BREAKOUT SESSIONS						
11.41am - 1.00pm	1A: CLINICAL COMPETENCE	1B: EMERGING AREAS OF PRACTICE	1C: STRATEGIC SERVICE DELIVERY	1D: HOSPITAL TO HOME	1E: WORKSHOP	1F: WORKSHOP
	Chair: Sally Hunter & Angela Tincknell Room: Riverside Theatre	Kathleen Langford & Elijah Akhimien Meeting Room 1&2	Bess Fowler & Nicole Amery Meeting Room 3	Natalie Tanner-Black & Megan Bense Meeting Room 6	Sarah Hausler & Alison Lane Meeting Room 7	Rachel Brimblecombe & Jessica Charlton Meeting Room 8
11.41am - 11.56am	Spotlight Presentation: Tertiary Education, the future workforce, and the new horizon. It is everyone's business.	Building Connection in Northern Territory Remote Indigenous Communities Mia Poklepovich	Everyday LEAD: A Human Rights-Centric Approach Transforming Disability Assessment Madeline Hand & Hayley Hughes	Towards better recognition of allied health professionals' perspectives on the nature of their role in a Geriatric Evaluation and Management (GEM) unit Farnaz Khoshmanesh	Supporting emotional regulation in young children with developmental delays: tools to help us engage families and build parent capacity Jacqui Barfoot	The Occupational Therapy Role in AAC: Alternative Access Technologies & Operational Competence Carla Berlingeri
11.57am - 12.12pm	Mandy Stanley & Angus Buchanan	Investigating the clinical utility of the Home Support Needs Assessment in a forensic mental health service Aleksandra Westcott	Occupational Therapy NDIS lead role in acute hospitals: improving patient outcomes Katherine O'Connor	Measuring older adults' 'functional cognition' with performance-based assessment tools: a scoping review Callum McGougan		
12.13pm - 12.28pm	Navigating Your Path: A New Graduate's Guide to Effective Mentorship in Occupational Therapy Angie Contreras	Clinical Conversation: Forensic Occupational Therapy – an emerging area Jemma Saunders, Emily d'Espeissis, Gabrelle Pitt, Samantha Amato, Jasmine Dolman	The benefits and challenges of using Allied Health Assistants to improve service continuity in the context of workforce shortages Andrea McQueen, Cindel Sippel, Ross Martin	Cog Connections: Developing an outpatient cognitive rehabilitation group program for older adults Jennifer Evans & Rose Ziamanski		
12.29pm - 12.44pm	Elevating Occupational Therapy Practice: Innovations in Remote Mentorship for Independent Clinicians and Private Practices Angie Contreras		The Experiences of Individuals Accessing Personalised Disability Funding Schemes: A Scoping Review Jessica Charlton	A Better Way to Care - The Revitalisation and Expansion of Meaningful Activity Boxes at Royal Perth Bentley Group Fiona Hornung		
12.45pm - 1.00pm			Equipment Loan Pool (ELP) Project – From paper clips and post it notes to a statewide digitised solution. Greg Foreman	Home Alone! Using LiDAR as an Occupational Therapy Home assessment tool for pre-discharge older adults: A feasibility study Judith George		

1.05pm - 1.35pm	Lunch Pavillion 1, Level 1
1.36pm - 1.59pm	Exhibition and Poster Viewing Time Pavillion 1, Level 1
1.07pm - 1.59pm	EXHIBITOR PRESENTATIONS
Chair	Caila Ihle
Room	Meeting Room 8
1.07pm - 1.19pm	Stories from the red dirt: Culturally sensitive service delivery Nicole Grant
1.20pm - 1.32pm	Occupational therapy to support older persons with dementia and their primary carers to manage at home Sarah-Jane Brummage
1.33pm - 1.45pm	Imposter Syndrome – Owning your OT brain with confidence Rachel Brimblecombe
2.05pm - 3.20pm	Exhibition Open to General Public

BREAKOUT SESSIONS						
