

APASC25 PROGRAM

| WEDNESDA | / 22 OCTOBER | | | | | | | | | | APASC25 SCIENTIFIC CONFERENCE ADELAIDE 123-25 OCTOBER |
|-------------------|---|--|---|---|---|--|---|--|--|---|---|
| PRE CONFEI | RENCE WORKSHOPS | 8.30 am–5.15 pm | | | | | | | | | |
| Stream: | AM Half Day Acupuncture & Dry Needling | AM Half Day Mental Health | Full Day Animal | AM Half Day Women's & Men's Pelvic Health | AM Half Day Occupational Health | AM Half Day Advanced Practice / Musculoskeletal | Full Day Business | AM Half Day Neurology | AM Half Day Paediatric | AM Half Day Disability | Full Day Sports & Exercise |
| Room: | Room E1 | Riverbank Room 6 | Riverbank Room 2 | Riverbank Room 4 | Riverbank 8 | Riverbank Room 5 | Room E2 | Riverbank Room 7 | Room E3 | Riverbank Room 3 | Uni SA-H1-10 / H1-11 |
| 8.30 am-10.00 am | Evolve your clinical practice | Mindfulness in motion: A whole person approach to psychologically informed physiotherapy | The Anatomy and physiology of fascia: implications for assessment and treatment in human and animal manual therapy | Preparing for better birth: the pelvic floor and more | Sustainability in our own backyard | An evidenced based approach to the role of spinal imaging in contemporary musculoskeletal practice | The hidden cost of underservicing: How to improve patient outcomes James Schomburgk Building effective team culture Michelle Bakjak | Physiotherapy care to support sleep and breathing in neuromuscular disease | Innovative approaches to concussion assessment in youth and children | Enabling physical activity participation for people with a disability | Mastering return to sport rehabilitat for complex groin pain and lower-lir muscle injuries |
| | Carl Clarkson, Jane Rooney, Jenny Lucy | Georgie Davidson | Alison Slater | Robyn Brennen, Joelene Murdoch- Ward | Filip Maric, Rose Boucaut | Mark Hancock, Caitlin Farmer, Brigette Tampin | Learnings from highly successful clinics Paul Hedges | David Berlowitz, Nicole Sheers | Kathryn Schneider | Leanne Hassett, , Cathie Sherrington, Catherine Kirkham, Kerry West, Rae Anderson | Kristian Thorborg, Tania Pizzari, Stella Veith, Sam Pietsch |
| MORNING TEA RIV | ERBANK FOYER 5, 6, 7, & 8 10 | .00 am-10.30 am (AM AND FULI | L DAY WORKSHOPS ONLY) | | | | | | | | |
| Stream: | AM Half Day Acupuncture & Dry Needling | AM Half Day Mental Health | Full Day Animal | AM Half Day Women's & Men's Pelvic Health | AM Half Day Occupational Health | AM Half Day Advanced Practice / Musculoskeletal | Full Day Business | AM Half Day Neurology | AM Half Day Paediatric | AM Half Day Disability | Full Day Sports & Exercise |
| 10.30 am-12.30 pm | Evolve your clinical practice | Mindfulness in motion: A whole person approach to psychologically informed physiotherapy | The Anatomy and physiology of fascia: implications for assessment and treatment in human and animal manual therapy | Preparing for better birth: the pelvic floor and more | Sustainability in our own backyard | An evidenced based approach to the role of spinal imaging in contemporary musculoskeletal practice | From graduate to great: Practical strategies for guiding new graduate physio's growth and business success David Giles | Physiotherapy care to support sleep and breathing in neuromuscular disease | Innovative approaches to concussion assessment in youth and children | Enabling physical activity participation for people with a disability | Mastering return to sport rehabilitatic for complex groin pain and lower-lim muscle injuries |
| | Carl Clarkson, Jane Rooney, Jenny Lucy | Georgie Davidson | Alison Slater | Robyn Brennen, Joelene Murdoch- Ward | Filip Maric, Rose Boucaut | Mark Hancock, Caitlin Farmer, Brigette Tampin | Update on the minimum hourly rates project. Value what you do, if that's what you offer Antony Hirst | David Berlowitz, Nicole Sheers | Kathryn Schneider | Leanne Hassett, , Cathie Sherrington, Catherine Kirkham, Kerry West, Rae Anderson | Kristian Thorborg, Tania Pizzari, Stella Veith, Sam Pietsch |
| LUNCH RIVERBAN | IK FOYER 5, 6, 7, & 8 12.30 pm- | -1.15 pm (FULL DAY WORKSHO | PS ONLY) | l . | I. | l . | l . | l . | | | I. |
| Stream: | PM Half Day Cardiorespiratory | PM Haif Day Mental Health | Full Day Animal | PM Half Day Pain / WMPH | PM Half Day Occupational Health | | Full Day Business | PM Half Day Cancer, Palliative care and Lymphoedema | PM Half Day Gerontology | PM Half Day Disability | Full Day Sports & Exercise |
