

Dr Wayne De Beer
Waikato District Health Board
Specialist Psychiatry

Dr Wayne de Beer is a consultant psychiatrist who has worked at the Waikato District Health Board, Hamilton since 1994. Following completion of specialist training, he has predominantly worked in the sections of Old Age, Adult Community and Addiction psychiatry. He is currently working part-time in Consultation-Liaison psychiatry service (and includes a weekly session in the Pain Clinic at the DHB). He also holds an honorary lectureship with the Auckland University and is currently the Clinical Training Director for the Waikato DHB (that focuses on post-graduate, prevocational medical education and training). Dr de Beer is involved in a number of College activities (RANZCP); including the Education Committee and is Chair of the CPD committee of the College. His primary interest remains in medical education, particularly workplace training and completed a Master's degree in Clinical Education.
