GOOD SUPPLY

Good Supply delivers consistent and reliable quality that's accessible to those who need it. The brand is one of Canada's leading cannabis brands and is recognised as the #1 in whole flower with its range of classic cultivars, and also offers patients a wide variety of innovative formats.

AFFORDABLE QUALITY WITH GOOD SUPPLY

GORILLA GLUE

18% THC | INDICA HYBRID

Available in 15g bags

Gorilla Glue is a cultivar that offers balanced effects and may be suitable for new and experienced patients.

Grown indoors in Portugal, this EU-GMP certified product is designed for price-conscious patients without compromising on quality.

AVAILABLE THROUGH TILRAY DIRECT

To place your orders directly with Tilray, visit shop.tilray.com.au. FREE fast delivery included.

Founded in 2013 on the pristine coast of Vancouver Island, Broken Coast is renowned for its premium dried flower and unique genetics. With master grower, Kevin Anderson at the helm, all cannabis is grown in small batches in cultivar-specific rooms under optimised conditions. It's then hand-trimmed with attention to detail, and naturally slow cured to set a new benchmark for premium craft cannabis.

Born from a rich heritage of legacy growing practices passed down through decades, Redecan is a brand built on trust, quality, and optimised genetics. The journey began in the fertile soils of Canada's Niagara region, where master grower, Gillian Limebee, a pioneer in the industry, continues the tradition of excellence with personal attention to every plant.
