For healthcare professionals only

Welcome to GenesisCare, WA

Personalised patient care is at the core of all that we do. Our belief is our patients have access to the best possible treatments, close to home.

The GenesisCare difference:

- We offer patients access to high-quality, evidence-based care, delivered via modern treatment techniques and technology
- We offer our patients a care experience that aims to be efficient, integrated and personalised around their needs
- Appointments within five days of referral (on average)[1]
- Our clinics strive for wait times of five minutes or less, plus offer on-site parking
- As part of our multidisciplinary care, all our patients are supported by an exercise physiologist
- Medicare covers ~80–90%* of the cost of radiation therapy treatment. For patients with private health insurance, chemotherapy is typically included[2]

At our oncology centres we offer high-quality, evidence-based treatment including:

- Radiation therapy
- Medical oncology
- Haematology
- Theranostics
- Allied health support and specialist nursing care

References: 1. Time frame quoted above are based on medium average actuals for Western Australia in 2025. Time frames are indicative only and may vary depending on a patients individual condition and centre volumes on the day. **2.** Depending on the individual's position within Medicare Safety Nets for Medicare-eligible patients only. Private health insurance typically cover chemotherapy treatment however certain out-of-pocket costs may still apply depending on the level of cover. GenesisCare provide all patients with total cost of care estimates ahead of treatment.