2.00pm - 3.35pm	2A: SELF REGULATION AND ADOLESCENCE	2B: PITCH IT!	2C: CROSS CULTURAL/MENTAL HEALTH	2D: KNOWLEDGE TRANSLATION & CO-DESIGN	2E: WORKSHOP	2F: WORKSHOP
Chair	Lisa Cooper & Marie-Luise Rodatz	Laura Simmons & Ornisna Naidoo	Marianne Bowyer & Leanne Watson	Stephanie Coates & Claire Cunningham	Kitty-Rose Foley	Carolyn Murray
Room	Riverside Theatre	Meeting Room 1&2	Meeting Room 3	Meeting Room 6	Meeting Room 7	Meeting Room 8
2.00pm - 2.15pm	Spotlight Presentation School environments for self-regulation: Regulation spaces Sarah Enthoven & Amanda Carter	*NEW TO 2024!* In this dynamic and interactive session, OTs will pitch their ideas, concepts, and prototypes to a panel for feedback and discussion of their products.	Kujungkarrini Brain Map-Ku: a co-designed cross-cultural understanding of development, trauma and regulation to enable occupational participation Tarin Dempers, Caitlin Prince, Natasha Surprise & Corina Jadaí	The Bidi Wungen Kaat Centre: An innovative subacute inpatient service providing transitional care for people with mental illnesses in Western Australia Helen Ayers & Susan Greenhatch	Being an evidence-based practitioner with the Australian Occupational Therapy Journal Louise Gustafsson	A novel approach to falls prevention and healthy ageing utilising standardised assessments for key fall risk factors, and an evidence based cognitive- motor training tool Julia Dayhew
2.16pm - 2.31pm		End-to- End Care: Cancer Survivorship Program App Amy Wallis	Towards Wise Practice in Challenging Contexts: Utility of an Autoethnographic Approach Caitlin Prince	Any questions? A co-designed project for people newly diagnosed with functional neurological disorder Aimee Ingram		
2.32pm - 2.47pm	What is self-regulation? An occupational therapy perspective of understanding self-relegation in the school environment Lydia Cossart	ReadyKids: Digitising Occupational Therapy to Support Parents and Kids at Home Sarah Shakibaie	The Effectiveness of Mental Health Rehabilitation Intervention for Children and Adolescent Survivor of Natural and Man-made Disasters: A Systematic Review Roqeeb Babatnde Raji	Impact of Peer Support for Amputees Research Melissa Nooan		
2.48pm - 3.03pm	Using a compass to assist the development of priorities for self-regulation intervention when working with families of pre-adolescent and early adolescent students Amy Hollins-Rudd	Everbility: Revolutionising Occupational Therapy Documentation with AI Angela Mariani & Mani Batra	Therapy on the fly: An innovative approach to service provision in remote Australia Melissa Rowles	The quality of mobile health applications available for occupational therapists to use for people with chronic pain Jessica Smith		
3.04pm - 3.19pm	Supporting Occupational Therapists to deliver puberty-focused supports for young people with disability and autism Sarah Hausler & Kate Sargeant	Develop better pre-driving skills with the "Get Driving" online therapy toolkit Jenny Gribbin	Paw Therapy: Unleashing a hospital-based Dog Therapy visitation process for physical and mental health participants Jennifer Evans & Karen Stiles	Focus on FASD - The 4As Approach for Ots Rebecca Ball, Leah Rampling & Jasmine Buxton		
3.20pm - 3.35pm	Navigating Life Transition: Demonstrating the Pivotal Role of Longstanding Occupational Therapy in Teen and Family Wellbeing and Functioning Using a Mixed Method Approach Keely Kenton, Peppa Davieson & Sophie Stewart		The utilisation of therapy dogs to impact the performance outcomes of children in custody Felicity Beaulieu	Confidence in Mothering Occupations - A Delphi Study Sorcha Odgers		

