Tēnā koutou katoa.

Nau mai, haere mai ki Aotearoa!

**Greetings and a warm welcome
to Aotearoa New Zealand.**

The Organising Committee invites you to join us in Queenstown, New Zealand, from Thursday 10 September to Sunday 13 September 2026 for the ANZSVS Conference 2026.

The theme for this year's meeting, "*New Peaks: Shaping the Future of Vascular Surgery*," reflects both the spectacular alpine setting and our shared ambition to advance vascular surgery to new heights. Through keynote scientific presentations, interactive sessions and panel discussions, the 2026 program will showcase the latest developments in our field while exploring emerging challenges and unanswered questions.

In a field defined by innovation, collaboration is essential in navigating the future of vascular surgery in Australasia and beyond. We are delighted to host an outstanding faculty of local and international experts who will share their diverse perspectives and experiences. As in previous years, the ANZSVS Conference is fortunate to partner with the Australian and New Zealand Society for Vascular Nursing (ANZSVN) meeting.

In addition, this year we are honoured to welcome the World Federation of Vascular Societies (WFVS) to Queenstown; together with the WFVS President, Dr Iman Bayat. The WFVS delegates will bring a truly global perspective to this meeting.

Set against the stunning backdrop of New Zealand's Southern Alps, the conference also offers opportunities to reflect and rejuvenate – or get your adrenaline pumping – ensuring delegates leave inspired, professionally and personally.

Enclosed in this Sponsorship Prospectus you will find a provisional Program at a Glance and the details of various opportunities available for your company to support and participate at different levels in the Conference. These opportunities include a range of events such as symposia, workshops, functions, and the exhibition—offering you direct interaction with the conference delegates and other key stakeholders, further fostering collaboration across the vascular community.

We would be thrilled to have you as a sponsor or exhibitor at the ANZSVS Conference 2026 in Queenstown. Your involvement will contribute to a dynamic and insightful conference, focused on the latest advancements and challenges in Vascular Surgery.

We look forward to the opportunity to collaborate with you and engage in stimulating discussions that will shape the future of our profession.

We look forward to welcoming you to Queenstown in September 2026!

MTAA and MTANZ Codes of Practice

The Medical Technology Association of Australia (MTAA) Code of Practice can be viewed on the MTAA website (www.mtaa.org.au) and the Medical Technology Association of New Zealand (MTANZ) Code of Practice can be viewed on the MTANZ website (www.mtanz.org.nz). ANZSVS and ANZSVN endorse the Codes of Practice and urge sponsors and exhibitors to observe the requirements of the Codes in respect of their relations with ANZSVS and ANZSVN. This extends to sponsors or exhibitors who are not members of the MTAA or the MTANZ. ANZSVS and ANZSVN expect non-member sponsors or exhibitors to familiarise themselves with the requirements of the Codes and align their activities in accordance with the Codes.

Why Should You Be Involved?

Involvement with the ANZSVS Conference 2026 provides your company with access to surgeons, surgical trainees, nurses and other health professionals from Australia, Aotearoa New Zealand, South East Asia, Europe, United Kingdom, United States of America, and other countries. It is estimated that up to 90 percent of delegates will be from Australia and Aotearoa New Zealand, with the remaining attendees from other countries.

Involvement will provide your company with:

- Direct access to national and international markets.
- New ideas from surgical leaders.
- Recognition amongst the surgical field of your support of education and collaboration.
- Opportunity to meet international surgical leaders and upcoming trainees.
- Exhibition time during delegate breaks (approx. 2 hours per day) over three Conference days.
- Opportunity to increase your client base.
- Maintenance of existing client relationships.
- Opportunities to demonstrate and display your products at your booth in the industry exhibition and through your online profile.

ANZSVS Conference Marketing and Communications Strategy

The comprehensive marketing and communications plan encompasses:

- Provisional program distributed electronically to all members of the ANZSVS, ANZSVN and affiliated organisations.
- Regular promotion in RACS Fax Mentis (e-newsletter) distributed to all RACS members.
- Regular promotion on ANZSVS social media accounts.
- Regular promotion via EDM to over 1000 recipients.
- Promotional support from other vascular societies to members through online website listings and newsletters.
- Conference promoted on international vascular society/association websites.
- Acknowledgement via Conference website.

Conference Visitors

Professor Adam Beck, MD, FACS
United States of America

Adam Beck is a Professor and Division Director of Vascular Surgery and

Endovascular Therapy at the University of Alabama at Birmingham (UAB). Dr. Beck is an internationally known expert in the treatment of aortic diseases, especially those involving the branched segments of the aorta, and has a particular interest in prevention strategies for spinal cord ischemia resulting from thoracoabdominal aortic repair. He also has an interest in health services research and surgical quality improvement, serving as the Director of Quality for the UAB Cardiovascular Institute, the U.S. Director of the International Consortium of Vascular Registries (ICVR), and is the Chairman of the Society for Vascular Surgery Vascular Quality Initiative (SVS VQI), among a number of other roles in the SVS VQI. He maintains a busy clinical practice at UAB, with a focus on the treatment of complex aortic diseases.