| 1.15 pm-2.45 pm | Elevate your impact: using innovations in HIIT and IMT to enhance your patients' functional performance | Physiotherapy as Lifestyle. The changing face of physical therapy | The Anatomy and physiology of fascia: implications for assessment and treatment in human and animal manual therapy | The BPS model-have we oversimplified the approach? Specialist pain clinicians deconstruct complex case studies | Determining job demands for effective manual tasks risk management and safe return to work. | | My story, thinking outside the norm for commercial success Shan Morrison | Low level laser therapy (Photobiomodulation) in cancer care: theory and practical applications | Hands-on at Home: Exercise, dementia strategies, and manual handling for working with frail older people at home | Ready-set-ride for freedom, function and fun | Mastering return to sport rehabilitation for complex groin pain and lower-lim muscle injuries |
| | Chris Burtin, Bernie Bissett | Jenny Brockis | Alison Slater | Peter Roberts, Michelle Wilson, Annie Hopkins, Jilly Bond, Tim Austin | Jenny Legge | | Elevating Healthcare: Al's journey from gadget to gamechanger Darren Ross | Roberta Chow, Joseph Ryan, Sharor Tilley, Ann Liebert, Liisa Laasko | Anne-Marie Hill, Taree Gibson, Cathy Senserrick, Jo-Aine Hang | Tracey Watters | Kristian Thorborg, Tania Pizzari, Stella Veith, Sam Pietsch |
| | | | | | | | Managing people with purpose Lisa Roach | | | | |
| AFTERNOON TEA | RIVERBANK FOYER 5, 6, 7, & 8 | 2.45 pm=3.15 pm (PM & FULL [| DAY WORKSHOPS ONLY) | I. | L | I. | I. | I. | | | I. |
| Stream: | PM Half Day Cardiorespiratory | PM Half Day Mental Health | Full Day Animal | PM Half Day Pain / WMPH | PM Half Day Occupational Health | | Full Day Business | PM Half Day Cancer,Palliative care and Lymphoedema | PM Half Day Gerontology | PM Half Day Disability | Full Day Sports & Exercise |
| 3.15 pm-5.15 pm | Elevate your impact: using innovations in HIIT and IMT to enhance your patients' functional performance | Physiotherapy as Lifestyle. The changing face of physical therapy | The Anatomy and physiology of fascia: implications for assessment and treatment in human and animal manual therapy | The BPS model-have we oversimplified the approach? Specialist pain clinicians deconstruct complex case studies | Determining job demands for effective manual tasks risk management and safe return to work. | | Global talent, local impact: The pros and cons of hiring overseas trained physiotherapists James Schomburgk | Low level laser therapy (Photobiomodulation) in cancer care: theory and practical applications | Hands-on at Home: Exercise, dementia strategies, and manual handling for working with frail older people at home | Ready-set-ride for freedom, function and fun | Mastering return to sport rehabilitatio for complex groin pain and lower-limi muscle injuries |
| | Chris Burtin, Bernie Bissett | Jenny Brockis | Alison Slater | Peter Roberts, Michelle Wilson, Annie Hopkins, Jilly Bond, Tim Austin | Jenny Legge | | The future of physiotherapy: profit, people and progress-panel discussion James Schomburgk, Antony Hirst, Michael Kenihan, Paul Hedges, Lisa Roach, Shan Morrison | Roberta Chow, Joseph Ryan, Sharor Tilley, Ann Liebert, Liisa Laasko | Anne-Marie Hill, Taree Gibson, Cathy Senserrick, Jo-Aine Hang | Tracey Watters | Kristian Thorborg, Tania Pizzari, Stella Veith, Sam Pietsch |
| | | | | | | | | | | | |

YOGA: 6.45–7.30 am | Foyer E 9 | WALK / RUN GROUP: 6.30–7.00 am | Visit the Social Page of APASC25 website for booking details

REGISTRATION | 8.00 am-5.30 pm

OPENING PLENARY | 9.00–10.30 am | Room: Halls C&D

| President's welcome | NTRY Major Moogy Sumner and conference opening LIENCE OPENING KEYNOTE SPE | AKEP: Anna Maaras OAM | | | | | | | | | | |
|--|--|--|--|---|---|--|--|--|--|--|--|--|
| | | | | | | | | | | | | |
| | XHIBITION: 10.30-11.00 am Hal SSION 1: 11.05 am-11.50 am | ls HJ | | | | | | | | | | |
| Stream: | Acupuncture & Dry Needling | Advanced Practice | Cardiorespiratory | Gerontology | Musculoskeletal | Neurology | Orthopaedic | Paediatric | Pain | Physiotherapy General | Sports & Exercise | Women's and Men's Pelvic Health |
| Room: | Rooms E2&E3 | Hall A | Hall B | Riverbank Room 6 | Riverbank Rooms 7&8 | Riverbank Rooms 2&3 | Riverbank Room 4 | Panorama Room 1&2 | Halls C&D | Panorama 3 | Riverbank Room 5 | Room E1 |
