RACP Aotearoa New Zealand Trainees' Day

Saturday, 1 April 2023 • The Millennium Hotel, Rotorua

Dr Tom Wilkinson

Canterbury District Health Board Advanced Trainee - Adult Medicine

CoChair AoNZ Trainees' Committee

I'm an Advanced Trainee in Endocrinology / General and Acute Care Medicine, currently based in Otautahi Christchurch. I've been a member of the Aotearoa NZ Trainees' Committee for the last two years and it's a privilege to now take on the role of co-chair (Adult Medicine).

I firmly believe that the Trainees' Committee has an important role in improving the training experience for all trainees, by affirming and supporting things the College is doing well, providing a necessary perspective to identify things that could improve, and organising events such as the annual Trainees' Day that directly boost trainee wellbeing and collegiality.

Outside of work I enjoy landscape photography and music and help to organise the annual New Zealand Doctors' Orchestra. I'm also getting very excited about the ski season being just around the corner!