3.35pm - 4.00pm	Afternoon Tea Pavillion 1, Level 1	
4.00pm - 5.05pm	PLENARY SESSION	
	MC	Karen Tighe
	Room	Riverside Theatre
	Lived Experience Panel Facilitator: Danielle Loizou-Lake Panellists: Julianne Adams, Sinead Bryant & Pamela Mino	
5.30pm - 7.00pm	Welcome Reception Spring, 16 Queen St, Perth	

FRIDAY 14 JUNE 2024	
7.30am - 9.00am	Arrival Tea & Coffee Pavilion 1, Level 1
7.30am - 8.45am	Solo Attendee or First Time Delegate Meet Up OTA Booth (Pavilion 1, Level 1)
7.30am - 4.00pm	Registration and Information Desk Open Level 2
7.30am - 2.30pm	Speaker Preparation Room Open Meeting Room 10, Level 2
7.30am - 1.15pm	Exhibition Open Pavillion 1, Level 1
8.20am - 10.05am	PLENARY SESSION MC Karen Tighe Room Riverside Theatre
8.20am - 8.30am	Welcome from MC - Karen Tighe
8.30am - 8.35am	Welcome to Day Two from the Conference Co-Convenors - Kathleen Langford and Lisa Cooper
8.35am - 9.20am	OTA Oration - This new accolade aims to honour and showcase an occupational therapist who has made outstanding, innovative, and impactful contribution to the clinical practice of occupational therapy. <i>Your OT road map to innovation success</i> Jenny Gribbin
9.20am - 10.05am	Keynote Presentation <i>Personal and political reflections on 10 years of the NDIS</i> - Senator Jordon Steele-John
10.05am - 10.35am	Morning Tea Pavillion 1, Level 1

Room		Riverside Theatre							
2.35pm - 2.40pm		Closing Session Remarks - Karen Tighe							
2.40pm - 2.55pm		OT Exchange Awards - Chris Pearce							
2.57pm - 3.45pm		Keynote Presentation - Judith Hewitson							
3.47pm - 4.00pm		Conference Wrap Up: President of OTA - Priscilla Ennals							

ePoster Listing

Emerging & Innovative Practices	
Presenter/s	ePoster
Claire Fox	360 Kids - Early Intervention Services: An innovative team approach to supporting children aged 0 - 9 years on the NDIS
Annie Tran	An equal approach to client interactions and its impact on outcomes and quality
Rhys Forrer	Artificial Intelligence and Occupational Therapy: Insights and Learnings from a Dyslexic Student's Perspective
Zoe Delios	Assessment and intervention of vision and visual perceptual changes for individuals post-stroke, a review of current research and discussion of case studies
Aleksandra Westcott	'Becoming Us': Supporting women in the transition to motherhood through a community-based group program
Angie Contreras	Beyond Boundaries: A Case Study on the Art of Inclusive Kitchen Design
Marie-Eve Dostie	Clinicians' Experience: Using visual cue cards to facilitate the goal-setting process with participants across the lifespan
Clare Batkin	Collaboration to combat burnout: It's not one-size-fits-all, so let's give OTs some options
Carolyn Murray, Lenore De Le Perrelle, Angela Berndt, John Baranoff, Geoff Richards & Kerry Mart	Creative Recollections: Co-design of Arts and Health Research Project with people with dementia and their family caregiver
Jessica Gatenby	Development of a clinical care pathway for management of patients with Functional Neurological Disorder (FND); The Occupational Therapy Role
Donna Pocklington	Empowering Futures: The Ascend Health Model for Accelerated Occupational Therapy Career Development
Elise Li	Establishing the Reliability and Validity for GripAble: A Handheld Sensor-Based Dynamometry Device
Jenny Gribbin	Examining therapists experience and impact of using a driving therapy program and online therapy toolkit to support development of driving skills.
Amy Oman	Explore Learn Move- Innovate and Inspire: giving back time to busy, overwhelmed families.