| Theme: | 1A: Acupuncture for pelvic health | 1B: Advanced care for low back pain | 1C: Innovations in physiotherapy practice | 1D: Physical activity | 1E: Implementing pathways of care for musculoskeletal disorders in primary care (Symposium) | 1F: Stroke and physical activity | 1G: Innovation in shoulder rehabilitation and service delivery | disability | Clinician training in person centred care and pain | 1J: Research methods and technological innovation | 1K: Musculotendinous injury assessment and rehabilitation | 1L: Antenatal physiotherapy |
| 11.05 am-11.20 am | International Keynote: Carl Clarkson | National Keynote Speaker: Mark Hancock | Speaker: Georgina Whish-Wilson | Speaker: Cathie Sherrington | Speaker: Kerrie Evans | Speaker: Natalie Fini | National Invited Speaker: Nadine Foster | National Invited Speaker: Noula Gibson | National Keynote Speaker: Helen Slater | Speaker: Joshua Zadro | National Invited Speaker: Sam Pietsch | National Invited Speaker: Joelene Murdoch-Ward |
| | Title: A physiotherapists secret weapon: Acupuncture & dry needing for pregnancy related pelvic girdle pain (PPGP) and over active bladder (OAB) | Title: What is required for advanced physiotherapy care of back pain, now and in the future? | Title: A theory driven exploration of participation in a home based lung cancer exercise clinical trial | Title: Supporting physiotherapists to help their patients be more active: The PROPOSE and PROMOTE-PA implementation-effectiveness trials | Title: Communication and trust: Foundations for effective care pathways for people with musculoskeletal conditions | Title: Are physiotherapists ready to lead in the delivery of World Stroke Organisation physical activity guidelines? | Title: Progressing the evidence base for rotator cuff rehabilitation | Title: From ideas to impact: Driving innovation in paediatric health and disability | Title: 'Listen to me, Learn from me': Person-centred pain management training | Title: How to search PEDro to answer clinical questions | Title: Lower limb muscular aponeurosis injuries-factors affecting return to play | Title: The pelvic floor and birth outcomes, should we care about length, strength, both, or neither? |
| 11.20 am-11.35 am | | | Speaker: Sarah Brown Title: Resource usage costs and greenhouse gas emissions of mHealti (m-PR) and centre-based pulmonary rehabilitation | Speaker: Jo-Aline Hang Title: Active ageing in older people living with chronic disease: Barriers and enablers to exercise | Speaker: Trudy Rebbeck Title: Adoption of a new PAthway of Carle for musculoskeletal (PACE-MSK conditions by primary healthcare clinicians and specialist physiotherapists in Australian primary care | Speaker: Christopher Mackay Title: Aerobic exercise positively effects brain derived neurotrophic factor in sub-acute stroke: A pilot RCT | | | | | | |
| 11.35 am-11.50 am | | | Speaker: Leonie Shaw Title: Fessibility of a physiotherapy perhabilitation services for patients undergraing head and neck reconstructive surgery | Speaker: Nurral Hamdani Title: Effectiveness of interventions using aduly trackers for increasing physical adulty; in older adults: Systematic review | Speaker: Robyn Fary Title: Speainist musculoskeletal care pathway for those is disk of poor outcomes. What do patients think? | Speaker: Sonia Cheng Title: Prospective associations of step count and intensity with risk of stoke in people with hypertension | Speaker: Anna Thomson Thite: Phen and posicyperative clinical outcomes in reverse shoulder arthroplasty placeties. Speaker: Rowena Charteris Title: Delivering fracture care in a wirtual setting, Aquitative study of clinic | | | Speaker: Wing Kwok Title: Comparative analysis of human and machine-learning approaches to identifying that in the field of physiotherapy | | |
| CONCURRENT SES | SSION 2: 11.55 am-12.40 pm | | | | | | | | | | | |
| Stream: | Aquatic | Cardiorespiratory | Disability | Gerontology | Mental Health | Musculoskeletal | Neurology | Neurology | Occupational Health | Paediatric | Sports & Exercise | Women's and Men's Pelvic Health |
