bringing evidence into practice	Mixed Methods Research
22	111	Jacqueline (Jacqui) Wheatcroft	Enhancing hospital-based wheelchair and seating processes using implementation science	Knowledge translation / bringing evidence into practice	Mixed Methods Research
22	197	Sharon Neale Ellen Druce	Functional Autonomy Measurement System – implementation feasible in inpatient occupational therapy?	Knowledge translation / bringing evidence into practice	Mixed Methods Research
22	277	Susan Darzins Tamara Tse	Identifying relevant and context-specific outcomes measures for occupational therapy services: a protocol	Knowledge translation / bringing evidence into practice	Mixed Methods Research
23	436	Krystal Kunig	Is the Home Support Needs Assessment useful for Home Care Package planning?	Knowledge translation / bringing evidence into practice	Mixed Methods Research
23	470	Lauren Christie	Therapists' experiences using online learning to support telehealth delivery of CIMT	Knowledge translation / bringing evidence into practice	Mixed Methods Research
23	205	Kerry Anderson Kay	Designing a best-practice model of care for prolonged disorders of consciousness rehabilitation.	Knowledge translation / bringing evidence into practice	Other

Occupational Therapy Australia
31st National Conference and Exhibition – Poster Displays

Pillar Location	Paper Number	Presenting Author Names	Paper Title	Key Words	Research Type
23	348	Karina Lewis Molly Parry Gemma O'Brien	Evaluating the impact of acute encephalitis on cognition: an audit of practice.	Knowledge translation / bringing evidence into practice	Other
24	52	Tracey Parnell Elsie de Klerk	Evidence-informed practice: A framework to guide clinicians working with students on placement	Knowledge translation / bringing evidence into practice	Other
24	320	Anne Cusick	Toolkit to support evidence-based selection of handwriting assessments by occupational therapists	Knowledge translation / bringing evidence into practice	Other
24	424	Karina Lewis	Translating evidence into practice: a collaborative approach to managing hand injuries.	Knowledge translation / bringing evidence into practice	Other
