### Workshop Summary

This one-day workshop, facilitated by RANZCOG staff, is for new and experienced training supervisors. Whilst focussing on the RANZCOG program, training supervisors of specialist international medical graduates (SIMGs), subspecialists, DRANZCOG and DRANZCOG Advanced are welcome to attend.

This engaging workshop includes discussion, group activities and ample time to interact with supervisor colleagues.

### Program Outline

The workshop focuses on:

- The roles and responsibilities of Training Supervisors
- Update on the RANZCOG program
- Giving constructive feedback
- Helping under-performing trainees
- Trainee and supervisor wellbeing