Cath Fitzhardinge	Exploring outdoor play opportunities to support health, wellbeing and learning in West Australian primary schools: A mixed methods exploratory case study.
Karen Hardie & Tamsin Phillips	Exploring the outcomes of combining Nordic Pole Walking, Mindfulness and Nature to improve motor and non-motor symptoms of Parkinson's Disease
Bradley Williams	Fostering Our Identity as OTs: Leave Imposter Syndrome Behind
David Vosnacos	Going beyond the mainstream videoconferencing experience: exploring the accessibility of virtual reality based therapeutic interventions.
Bronwyn Paynter	Impacting the socioeconomic determinants of health: A vision for occupational therapy in South Africa
Jenna Mannix	Implementation of an occupational therapy service within the Home Dialysis Unit at Bendigo Health.
Sophie Rerden	Implementation of an oncology occupational therapy service across the continuum of care
Beverlee Marcowski	Innovative Concepts Applied to Neurology Patients with Cerebral Vascular Accident (CVA)
Helen Whait	Innovative Employment in Occupational Therapy: A Win-Win for Practitioners and Clients
Rae Johnston	Integration of Intensive Early Intervention Supports with Long Day Care Services
Christine Baker	Inter-Professional Collaboration in Addressing Learning Difficulties
Laura Clarke	Introduction of an Occupational Therapy Home Measuring Guide for Carers and its Impact on Inpatient Therapy Time in an Amputee Population
Clare Batkin	Learning and collaboration: How LinkedIn is more than just a recruitment platform
Mani Batra, Angela Mariani & Bella Martini	Leveraging AI to Optimise Clinical Documentation in Occupational Therapy
Bronwyn Paynter	Nature based occupational therapy in Uganda: where the occupational therapy perspectives are similar but the nature is VERY different!
Catherine How	Occupational Therapy bringing the Tour de France to the garage of a client with Frontal-Temporal Dementia
Renee Gunn	Piloting a rotational student cohort placement in a large tertiary health service
Mani Batra, Angela Mariani & Bella Martini	Privacy Considerations When Using AI Tools in Occupational Therapy
Kahli Masini & Elise Gollow	Prospective surveillance and early intervention program at Royal Perth Hospital
Annie Tran	Questioning our questioning: Respecting our clients' right to privacy during health professional enquiry
Kelly McDonald	Rapid Access Community Care - Innovation in Hospital Avoidance
Bronwyn Paynter	Regenerative practice – moving beyond sustainability. If we care about people we MUST care about the planet
Janelle Gullan	Rites of passage and occupational therapy interventions: a key to maternal wellbeing
Sarah Bennett	The impact of attention on mobility for adults under 65 years with posterior circulation stroke
Megan O'meara	The Real Role of Occupational Therapy in Acute Spinal Stroke
Rachelle King	Uniting & connect the occupational therapy department on a digital platform.
Cath Fitzhardinge	Urban Discovery & Occupational Therapy: Supporting Early Childhood Educators by advocating for nature play opportunities in an early childhood education and care centre.
Clare Fortescue	Using a DMAIC service improvement framework to review and improve the OT-led Fast Track outpatient clinic for hand injured patients.
Bronwyn Paynter	Workplace wellbeing – integrating corporate strategy with psychosocial risk management in a corporate wellbeing strategy that moves beyond individual wellbeing interventions in community pharmacy.

Disability	
Presenter/s	ePoster
Cherie Toubia	Building an Evidence-Informed Process for Functional Capacity Assessments and Reporting: The experience of The Benevolent Society
May Kee Cheah	Factors contributing to resilience of OTs working within the NDIS
Clare Batkin	More than a webinar: A comprehensive approach to teaching occupational therapists how to complete an NDIS Functional Capacity Assessment
Madeline Hand & Hayley Hughes	Positive Change Push: Strengthening Communities for Inclusion Beyond 1:1 Therapy.
