

ADF GENERAL SURGEON

If you're a qualified healthcare professional, add variety and rewarding challenges to your surgical career with a part-time General Surgeon role in the Australian Defence Force (ADF).

ABOUT THE ROLE

In a specialist part time career, you'll use your advanced medical expertise and knowledge to aid in the prevention, treatment or recovery of injuries or diseases.

The role will see you perform your duties in a broad range of environments and workplace conditions, taking your skills from civilian hospitals to field hospitals and well-equipped garrisons.

You'll also find yourself as the head of multidisciplinary health teams, leading the way to bring much-needed help to those that need it most.

LIFESTYLE & BENEFITS

- › Great starting salary
- › Travel opportunities
- › Tax-free pay
- › Fully paid training

ENTRY METHOD

- › Specialist Reserve (Part Time)
