Invitation to sponsor and exhibit

Welcome!

It with pleasure that the Royal Australian and New Zealand College of Obstetricians and Gynaecologists (RANZCOG) invite your organisation to partner with us at our upcoming WA/SA/NT State and Territory Scientific Meeting.

The provision of current, topical education is at the forefront of what RANZCOG provides to its Fellows, Trainees and Diplomates. The State and Territory Scientific Meetings, in particular, are locally convened education sessions that respond to state based contexts and promote excellence in women's health through a series of lectures, presentations, workshops and product exhibitions.

In 2020, the RANZCOG WA/SA/NT State and Territory Scientific Meeting, will be held in sunny Western Australia at the beautiful The Vines Resort, Swan Valley.

The RANZCOG WA/SA/NT State and Territory Scientific Meeting provides an opportunity for specialist practitioners to discuss and debate obstetric and gynaecological issues and learn of the newest developments within their field. It will also provide you, as a supplier to this specialist group, the opportunity to meet with practitioners and decision makers and provide, in a conducive environment, information on how you can assist their practice with your goods and/or services.

On the following pages are the opportunities to be involved and we welcome your engagement at our event.