| Room: | Riverbank Room 4 2A: Aquatic physiotherapy: Enabling | Hall A 2B: Inspiratory muscle training and | Room E1 2C: Foundations for all | Rooms E2&E3 2D: Exercise, falls and cognition | Riverbank Room 5 2E: Bridging the gap between physical | Halls C&D 2F: Manual therapy evidence | Panorama 3 2G: Gait/mobility | Riverbank Room 6 2H: Neurodegenerative conditions | Hall B 2I: The influencer | Riverbank Rooms 7&8 2J: Advancing paediatric | Riverbank Rooms 2&3 2K: Clinical trials in ACL injuries | Panorama Room 1&2 2L: Antenatal physiotherapy |
| | movement and rehabilitation | rapid fire updates in cardiorespiratory | | | | | | | | | | |
| | | physiotherapy | | | and mental health | | and the Manager of the Control of th | A service of the serv | | physiotherapy: Education and innovative care models | Australia Circles (Circles Circles Cir | (Symposium) |
| 11.55 am-12.10 pm | Speaker: Catherine Garland | | National Invited Speaker: Denise Luscombe | International Keynote Speaker: Teresa Lui-Ambrose | National Invited Speaker: Jenny Brockis | International Keynote Speaker: Chad Cook | Speaker: Maya G Pannisset | Speaker: Michele Callisaya | National Invited Speaker: Mary Wyatt | innovative care models | Speaker: Stephanie Filbay | (Symposium) Speaker: Hannah Graetz |
| 11.55 am-12.10 pm | Speaker: Catherine Garland Title: Aquatic Physiotherapy for older adults who are obese and admitted for inpatient rehabilitation: Case series | physiotherapy | National Invited Speaker: Denise Luscombe Title: National best practice framework for early childhood intervention: Development, tools and resources for physiotherapists | Teresa Lui-Ambrose | | International Keynote Speaker: Chad Cook THe: The current state of manual therapy science: What we know and what we don't | Speaker: Maya G Pannisset Title: Non-linear measures of mobility provide digital biomarkers of deep brain atrophy in mild multiple sclerosis | Speaker: Michele Callisaya Title: Building a successful Patkinsor's maste open online course: Uptake and knowledge change | National Invited Speaker: Mary Wyatt Title: Psychosocial triage and matched care: Postitioning physiotherapists as leaders in return-to-work planning | innovative care models Speaker: Nikki Milne | Speaker: Stephanie Filbay Title: Similar return-to-sport rates and activity levels following management with anterior cruciate iigament reconstruction versus rehabilitationalone | , |
| 11.55 am–12.10 pm 12.10 pm–12.25 pm | Title: Aquatic Physiotherapy for older adults who are obese and admitted for inpatient rehabilitation: Case series Speaker: Sophie Heywood Title: Barriers and enablers to aquatic | physiotherapy National Invited Speaker: Bernie Bissett Title: New insights into loading during inspiratory muscle training: | Luscombe Title: National best practice framework for early childhood intervention: Development, tools and resources for | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual therapy science: What we know and what we don't | Title: Non-linear measures of mobility provide digital biomarkers of deep brain atrophy in mild multiple sclerosis Speaker: Sabrina Hernandez Title: Early mobilisation in patients with | Title: Building a successful Parkinson's massive open online course: Uptake and knowledge change Speaker: Cassandra Wong Title: Access to allied health: | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovative care models Speaker: Nikki Milne Title: Curriculum for paediatric physiotherapy professional entry-level education: An international delphi | Title: Similar return-to-sport rates and activity levels following management with anterior cruciate ligament reconstruction versus rehabilitation- | Speaker: Hannah Graetz Title: Implementation and effectiveness of a virtual group pelvic floor muscle training program in |
| | Title: Aquatic Physiotherapy for older adults who are obese and admitted for inpatient rehabilitation: Case series Speaker: Sophie Heywood Title: Barriers and enables to aquatic exercise for people with chronic exercise for people with chronic systematic review people of the peopl | physiotherapy National Invited Speaker: Bernie Bissett Title: New insights into loading during inspiratory muscle training: | Luscombe Title: National best practice framework for early childhood intervention: Development, tools and resources for | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual strengy science: What we know and what we don't. | Title: Non-linear measures of mobility provide digital biomarkers of deep brain attophy in mild multiple sclerosis Speaker: Sabrina