## Court eFiling

We're the trusted provider of eFiling solutions for Queensland and Victoria. Our eFiling systems allow authorised parties to:

- ▶ eFile more than 90 initiating or additional civil documents, including: Subpoenas, Writs and Notices of Appearance with the **County Court of Victoria**
- ▶ eFile Claims, Requests for Default Judgment and Applications for Enforcement Hearing Summons with the **Queensland Magistrates Court**
- ▶ eFile Minor Civil Disputes and Requests for Decisions by Default to any **Queensland Civil and Administrative Tribunal (QCAT)** location.

## Company and personal reports

We provide access to a wide range of corporate and individual search solutions designed to assist you in making informed business decisions, including:

- ▶ Live company and business name information from the Australian Securities and Investments Commission (ASIC)
- ▶ Real-time access to personal insolvency information on individuals via the Bankruptcy Register Search
- ▶ Real-time access to the Personal Property Securities Register (PPSR) to search for, register and manage security interests against commercial or consumer collateral, including vehicles, copyright material, financial and intellectual property.

## Police reports

We're also the trusted provider of sensitive crime and traffic information, accessible via our secure connections to several restricted databases:

- ▶ **Queensland traffic incident reports**  
Detailed information about Queensland traffic incidents, sourced directly from the Queensland Police Service
- ▶ **Queensland property crime reports**  
An online service for retrieving property crime reports, creating property item subrogations and interests, and receiving notification of recovered property.

## Land information and conveyancing

We provide a comprehensive suite of land information products for all Australian states and territories, including:

- ▶ National land titles and a range of related information such as plans, dealings and instruments
- ▶ National Settlement Services such as stamping, registration and online settlements via PEXA
- ▶ A full range of manual services such as lodgements, manual searching and court filing available across Australia
- ▶ Property certificates from all local and state government authorities and utility providers in Victoria, New South Wales and Queensland
- ▶ Other property information products such as land tax certificates, contaminated land searches and telco cable searches.

## Vehicle owners and encumbrances

We also provide access to vehicle, boat and outboard motor information, such as:

- ▶ Nationally recognised certificates detailing encumbrances over vehicles, boats and outboard motors via our PPSR system
- ▶ Up-to-date and point-in-time information on motor vehicles, marine vessels, caravans and trailers via the Queensland Motor Vehicle Register (QMVR).

## Integration options
