

## Heritage and experience to help build your business

With heritage and experience that spans more than 110 years, Sigma Healthcare is a leading Australian retail pharmacy franchisor and a full-line pharmaceutical wholesaler and distributor delivering high-quality healthcare products and services to community pharmacies.

We proudly support Australia's largest retail franchised pharmacy network with over 880 franchised pharmacies across brands with complementary market facing propositions including Amcal, Chemist Warehouse, Discount Drug Stores, and My Chemist as well as the Ultra Beauty retail beauty offering and an independent solution, PriceSave.

Through our extensive national distribution network, we deliver prescription, front-of-shop and over-the-counter products to around 3,500 pharmacy customers. We also offer comprehensive 3PL solutions for customers in the pharmaceutical, medical consumables and fast-moving consumer goods sectors. Additionally, we provide leading dose administration aid solutions and related services through MPS Connect.