Hernander. Title: Early mobilisation in patients with absorptional part of the acute and internative care settings. Speaker, Moira Smith Title: Stiple Provide: Exporting the settings. | Title: Bullding a successful Parkinsori's massive open online course: Uptake and knowledge change Speaker: Cassandra Wong Titles Access to allied health: prespective of physicians, Parkinson's nurses and people with Parkinson's disease. | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innorative care models Speaker: Nikki Milme Title: Curriculum for paediatric physiotherapy professional entry-level education. An international delphi survey of expert physiotherapiats Speaker: Leanne Johnston Title: An advanced practice Title: An advanced practice besichteranyels model of care is | Title: Similar return-to-sport rates and activity levels following management with anterior cruciate ligament reconstruction versus rehabilitation- alone | Speaker: Hannah Graetz Title: Implementation and effectiveness of a virtual group pelvic floor muscle training program in antenatal care |
| | Title: Aquatic Physiotherapy for older adults who are obese and admitted for inpatient rehabilitation: Case series Speaker: Sophie Heywood Title: Barriers and enablers to aquatic exercise for people with chronic muscaloskeldati conditions: A systematic review. Speaker shade Huff Title: Aquatic Herrapy for addesscents | physiotherapy National Invited Speaker: Bernie Bissett Title: New insights into loading during inspiratory muscle training: | Luscombe Title: National best practice framework for early childhood intervention: Development, tools and resources for | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual strengy science: What we know and what we don't. | Title: Non-linear measures of mobility provide digital biomarkers of deep brain attophy in mild multiple sclerosis Speaker: Sabrina Hernandez Title: Early mobilisation in patients with aneurysmal subranchroid haemonthage in the acute and intentive care selferative care self-care | Title: Building a successful Parkinson's massive open online course: Uptake and knowledge change Speaker: Cassandra Wong Title: Access to allied health: perspective of physicians. Parkinson's nurses and popels with Parkinson's disease | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovative care models Speaker: Nikki Milne Title: Curriculum for paediatric physiotherapy present adepth survey of expect physiotherapy size Speaker: Learner Johnston Title: An advanced practice physiotherapy-lear model of care is acconcisible for managin children with | Title: Similar return-to-sport rates and activity levels following management with arterior cruciate isgament reconstruction versus rehabitationatione Speaker: Adam Culvenor Title: Physiotherapished treatment to reduce the burden of post-faurantic meeting the same calconditions. The SUPER-Riches | Speaker: Hannah Graetz Title: Implementation and effectiveness of a virtual group pelvic floor muscle training program in anteriatid care Speaker: Sky Holland Title: Inconfinence after childbirth: The impact of EMBCDY on |
| | Title: Aqualic Physiotherapy for older adults who are obese and admitted for inpatient inchabilitation. Case series Speakers: Sophie Heymood Title: Bastiers and enablests to aquasic sercicles for people with chronic musculoakeletal conditions: A systematic review Speaker: Issaich Huff Title: Aqualic therapy for adolescents methods scoping review. Speaker: Cably Bestiment Title: Aqualic therapy for adolescents methods scoping review. | physiotherapy National Invited Speaker: Bernie Bissett Title: New insights into loading during inspiratory muscle training: | Luscombe Title: National best practice framework for early childhood intervention: or early childhood intervention: physiotherapists and resources for physiotherapists Speaker: Carrie Taylor Title: Designing neurohype inclusive | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual thesety science: What we know and what we don't. | Title: Non-linear measures of mobility provide signat biomanders of deep train adopty in mild multiple sciences. Speaker: Sabrina Hernander. Title: Easty mobilitation in patients with aneutymal subarachmol hemonitage in the acute and internoise care settings. Speaker: Liefu Sabrina | Title: Building a successful Parknown's massive open online Courset, lipiate and