

legalsuper insurance

legalsuper was awarded SuperRatings' 2025 Default Insurance Offering.

Acknowledging the alignment of our services to the legal community, as well as the value of our cover and exceptional service provided.

Helping legal professionals prosper for over 30 years

Since 1989 we have delivered customised, high-performing superannuation solutions for the legal industry. Members trust us to act in their best financial interests. We manage their super with the same exceptional level of knowledge they bring to their work in law.

Strong long-term performance

We have a track record of award-winning strong returns for our members.

Our MySuper Balanced investment option has consistently outperformed the average super fund* over the last ten years.

We're an industry fund. So all profits go to members via net investment returns. Our fee structure is competitive and transparent.

Personalised support

We offer a range of service options, so you can access advice, knowledge and assistance when you need it.

We can give you the support you need to make informed choices with confidence.

For in-depth assistance our national Member Service team is available to meet in person or over the phone/zoom to discuss your needs and offer general advice.

Tailored insurance for the legal industry

This means you can choose the right level of cover to protect yourself and your loved ones in the event things don't go to plan.

legalsuper cover extends to those working longer in their career, reflective of those in the legal profession.

Industry fund supporting community

Our partnerships with law societies and organisations provide tangible benefits for members, while promoting professional development nationwide.

We prioritise legal community well-being through tailored mental health first aid training and support law students' career preparation through partnerships with influential organisations.

Our team

The legalsuper Board, our Executive Managers and Client Service team are well respected for their dedication to the legal community.

They are all committed to the delivery of exceptional member service. They operate with honesty, openness, and unwavering ethical standards in the pursuit of that goal.

Support, advice and education

We offer a range of options, so you can access advice, knowledge, and assistance when it matters:

1. Webinars and Workplace Education

Our free webinars cover a range of topics and can help you learn about super, financial wellness and retirement planning. We also provide workplace webinars and seminars for Employers. We can tailor our workplace education to meet the needs of your staff or team.

2. Online Advice

Our Adviser Online tool can help you budget, set income goals, and provide a plan to maximise your super to savings and achieve a comfortable retirement.

3. In-person and online support

For in-depth assistance our national Member Service team is available to meet in person or online to discuss your needs and offer general advice.
