QTeachers - Kerry Scarth & Jill Lennox-Kelly (ITB)

QTeachers is the department's innovative classroom management app, built by teachers for teachers. The app aims to reduce teacher workload by providing secure, direct access to important school and student information, both in and out of the classroom. Available for free on all department-owned IOS, Android and Windows devices, QTeachers offers real-time online and offline access to timetables, roll marking, staff and student profiles, playground duties and classroom supervisions.

Be Interactive – Hands on Space
