

Itchy Scratchy Bitey Balm

Get Relief from Insect Bites and Stings

Itchy Scratchy Bitey Balm is a soothing balm that relieves itching, burning and inflammation caused from mosquito, midge, flea, horse fly, march fly, green ant, paper wasp and many more insect bites and stings.... even a case of stinging nettle!

Australian made, it is a **100% natural product made** from the best ingredients including Cocoa Butter, Calendula infused Olive oil, Beeswax, Frankincense Essential oil and Vitamin E.

The key ingredient, **Calendula**, is widely known for its healing properties and its ability to assist with the reduction of **inflammation**, subsequently aiding the healing process.