Jill Sommerset, RVT, FSVU
United States of America

Jill Sommerset, RVT, FSVU, is a vascular technologist with 25 years of experience

in advanced vascular ultrasound and limb preservation. Currently she is the director of ultrasound at Advanced Vascular Centers and HOPE Vascular & Podiatry. She is also the director of Clinical Education and Training at Aveera Medical. She is known for developing Pedal Acceleration Time (PAT). Jill is also an international speaker recognized for her contributions to vascular ultrasound and improving patient outcomes.

Dr Carlota F. Prendes, MD, PhD
Sweden

Dr Carlota F. Prendes is a vascular surgeon at Uppsala University Hospital

in Sweden. She completed her surgical residency in Spain (Hospital Universitario Central de Asturias) and pursued advanced aortic surgery training through two dedicated fellowships — first in Uppsala, Sweden and subsequently in Munich, Germany. Over the years, she has held consultant and fellowship roles in multiple European countries before returning to work in Uppsala. She has an extensive academic output, with over 100 peer-reviewed publications. Her research spans complex aortic pathologies, as well as topics on anatomical feasibility, sex-specific outcomes, and endograft performance. Beyond clinical and research work, she has played a key role in vascular education and knowledge dissemination. She was part of the founding team of European Society for Vascular Surgery Podcasts — a platform aimed at sharing the latest research, innovations, and discussions across the vascular community. More recently, Dr. Fernandez Prendes serves on the editorial board of European Journal of Vascular and Endovascular Surgery as Section Editor for the Thoracic and Suprarenal Abdominal Aorta section. She has also contributed to clinical guideline development and comparative guideline analysis, including a recent publication comparing the 2024 ESVS AAA Guidelines with the 2018 German S3 national guidelines — a reflection of her commitment to evidence-based practice and harmonisation of vascular care across Europe. Dr. Prendes remains actively involved in research, clinical care and education — working at the intersection of complex aortic pathology, sex-specific vascular disease, guideline development, and academic mentorship.

ANZSVN Vascular Nurse of the Year Award \$900.00 inc. GST

This award was established in 2009 to publicly acknowledge the achievements of vascular nurses and encourage professional development.

It is open to nurses who are registered with the Australian or New Zealand Registering Authority and work in any vascular-related clinical field. The nominee must have contributed to advancing vascular nursing practice within their clinical area, display a commitment to the profession of vascular nursing, actively share their knowledge with their peers, and undertake self-directed learning.

The recipient of this award will receive a certificate, trophy, honour board (for the workplace), and prize money of NZD\$900.00.

*Inclusion is subject to time of receipt of payment.

Nursing Program Sponsorship Opportunities (cont'd)

All amounts are payable in NZD and are inclusive of GST.

Sheri Sandison Encouragement Award

\$900.00 inc. GST

This annual award, first presented in 2011 in recognition of the key role Sheri Sandison played in the formation of the Australian and New Zealand Society for Vascular Nursing (ANZSVN) and in becoming the inaugural Chairperson/President. While now retired; Sheri continues to be a role model; someone who made a difference in the lives of people with vascular disease.

This annual award is for an individual member who identifies with vascular as a career pathway and is a valuable opportunity to recognise ANZSVN members who are “coming up through the ranks” in their local workplace. The recipient of this award will receive a certificate, trophy, and prize money of NZD\$900.00.

Janice Caine Best Presenter Award

\$600.00 inc. GST

Janice Caine is a Melbourne-based Vascular Surgical Nurse who was an inaugural member of the Australian and New Zealand Society for Vascular Nursing. Janice served many years on the ANZSVN committee, with her most notable contribution as Membership Officer – a traditionally high-workload role. Janice resigned from the committee in 2019 and in acknowledgement of her significant contributions to our society we have named our Conference ‘best presenter’ award in her honour.

The Janice Caine Best Presenter award is provided to the best nursing professional presentation at the Conference. The award is judged on the below criteria. All nursing professionals who provide a presentation

at the annual Conference are automatically entered into the running for this award. Please note that this award excludes first-time nursing presenters – these individuals are entered into the Best Novice Presenter Award (see below). The award is judged on the following criteria:

1. Award candidates must hold a current ANZSVN membership.
2. The award is only provided to those nurses who provide their presentation ‘in person’ (can include a pre-recorded presentation and/or live online presentation).

The award is announced at the closing of the nursing plenary sessions at each annual Conference and the recipient of this award will receive prize money of NZD\$600.

Best Novice Presenter Award

\$500.00 inc. GST

The Best Novice Presenter Award is an annually awarded accolade for a nursing professional presenting for the first time at the annual ANZSVN Conference. This award aims to encourage debutant nursing professionals who are taking their first steps into the world of scientific presentations.

First-time presenters who provide a presentation at the annual ANZSVN Conference are automatically eligible for this award. The award is judged on the following criteria:

1. Award candidates must hold a current ANZSVN membership.
2. The award is only provided to those nurses who provide their presentation ‘in person’ (can include a pre-recorded presentation and/or live online presentation).

