Adelaide, South Australia

Shaping the Future of Head and Neck Cancer Treatment

COMPANY INVITATION

Dear Sponsors,

We are very excited to invite you to support the 26th Australian and New Zealand Head and Neck Cancer Society's Annual Scientific Meeting (ASM) to be held at the Adelaide Convention Centre from Friday 29 to Sunday 31 August 2025.

The theme of the ANZHNCS ASM 2025 is ***"Shaping the Future of Head and Neck Cancer Treatment"***.

Head and neck cancer has significant patient morbidity and mortality requiring complex multi-disciplinary care. This was the impetus for forming our society back in 1998 with the goal of promoting quality care for all head and neck cancer patients. The ASM brings together people from Australia, New Zealand and beyond to share our passion and expertise with the latest advances in treatment of this terrible cancer. This is an exciting time for our patients with the emergence of new therapies such as immunotherapy, FLASH radiotherapy, de-escalation trials, new surgical technologies, and recognition of the importance of survivorship, improving surveillance, providing best supportive care, and improving the quality of life for our patients.

Your valuable support helps us to provide this important educational event for our society. The ASM attracts 300+ attendees comprised of ENT surgeons, general surgeons, oral and maxillofacial surgeons, plastic and reconstructive surgeons involved in head and neck, medical oncologists, surgical oncologists including endocrine surgeons, radiation oncologists, anatomical pathologists, radiologists, speech pathologists, nurses, dietitians, psychologists, dental specialists, physiotherapists, anaplastologists, all trainees, medical students and other health professionals. We gain a lot from learning about your latest products and services which is useful in treating head and neck cancer patients.

The Adelaide ASM will include pre-meeting workshops on Thursday 28 August 2025, including a Multi-disciplinary Supportive Care and Survivorship Workshop, convened by Dr Lee Pryor and Tracey Nicholls in conjunction with keynote speaker Professor Jo Patterson, and an exciting opportunity for a tour of the new Australian Bragg Centre for Proton Therapy and Research organised by A/Prof Hien Le.

We have an exciting line up of invited keynote speakers who will share their expert knowledge and experience with us in Adelaide.

Professor Alexander Lin is the Morton M. Kligerman MD Endowed Professor and Vice Chair of Faculty Affairs in the Department of Radiation Oncology at the University of Pennsylvania.

Professor Joanne Patterson is the Chair of Speech & Language Therapy and Associate Dean for Research at the School of AHP and Nursing, University of Liverpool, UK.

Professor Vincent Vander Poorten is Professor of Otolaryngology Head and Neck Surgery and Section Head and Neck Oncologist at the University of Leuven.

Professor Danny Rischin is a medical oncologist/clinician researcher at the Peter MacCallum Cancer Centre and Professorial Fellow, Sir Peter MacCallum Department of Oncology, University of Melbourne.

The following sessions and debates at the ASM will inform and stimulate discussion for us: Shaping the future of head and neck cancer treatment, Latest on OPSCC management, Advanced skin cancers, Skull base cancers, The importance of prehabilitation and nutrition in outcomes of head and neck cancer, Changing treatment paradigms in head and neck cancer, Australian cancer nursing navigators and telehealth support, Oral cancer in the non smoking non drinking young patient, Managing recurrent and locally advanced cancers, The unknown head and neck primary, Management of head and neck cancer treatment related morbidity: Dental and facial, Does AI have a role in head and neck cancer management?, Psychosocial and financial impacts of head and neck cancer, Treatment de-escalation: Where are we at?, Putting the patient back together again and The changing face of surveillance. The final session on Sunday will be a highlight and not to be missed, as our keynote speakers address the "Future directions in the treatment of head and neck cancer".

The success of the meeting is enhanced by your sponsorship. We have a range of sponsorship options available in this prospectus to suit your budget and needs.

I thank you once again for your kind consideration in supporting the ANZHNCS ASM 2025, Adelaide.

Best wishes,

Professor Eng Ooi

Shaping the Future of Head and Neck Cancer Treatment

INVITED SPEAKERS

International Keynote Speakers

Professor Alexander Lin – United States

Professor Alexander Lin is the Morton M. Kligerman, MD Endowed Professor of Radiation Oncology, and the Vice Chair of Faculty Affairs at the University of Pennsylvania. Dr Lin leads research programs in personalised approaches in the multidisciplinary treatment of head and neck cancer. Dr Lin leads studies in novel methods of toxicity mitigation in patients with Human Papillomavirus (HPV)-associated cancers of the oropharynx. He also specialises in clinical trials investigating new radiosensitising agents targeting the tumor microenvironment to improve disease outcomes, and in ultra-high dose rate radiotherapy (FLASH), for which he receives funding from the National Cancer Institute (NCI) and National Institutes of Health (NIH).