browledge change Speaker: Cassands Worn, Title: Access to allied health; pengedive of physicians, Parkinson's deasest of the Course | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovative care models Speaker: Nikki Milne Title: Curriculum for paediatric physiotherapy present adepth survey of expect physiotherapy size Speaker: Learner Johnston Title: An advanced practice physiotherapy-lear model of care is acconcisible for managin children with | Title: Similar return-to-aport rates and activity levels following management reconstruction versus rehabilitational reconstruction versus rehabilitational returns returned to the result of the resu | Speaker: Harnah Craetz Tale: Implementation and diffectiveness of a virtual group perior and adjectiveness of a virtual group perior and treatment of the period of the perio |
| 12.10 pm-12.25 pm | Title: Aqualic Physiotherapy for older adults who are obese and admitted for inpatient inchabilitation. Case series Speakers: Sophie Heymood Title: Bastiers and enablests to aquasic sercicles for people with chronic musculoakeletal conditions: A systematic review Speaker: Issaich Huff Title: Aqualic therapy for adolescents methods scoping review. Speaker: Cably Bestiment Title: Aqualic therapy for adolescents methods scoping review. | Instance of the control of the contr | Luscombe Title: National best practice framework Overlopment, tools and resources for physiotherapists Speaker: Carrie Taylor | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual therety science: What we know and what we don't. | Title. Near-times in reasource of mobility broade signal floranstems of deep lystematic signal floranstems of deep lystematic signal floranstems. Speaker: Sabrina Hernandez Title: Early mobilities in patients with haemonthage in the acute and intentive care settled and intentive care settled signal floranstems. Speaker: Moria Smith Speaker: Moria Smith Speaker signal florans of florans with multiple suferosis. A qualitative study Speaker: Star Issak. Speaker: Star Issak. | Title: Building a successful Paukseon's massive open online course; clipate and knowledge change Course; clipate and knowledge change Titles. Access to laide health; perspective of physicians. Paulison's runness and popels with Partitiones of Speaker; Flour Terrens Title: Epioleng sexually, intimacy and Title: Epioleng sexually, intimacy and Title: Epioleng personal partners. Speaker, Daniel Cheung Titles. Key components for safer mobility behaviour assessment and intervention for people with Parkinson's disease. Speaker: Annita Hidebrandt | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovaline care models Speaker Nikki Milne Title: Curriculus for paediatric physiotherapy professional entry-level survey of expert physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists specialle for managing children with onthing periodic physiotherapists Speaker: Margarita Tistros Title: Q & A development of paediatric | Title: Similar return-to-sport rates and activity levels following management activity levels following management reconstruction versus rehabilitationsione Speaker: Adam Culvenor Title: Physiotherapist-led treatment to reduce the burder of opst-fraumatic knee calecoarterists. The SUPER-Knee rendemined contentied fail | Speaker Harnah Craetz Tide: Implementation and Tide: Implementation and paties from muscle training program in antenatic straining program in antenatic st |
| 12.10 pm-12.25 pm | Title: Aqualic Physiotherapy for older adults who are obese and admitted for inpatient inchabilitation. Case series Speakers: Sophie Heymood Title: Bastiers and enablests to aquasic sercicles for people with chronic musculoakeletal conditions: A systematic review Speaker: Issaich Huff Title: Aqualic therapy for adolescents methods scoping review. Speaker: Cably Bestiment Title: Aqualic therapy for adolescents methods scoping review. | spinyadoriezy Mattoral Invited Speaker: Bernie Bissell Bissell Title: New neights into beding during Internier mention in the complex patients Internier mention in the complex patients Internier mention in the complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people with Patientson's desess on suspraton Speaker: Tanya Painer Golding in the complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people with Patientson's desess on suspraton Speaker: Allians