Maddison Cartledge	The Design and Management of Australian Public Sensory Rooms
Shay Manchanda & Rebecca Jamwal	The everyday occupation of healthcare access: documenting interventions delivered by the Disability Liaison Officer program to achieve equity
Jacinta McKeon & Elyse Hower	The impact of Habit Coaches working within a social model of practice in interdisciplinary teams on NDIS participant outcomes.
Sally Smith	Unlocking Potential: Leveraging Best Evidence-Based Coaching Practices to Strengthen Capacity Building and Participant Support within the Social Model of Practice
Kelly Scott	Using gaming as a shared common ground to foster safety, connection and belonging for autistic adults and children.
Cherie Toubia	What should occupational therapists know when providing a Functional Capacity Assessment Report for a client who has mental health-related disability?
Cherie Toubia	What should occupational therapists know when providing a Functional Capacity Assessment Report for a paediatric client?
Cherie Toubia	What should occupational therapists know when providing a Functional Capacity Assessment Report for clients seeking disability housing and daily living supports advice?
Knowledge Translation	
Presenter/s	ePoster
Nikhola Hulse	"Isn't it just a chat?" A qualitative exploration of students' understanding and experience of structured clinical supervision in rural Allied Health placements.
Claire Fox & Jewel Rockey	360 GO - a 12-month new graduate program to build capable and confident Occupational Therapists
Fiona Hornung	A Better Way to Care – Optimising established hospital environments through enabling universal signage at Royal Perth Bentley Group
Andrea Mc Kittrick, Ella Fichtenmayer & Eloise Smith	A Review of Surgical and Non-Surgical Interventions for management of Burn Scar Contractures to the Mouth.
Clare Batkin	Changing-up the traditional journal club format: What are the benefits?
Leesa Musarra	Completing professional development: Who's challenge is it?
Elise Karslake	Critical reflections of an early career clinician relocating to work in the Northern Territory
Carol Davis, Lia Augoustakis, Brynn Lewin & Rebecca Jamwal	Developing a Systematic Approach to Improve the Clinical Capability and Confidence of Occupational Therapists
Yong Cindy & Barot Georgia	Development of a specialised SENSE clinic in community-based private practice
Tessa Franklin & Gabrielle Sibma	Digital Replantation following Traumatic Amputation at Royal Perth Hospital
Clara Leong	Does personality influence research engagement? Differences in personality and character traits between occupational therapy researchers and non-researchers.
Lauren Svendsen	Empowering Team Collaboration: Harnessing the Creative Ability Model (Vona du Toit) for Enhanced Engagement in a Community-Based Occupational Therapy Team.
Thuy Tran	I can't lift my baby! The development of an evidence-based educational resource on the prevention and management of De Quervain's tenosynovitis for mothers
Erin Mullins	Implementation of an 'Early Career Program' for new graduates and those new to NDIS
Marie-Eve Dostie	Nurturing Teams in the Early Childhood Sector
Helen Dejong	Pilot program: Occupational Therapy pre assessing cognition for neurotoxic Chimeric Antigen Receptor (CAR)- T cell therapy
Therese Trouchet	Providing evidence of Occupational Therapy home safety interventions and safety practices using the Perceive, Recall, Plan and Performance assessment for children with vision impairment.
Emily Walker & Danielle Adams	Reconnecting with groupwork: Re-establishing a groups program for consumers of a community mental health service.
Hayley Hughes	Shifting the paradigm, a step towards a quality-of-life therapy approach.
Hollie Swanton	Somatic Maternal Healing: Clinical reflections of using Maternal Bodyfulness Cycle, with compassion focussed emotional regulation and sensory awareness in the perinatal period.
Heidi Long	The importance of complex practice support in building OT competence and capability amidst sector and workforce challenges and changes.
Rebecca Rae-Hodgson	Values as a guiding force supporting engagement and meaning-making
Older Persons	
Presenter/s	ePoster
Lisa Barry & Toni Heinemann	Does telehealth delivery of an Occupational Therapy Home Visiting Service provide a non-inferior alternative to in-person delivery of the same service? A case-control study.