Dr Lin completed his undergraduate studies at Yale University and his medical and residency training at the University of Michigan prior to joining the faculty at the University of Pennsylvania.

Professor Joanne Patterson – United Kingdom

Professor Jo Patterson is the Chair of Speech & Language Therapy and Associate Dean for Research at School of AHP and Nursing, University of Liverpool, UK.

Jo leads the Survivorship theme for the Liverpool Head and Neck Centre, host to national, and international clinicians and academics, from pre-doctoral to early career researchers, supported by senior academics and the Patient Research Forum. The research programme includes holistic prehabilitation, enhanced recovery, psychosocial adjustment and support models, outcome measure development and novel swallowing intervention development. Jo is a Fellow and Professional Advisor for RCSLT; is the SLT representative on National Institute for Health Research ENT national group, providing strategic direction for AHP research in ENT practice.

Professor Vincent Vander Poorten – Belgium

Professor Vincent Vander Poorten is a Professor and Clinical Head of Otorhinolaryngology, Head and Neck Surgery at University Hospitals Leuven in Belgium. He also serves as the Section Head of Head and Neck Oncology within the Department of Oncology at the Faculty of Medicine, KU Leuven. His clinical interests and expertise are head and neck oncology and surgery, with a specific focus on salivary gland and thyroid surgery, transoral laser microendoscopic and robotic surgery, endoscopic and external approaches to the anterior skull base.

Professor Vander Poorten is a member of the editorial board of the European Journal of Surgical Oncology, Frontiers in Oncology, Frontiers in Surgery, B-ENT and Journal of Head and Neck Physicians and Surgeons. He is also an Executive Board Member of the Asia-Pacific Society of Thyroid Surgery (APTS) and of the Multidisciplinary Salivary Gland Society (MSGs), Vice Chair, International Advisory Section of the American Head and Neck Society – AHNS, Member Executive Committee International Federation of Head and Neck Oncological Societies – IFHNOS.

INVITED SPEAKERS (cont'd)

Keynote Speaker

Professor Danny Rischin – Melbourne

Professor Danny Rischin is a medical oncologist/clinician researcher at the Peter MacCallum Cancer Centre and Professorial Fellow, Sir Peter MacCallum Department of Oncology, University of Melbourne. He is a National Health and Medical Research Council of Australia Leadership Fellow. From 2007 to 2021 he was the Director of the Department of Medical Oncology at the Peter MacCallum Cancer Centre and recently completed a 10 year term as an Associate Editor of the Journal of Clinical Oncology.

His major clinical and research interests are in the development of new treatments and novel biomarkers for head and neck cancers and cutaneous squamous cell carcinoma. He has published extensively on these topics (290 publications, 30,000 citations, h-index 76).

He played a major role in the pivotal trials defining the role of immune checkpoint inhibitors in advanced cutaneous SCC and recurrent/metastatic head and neck SCC and continues to have major leadership roles in current potentially practice changing trials.

Chris O'Brien Oration Keynote Speaker

Professor Suren Krishnan – Adelaide

Professor Krishnan is an Otolaryngologist, Head and Neck Surgeon with appointments at Royal Adelaide Hospital and Queen Elizabeth Hospital and in private practice in Adelaide. From 2007 to 2020 he was head of the department and from 2020 to 2022 he was appointed to the position of Medical Lead of Surgical Specialities at the Royal Adelaide Hospital. He is also a Clinical Professor, Faculty of Surgery at the University of Adelaide.

Professor Krishnan was President of the Australian Society of Otolaryngology Head and Neck Surgery (ASOHNS) from 2020 to 2022, an examiner in Otolaryngology, Head and Neck Surgery for the Royal Australasian College of Surgeons and one of the founding members and later a President of the Australian and New Zealand Head and Neck Society.

He has led the introduction of minimally invasive approaches in head and neck surgery, being one of the early adopters of Trans Oral LASER Surgery and the first to perform Trans Oral Robotic Surgery in Australia.

Professor Krishnan has been recognised with Australia Day and Queen's Birthday honours for his services to head and neck surgery and for voluntary medical services to the Pacific Islands, Indonesia and Africa.

ANZHNCS ASM 2025

Friday 29 – Sunday 31 August 2025

Adelaide Convention Centre,
Adelaide, South Australia

Shaping the Future of Head and Neck Cancer Treatment

TERMS AND CONDITIONS

The Sponsor and Exhibitor application to participate is an offer which is accepted by the Royal Australasian College of Surgeons (RACS) of the amount payable on making the Application.