De Mendoncs Title: Exploring perceptions of people with Patientson's desess on suspraton Speaker: Allians De Mendoncs Title: Exploring perceptions of people with Patientson's desess on suspraton Complex patients of the complex perceptions of people with Patientson's desess on suspraton Complex patients of the complex perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Complex patients Speaker: Allians De Mendoncs Title: Exploring perceptions of people Speaker: Allians De Mendoncs Title: Exploring perceptions of people Speaker: Allians De Mendoncs Title: Exploring perceptions of people Speaker: Allians De Mendoncs Tit | Luscombe Title: National best practice framework for early childhood intervention: or early childhood intervention: physiotherapists and resources for physiotherapists Speaker: Carrie Taylor Title: Designing neurohype inclusive | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual therapy science: What we know and what we don't. | Title: Non-linear measures of mobility provide rigidal biomanters of deep train analysis in the mobility provide rigidal biomanters of deep train analysis in the mobility of | Title: Building a successful Parknown's massive open online Courset, lipiate and browledge change Speaker: Cassands Worn, Title: Access to allied health; pengedive of physicians, Parkinson's deasest of the Course | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovaline care models Speaker Nikki Milne Title: Curriculus for paediatric physiotherapy professional entry-level survey of expert physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists specialle for managing children with onthing periodic physiotherapists Speaker: Margarita Tistros Title: Q & A development of paediatric | Title: Similar return-to-sport rates and safety leads of the safet | Speaker Hervah Creetz Title: Implementation and Title: Implementation Title: Implementation The Implementation Title: Calculating the resilvential Title: C |
| 12.10 pm-12.25 pm 12.25 pm -12.40 pm | Title: Aqualic Physiotherapy for older adults who are obese and admitted for inpatient inchabilitation. Case series Speakers: Sophie Heymood Title: Bastiers and enablests to aquasic sercicles for people with chronic musculoakeletal conditions: A systematic review Speaker: Issaich Huff Title: Aqualic therapy for adolescents methods scoping review. Speaker: Cably Bestiment Title: Aqualic therapy for adolescents methods scoping review. | Astional Invited Speaker: Bernie Bissell Bissell Title: New insights into loading during implications for training weak and complex patients Speaker: Juliana De Mondona Speaker: Tanya Palmer Title: Comparison of two fine-directal clinical coercise tests to measure acerticant Speaker: Meredith King speaker: | Luscombe Title: National best practice frameword Title: National best practice frameword Coelegement, tools and resources for physiotherapists Speaker: Carrie Taylor Title: Designing neurobye inclusive physiotherapy communication: An actoduction to universal design | Title: Think fast, fall less: Targeting cognitive and brain outcomes to | National Invited Speaker: Jenny Brockis Title: Bridding the gap between | International Keynote Speaker: Chad Cook Title: The current state of manual therapy science: What we know and what we don't. | Title: Non-linear measures of mobility proble deals like mile and the mobility proble deals like the mobility proble deals like the mobility of the mobility o | Title: Building a successful Parknown's massive open online Courset, lipiate and browledge change Speaker: Cassands Worn, Title: Access to allied health; pengedive of physicians, Parkinson's deasest of the Course | Title: Psychosocial triage and matched care: Positioning physiotherapists as | innovaline care models Speaker Nikki Milne Title: Curriculus for paediatric physiotherapy professional entry-level survey of expert physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists Speaker: Learne Johnston Title: An advanced practice physiotherapists specialle for managing children with onthing periodic physiotherapists Speaker: Margarita Tistros Title: Q & A development of paediatric | Title: Similar return-to-sport rates and safety leads of the safet | Speaker Hervah Creetz Title: Implementation and Title: Implementation Title: Implementation The Implementation Title: Calculating the resilvential Title: C |
