There's now a smarter way.

MedView

Digital Basket Technology

Smart baskets. Faster scripts. Happier customers.

Patient orders script with pharmacy → Digital basket receives → Patient collects with SMS QR code

Join the smart basket revolution with industry-first technology that transforms the way you handle scripts. MedView Flow Digital Baskets provide faster, safer, and easier script service for you and your customers. Switch to a smarter pharmacy solution with MedView Flow Digital Baskets today.

Think outside the basket.