Booking Conditions

Acceptance of sponsorship/exhibition applications will be subject to organising committee approval. The organising committee reserves the right to decline applications based on any association, direct or indirect, that does not uphold the objectives of the meeting.

Cancellation Policy

In the case of the cancellation of sponsorship, unless all sponsorship is resold RACS will reserve the right to retain monies received. In the case of the cancellation of an exhibition booth/s, please note that unless RACS is able to sell all booth/s, RACS reserve the right to retain all monies received. If the balance of payment on the booth/s is not received within the trading terms the allocated booth/s will be cancelled.

Attendance

The Sponsors and Exhibitors understand that all company attendees must register officially.

General Terms

The exhibitor agrees to be bound by the Exhibition General Terms and Conditions. Conditions set out in this "ANZHNCS ASM 2025 Sponsorship Prospectus" document, which is acknowledged as being received.

Booth Allocation

The exhibitor understands that booths and/or space will be allocated strictly in order of receipt of payment and that the organising committee's decision will be final.

Consequential Damage

The Organisers will not be liable for any indirect or consequential damages arising out of a breach of this exhibition contract.

Liability and Insurance

The exhibitor and the servants, agents and contractors of the exhibitor occupy and use the exhibition space/booth allotted under this exhibition contract and enter Adelaide Convention Centre and act under or pursuant to this exhibition contract at their own risk. The exhibitor hereby indemnifies and releases the Royal Australasian College of Surgeons ("the Organisers"), Adelaide Convention Centre ("the Venue Managers") and the exhibition contractor and each of them against all actions, suits, costs, claims and demands brought against the Organiser, and the Venue Managers by any natural person, firm or corporation for any damage or loss caused directly, or indirectly to, or suffered by any person, firm or corporation as a result of any act or default of the exhibitor or the servants, agents, contractors or invitees of the exhibitor or resulting directly or indirectly from the attendance of the exhibitor at the exhibition, including travel to and from such venues and without limiting the foregoing the Organiser and the Venue Managers or any of them shall not in any circumstances be liable for any loss damage or injury which may occur to the exhibitor or the servants, agents or contractors of the exhibitor or for any damage to their property including damage to exhibits, plant equipment, fixtures, fittings or other property whatsoever or for any loss of profits which they may suffer howsoever

caused. It is strongly advised that each exhibitor seek to cover their equipment, exhibition and display material with adequate insurance and also effect public risk insurance at the expense of the Exhibitor.

Variations

The Organisers may in the event of any circumstance which renders it necessary vary the booth or stand space allocation and the exhibitor will accept such re-allocation without any claim for a reduction in charges or otherwise.

Implied Warranties

In the event any statute implies any term condition or warranty into this agreement which cannot be lawfully excluded, such terms will apply to this agreement, save that the liability of the Organisers and each of them for breach of any such implied term will be limited, at the option of the Organisers, to any one or more of the following:

- the placement of goods to which the breach relates or the supply of equivalent goods
- the repair of such goods
- the payment of the cost of replacing the goods or of acquiring equivalent goods, or
- the payment of the cost of having the goods repaired.

Security

Adelaide Convention Centre's security operations provide fundamental perimeter security in the complex but beyond this, the Organiser, and the Venue Manager and their officers and employees, separately or collectively are not responsible for any damage to or for the loss or destruction of an exhibit, from fire or theft or accidents or injury resulting from such causes. Additional security requirements should be discussed between the exhibitor and Venue Manager directly.

Additional Conditions and Regulations

The exhibitor and the servants, agents, contractors, and invitees of the exhibitor are also to observe the conditions, rules, regulations and procedures as set out in the exhibition manual of Adelaide Convention Centre, as revised and added to from time to time and which is available for inspection on request.

Unavoidable Occurrences

In the event that the exhibition is cancelled or delayed through no fault of the Organiser, the Venue Manager or the Sponsors/ Exhibitors including but not limited to fire, flood, labour disputes, natural disasters, acts of God, epidemics, pandemics, civil disorders, riots, insurrections, work stoppages, slowdowns or disputes, or other similar events then the exhibitor shall not be entitled to any refund or to claim for any loss or damage.

Assignments and Subletting

No exhibitor shall assign, sublet, or share the whole or any part of the space booth allotted without the knowledge and consent of the Organisers.

Hours

The Organisers shall determine the hours during which the exhibition shall be conducted and hours of access for exhibitors including variations of such times as shall be necessary.
