

RANZCOG 2026 Regional Symposium

Call for Abstracts

Abstracts are invited for Free Communication (Oral), Static Poster and ePoster presentations for the Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG) 2026 Regional Symposium being held from 21-23 August 2026 at The Vines Resort, Western Australia.

Abstracts are welcome on any of the areas of interest listed below; however, papers must not have been published elsewhere prior to being presented at the 2026 Regional Symposium.

The deadline for abstract submission is Friday, 12 June 2026 at 5pm AEDT.

Abstracts will be reviewed by the 2026 Regional Symposium review panel and will be selected using criteria such as:

- Content: How does the abstract relate to the wider context of the O&G specialty
- Abstract Design: is the design appropriate for the aims of the abstract
- Scientific Rigour: Does the abstract meet and exceed the threshold of scientific rigour
- Written Quality: Is the abstract well written and easily understood
- Originality: Is the abstract original in its idea
- Delegate Engagement: Will it encourage discussion amongst delegates

All papers **must** be submitted by the presenting author. All correspondence will be sent to the submitting author by email.

Please note: Changes to the presenting author are **not** permitted, with the exception of special circumstances, which must be submitted in writing and will be considered at the discretion of the Working Group Chair.

Only **one** author per abstract can be nominated as the 'presenting author'. Please note that all accepted presenters on the program must register for the meeting and pay the appropriate registration fee by the early bird deadline. It will be assumed any presenter not registered by this date has forfeited their place and withdrawn their abstract from the program.

Abstracts may be submitted in the following areas of interest:

- General Gynaecology
- General Obstetrics
- Gynaecological Oncology
- Maternal Fetal Medicine
- Obstetrical and Gynaecological Ultrasound
- Reproductive Endocrinology and Infertility
- Urogynaecology
- Women's Mental Health and Wellbeing

PREPARATION GUIDELINES

1. **Length:** The maximum of the main body of the abstract should be 250 words (i.e. excluding title, authors, and institutions).
2. **Title:** The abstract title should reflect the main content and nature of the abstract; do not use abbreviations within the title. The word limit for abstract titles is 25 words.
3. **Structure:** Abstracts must be structured using the following format; any abstracts not following the correct structure may not be accepted.
 - a. **Structure of abstract for original research / systematic reviews**
 - i. Introduction
 - ii. Aims
 - iii. Methods
 - iv. Results
 - v. Discussion
 - b. **Structure of abstract for case studies**
 - i. Background
 - ii. Aims
 - iii. Case
 - iv. Results
 - v. Discussion
4. **Spelling and Grammar:** All abstracts should be written in English and thoroughly checked for spelling and grammar before submission. Use standard abbreviations only; place any unusual abbreviations in brackets after the word first appears within the body of the abstract, abbreviations may be used thereafter.
5. **Layout and Format:**
 - a. Each abstract must be prepared in **Microsoft Word. No other formats will be accepted. If you submit in another format, your abstract will be rejected.**
 - b. The title of the abstract should be written in title case.
 - c. **As abstracts are anonymously reviewed, please DO NOT include authors and affiliations in the abstract document itself. You can enter these details into the relevant fields within the online abstract submission portal.**
 - d. Please refrain from using printed enhancements such as italics, underlining, bold text etc. Italics may be used for non-English words or scientific names where necessary.
 - e. Figures, tables, charts, and graphs are not permitted in the initial abstract submission.
 - f. Please ensure results are detailed within the abstract (abstracts must not state 'results will be presented at the meeting') and appropriate statistical tests have been used and reported. Abstracts presented without results will not be accepted.
 - g. Sources of funding should be indicated at the bottom of the abstract, as applicable.
 - h. Use generic names of drugs, where applicable.

- i. References should be avoided or, if essential, should be kept to a minimum and presented in Vancouver (numbered) style. Note that all references will be included in the maximum abstract length (250 word total).
- j. Please note that abstracts may be re-formatted and edited for publication in the program handbook and associated materials.

6. Changes to Final Abstract

Any necessary changes to your abstract must be made by the final submission date. No edits or modifications can be accepted after the submission deadline.

SUBMISSION GUIDELINES

All abstracts must be submitted electronically via the online *Abstract Submission Portal* by the presenting author.

Authors wishing to submit more than one abstract may do so by clicking 'New Abstract' in the Presenter Portal. Please avoid submission of several abstracts generated from the same study.

- Only one author per abstract can be nominated as the 'presenting author.' If you are the presenting author and do not register for the 2026 Regional Symposium, you will be deemed to have withdrawn from the program. Authorship is not transferrable to another person.
- All submissions must be accompanied by a maximum 80-word biographical paragraph of the presenting author. Biographical details will be used by the session Chair for introductions purposes and may also be published in 2026 Regional Symposium literature and on the conference app.
- Submission of abstracts constitutes the author's agreement to allow RANZCOG to publish the abstract in the 2026 Regional Symposium handbook and other RANZCOG literature as applicable.
- Abstracts accepted for Free Communication and Poster presentations may be provided upon request to media outlets promoting a specific presentation. Please note that submission of abstracts constitutes the author's consent to this distribution.
- If a study has been presented elsewhere before the 2026 Regional Symposium, it is not eligible for submission as an abstract.

GENERAL GUIDELINES

Please note that all accepted presenters on the program must register for the 2026 Regional Symposium and pay the appropriate registration fee by Friday, 3 July 2026.

Please ensure the following required information is available before beginning the online abstract submission process:

- Your contact details.
- The title of your abstract.
- Name and organisation of your co-author/s, if applicable.
- Your (the presenting author's) brief biography (maximum 80 words). Biographies are to be written in full sentences (not dot points) and in **third** person.
- Your abstract prepared in the format specified under *Abstract Preparation Guidelines*. Failure to meet the specified deadlines or guidelines may result in exclusion from the program.

Submission of your abstract/s constitutes confirmation that you have read, understood, and agree to comply with the *Presenter Terms and Conditions*. These are available to view within the Abstract Submission Portal (online submission facility) at the time of submitting your abstract.

DOUBLE CHECK YOUR SUBMISSION

Once your submission is uploaded correctly, you will receive a confirmation email. If you do not receive this email, your abstract has not been uploaded correctly. The abstract will be found under the 'Edit Abstract' tab and you will need to submit it correctly.

If you have any concerns, please contact the meeting Secretariat by email at events@ranzcoг.edu.au

ACCEPTANCE NOTIFICATION

Acceptance or otherwise is at the sole discretion of the 2026 Regional Working Group. Notification will be sent to the presenting author by Tuesday, 23 June 2026. Full instructions for accepted presenters will be forwarded upon acceptance of the abstract.