The award is announced at the closing of the nursing plenary sessions at each annual Conference and the recipient of this award will receive prize money of NZD\$500.

Applications are subject to Organising Committee approval. An application does not warrant immediate acceptance and applicants will be advised in writing of acceptance or otherwise. Cancellations must be received in writing by the Conference Organiser. Cancellations will not be refunded unless sponsorship/exhibition pod are able to be resold.

Terms and Conditions

The application of the sponsor/exhibitor to participate is an offer which is accepted by the Royal Australasian College of Surgeons (RACS) of the amount payable on making the application.

Attendance

The sponsors and exhibitors understand that all company representatives must register officially.

Booking Conditions

Acceptance of sponsorship/exhibition application will be subject to the Organising Committee approval. The Organising Committee reserves the right to decline applications based on any association, direct or indirect, that does not uphold the objectives of the Conference.

Cancellation Policy

- In the case of the cancellation of sponsorship, unless all sponsorship is resold, RACS will reserve the right to retain monies received.
- In the case of the cancellation of a booth, please note that unless RACS can sell all space RACS reserves the right to retain all monies received.
- If the balance of payment on the booth/s is not received within the trading terms the allocated booth/s will be cancelled.

General Terms

The sponsors and exhibitors agree to be bound by the Exhibition General Terms and Conditions. Conditions set out in this "Sponsorship Prospectus" document, which is acknowledged as being received.

Pod Allocation

The exhibitor understands that exhibition pods are allocated at the discretion of the Organising Committee and that the Organising Committee's decision will be final.

Consequential Damage

The Organisers will not be liable for any indirect or consequential damages arising out of a breach of this exhibition contract.

Liability and Insurance

The exhibitor and the servants, agents and contractors of the exhibitor occupy and use the exhibition space/pod allotted under this exhibition contract and enter QT Queenstown Convention Centre and act under or pursuant to this exhibition contract at their own risk.

The exhibitor hereby indemnifies and releases the Royal Australasian College of Surgeons ("the Organiser"), QT Queenstown ("the Venue Manager") and the exhibition contractor and each of them against all actions, suits, costs, claims and demands brought against the Organiser, and the Venue Manager by any natural person, firm or corporation for any damage or loss caused directly, or indirectly to, or suffered by any person, firm or corporation as a result of any act or default of the exhibitor or the servants, agents, contractors or invitees of the exhibitor or resulting directly or indirectly from the attendance of the exhibitor at the exhibition, including travel to and from such venues and without limiting the foregoing the Organiser and the Venue Manager or any of them shall not in any circumstances be liable for any loss, damage or injury which may occur to the exhibitor or the servants, agents or contractors of the exhibitor or for any damage to their property including damage to exhibits, plant equipment, fixtures, fittings or other property whatsoever or for any loss of profits which they may suffer howsoever caused.

It is strongly advised that each exhibitor seek to cover their equipment, exhibits, and display material with adequate insurance and effect public risk insurance at the expense of the exhibitor.

Implied Warranties

In the event any statute implies any term condition or warranty into this agreement which cannot be lawfully excluded, such terms will apply to this agreement, save that the liability of the Organiser and each of them for breach of any such implied term will be limited, at the option of the Organiser, to any one or more of the following:

- The placement of goods to which the breach relates or the supply of equivalent goods,
- The repair of such goods,
- The payment of the cost of replacing the goods or of acquiring equivalent goods, or
- The payment of the cost of having the goods repaired.

Security

QT Queenstown security operations provide fundamental perimeter security in the complex but beyond this, the Organiser and the Venue Manager and their officers and employees, separately or collectively are not responsible for any damage/to or for the loss or destruction of an exhibit, from fire or theft or accidents or injury resulting from such causes. Additional security requirements should be discussed between the exhibitor and Venue Manager directly.

Additional Conditions and Regulations

The exhibitor and the servants, agents, contractors, and invitees of the exhibitor are also to observe the conditions, rules, regulations, and procedures as set out in the exhibitor manual of QT Queenstown as revised and added to from time to time and which is available for inspection on request.

Variations

The Organiser may in the event of any circumstance which renders it necessary vary the pod or booth space allocation and the exhibitor will accept such re-allocation without any claim for a reduction in charges or otherwise.

Unavoidable Occurrences

In the event that the exhibition is cancelled or delayed through no fault of the Organiser, the Venue Manager or the Sponsors including but not limited to fire, flood, labour disputes, natural disasters, epidemics, pandemics, acts of God, civil disorders, riots, insurrections, Government action, work stoppages, slowdowns or disputes, or other similar events then the exhibitor shall not be entitled to any refund or to claim for any loss or damage.

Assignments and Subletting

No exhibitor shall assign, sublet, or share the whole or any part of the space/pod allotted without the knowledge and consent of the Organiser.

Hours

The Organiser shall determine the hours during which the exhibition shall be conducted and as to hours of access for exhibitors including variations of such times as shall be necessary.
