Buro Polo Stool

A height-adjustable stool that promotes 'active sitting', encouraging ongoing movement and postural change.

Features include:

- 360° seat tilt, promotes 'active sitting'
- Castors or glides (both included)
- Height adjustable black powder coated foot ring

Endorsed by:

**Buro is a leading
wholesaler of quality
ergonomic seating
across Australasia.**

With over 30 years of experience designing, manufacturing, and wholesaling commercial seating, we've developed a deep understanding of what makes a truly great chair.

At Buro, we're obsessed with posture and biomechanics and how a chair should care for any body that chooses to sit on it.

That's why, with ergonomics at the heart of our design and technology, you can trust Buro chairs to have your back.
